First Days Go "Amazingly Well"

Sprawling Reynolds School Is Mercer County's 3rd Largest

Reynolds High School, the newest and third largest school building in Mercer County, concluded its first week of classes yesterday.

With portions of the building still incomplete and most of the 800 pupils unfamiliar with the sprawling structure, the original few days of school went "amazingly well, considering the circumstances," according to Carl F. Welch, supervising principal.

Sections of the \$2,050,000 school still not available to pupils are the gymnasium, the floor of which is in the process of being finished with lacquer, and the auditorium wing, which includes the library and music room. They are expected to be ready for use within a month.

Construction of the school, located on a 27-acre plot adjoining the Heights section of Reynolds, was begun in early spring, 1959.

At that time it was decided by the four-district jointure to open the school at the beginning of the current term. Although the pre-arranged schedule was maintained, it required a great deal of last-minute rush by the workers in order to meet the deadline on Wednesday morning.

Built By Associated

The general contractor in charge of construction is Associated Contractors, of Conneaut Lake. The architects were Hunter, Heiges and Gross, of Sharon.

The public probably will receive an opportunity to inspect the school thoroughly during an open house program tentatively planned later this year.

Reynolds has a rated capacity of 937 pupils. Only Sharon and Farrell High Schools are rated higher in the county, each with accommodations for about 1,000 pupils. Greenville High School, according to state ratings, was built for 485.

The Reynolds jointure is comprised of the townships of West Salem, Pymatuning and Delaware and the borough of Fredonia.

West Salem formerly sent most of its pupils to high schools in Jamestown and Greenville. Most of Pymatuning's attended Farrell High School. Delaware and Fredonia maintained their own high school, which this year was converted into an elementary school.

Land Was Donated

Construction of the new building was financed by a bond issue of the state School Building Authority. The land on which the school is located was donated to the school district by Reynolds Development board of trustees.

The building is designed for about 95,000 square feet of floor area. Its architecture, however, is somewhat unique in Western Pennsylvania. It is built in three major connecting sections—gym-

nasium, administration and auditorium—fronting on 15th Street.

Behind these, branching off like fingers from a 300-foot-long main corridor, are five classroom divisions which contain their own hallways. The classroom wings average more than 150 feet long.

Provides Zone Control

The structure is laid out for "zone control," which refers to isolating various departments and yet allowing pupils to reach large assembly areas with minimum difficulty. Furthermore, the design permits a simple plan for future expansion by merely adding to the number of "fingers."

The main entrance, which leads into a large corridor, lies between the administration section and the auditorium entrance. A wide steel canopy covers the walk in front of the building.

The gymnasium, surrounded by a lower level division which includes locker and shower rooms and offices, has 8,400 square feet of floor space.

The gym can be partitioned by a folding wall to divide it into equal halves for simultaneous boy and girl physical education classes. It also has separate entrances which are divorced from the rest of the school plant.

Seats Nearly 1,000

The auditorium will seat nearly 1,000 persons. Acoustically, with its north wall consisting of vertical louver-like sections that are intended to break up sound waves, the auditorium is expected to be excellent.

Behind the auditorium are the music rooms—one of 1,500 square feet and the other of 824 square feet.

Running the length of the auditorium at one side as the 2,000-square-foot library.

In addition to office, the administration section also includes a faculty suite, counselor's room, health suite, public address facilities, boiler room and conference room.

Cafeteria Included

The cafeteria and kitchen lie behind the administration portion of the building.

The first finger wing off the main corridor contains five science and geography rooms

and two commercial study rooms.

The center wing on the same side of the hallway includes a three-teacher home economics suite and the art department.

Farthermost wing is for vocational agriculture and industrial arts. There are 2,400 square feet for industrial arts and 3,250 square feet for a combination vocational agriculture and industrial arts section.

On the west side of the main hallway are two other wings accommodating 14 standard classrooms measuring 22 by 30 feet and four oversized rooms.

Each wing has its own exit at the far end of its individual hallway. All pupils lockers are installed in the walls of the sec-

tional corridors. None is in the title-lined main hall.

Video Cable Built In

Special feature of the building include a cable in preparation for the introduction of educational television.

A greenhouse, which will provide practical experience for vocational agriculture and biology pupils, is located just outside the rear of the building.

Although an athletic field was not included in the construction contract, as was finished grading around the building, men of the community already have fashioned a good football practice field at the southeast corner of the property in the vicinity of Greencrest Community Baptist Church.

Cast of Senior Play Announced By High School

The cast of Reynolds High School Class play was announced today by Mrs. Joseph Caskey, faculty director.

The production, scheduled Nov. 3 and 4, will be the first public event to be held in the new two-million-dollar building's 1,000 seat auditorium. As yet, the auditorium is still incomplete, although the school has been in operation since the beginning of the current term.

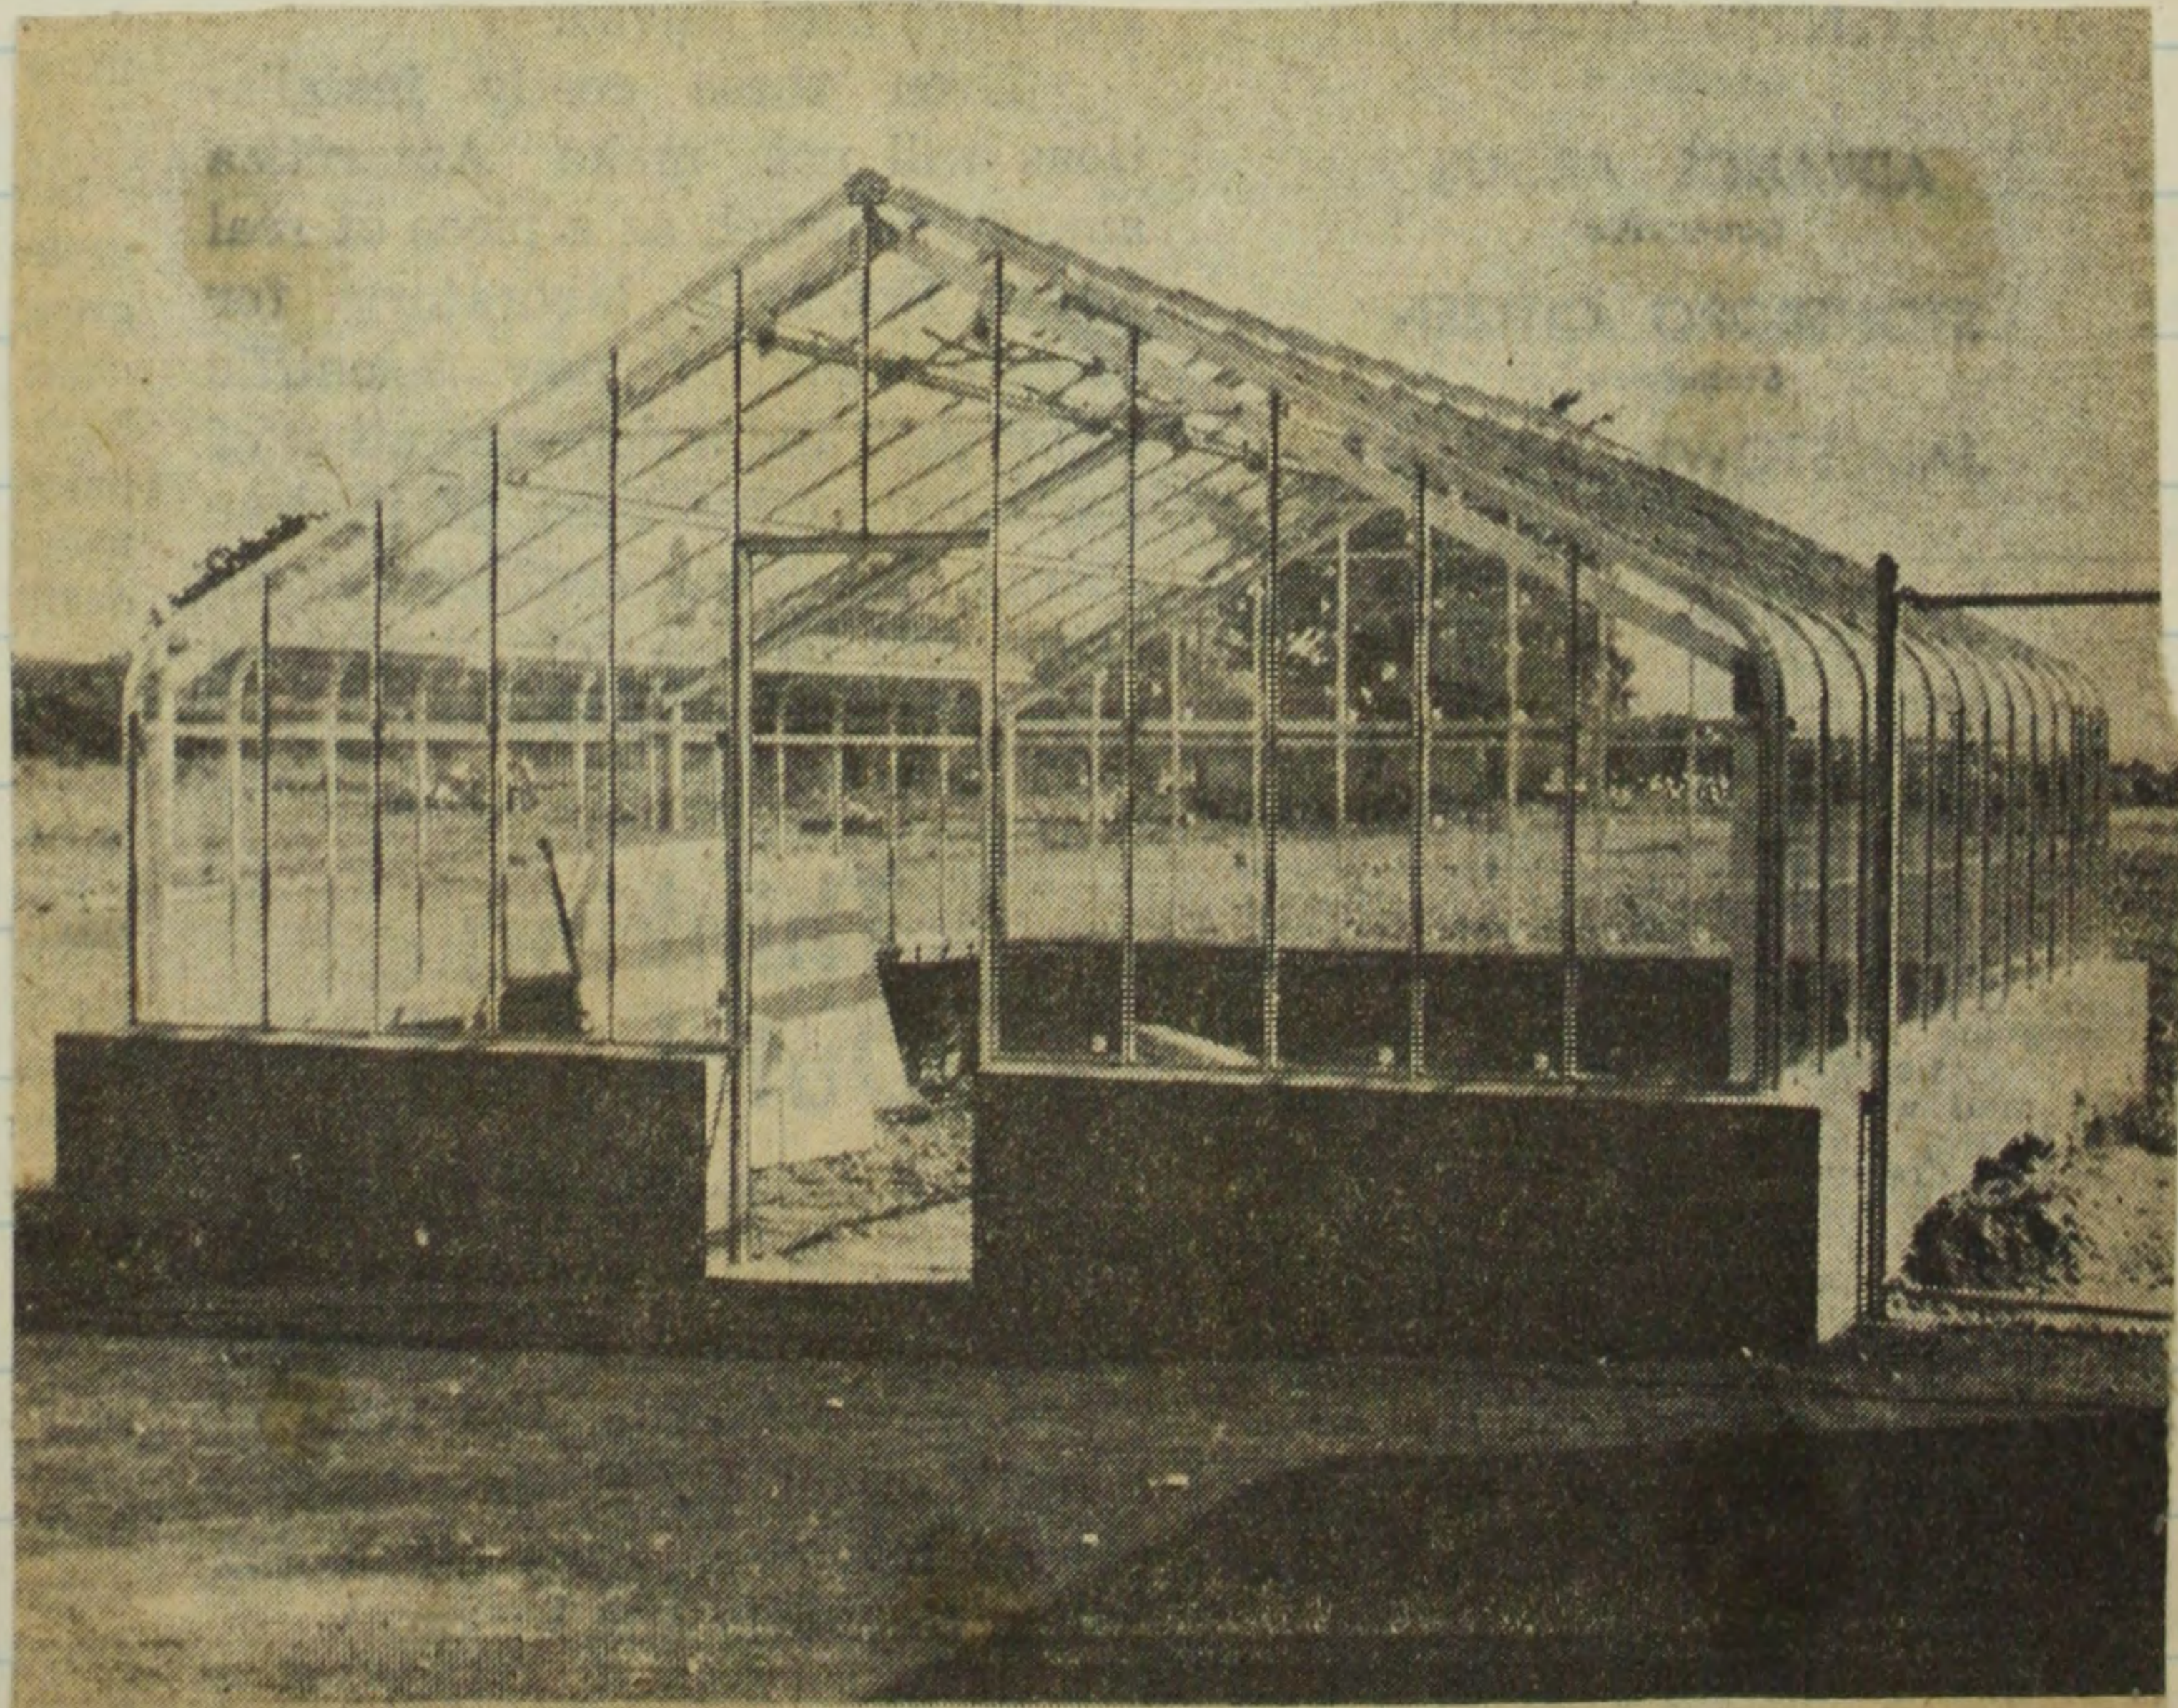

Members of the play cast are Pat Williams, Bonita Mitchell, Claudia Musgrove, Helen Whitaker, Robert Callahan, Bobbie Johnson, Marietta Zuschlag, Mary McDonald.

Also Nancy Eakin, Elaine Needels, Barbara Amon, Bart Batholomew, Robert Biggart and Robert Wall.

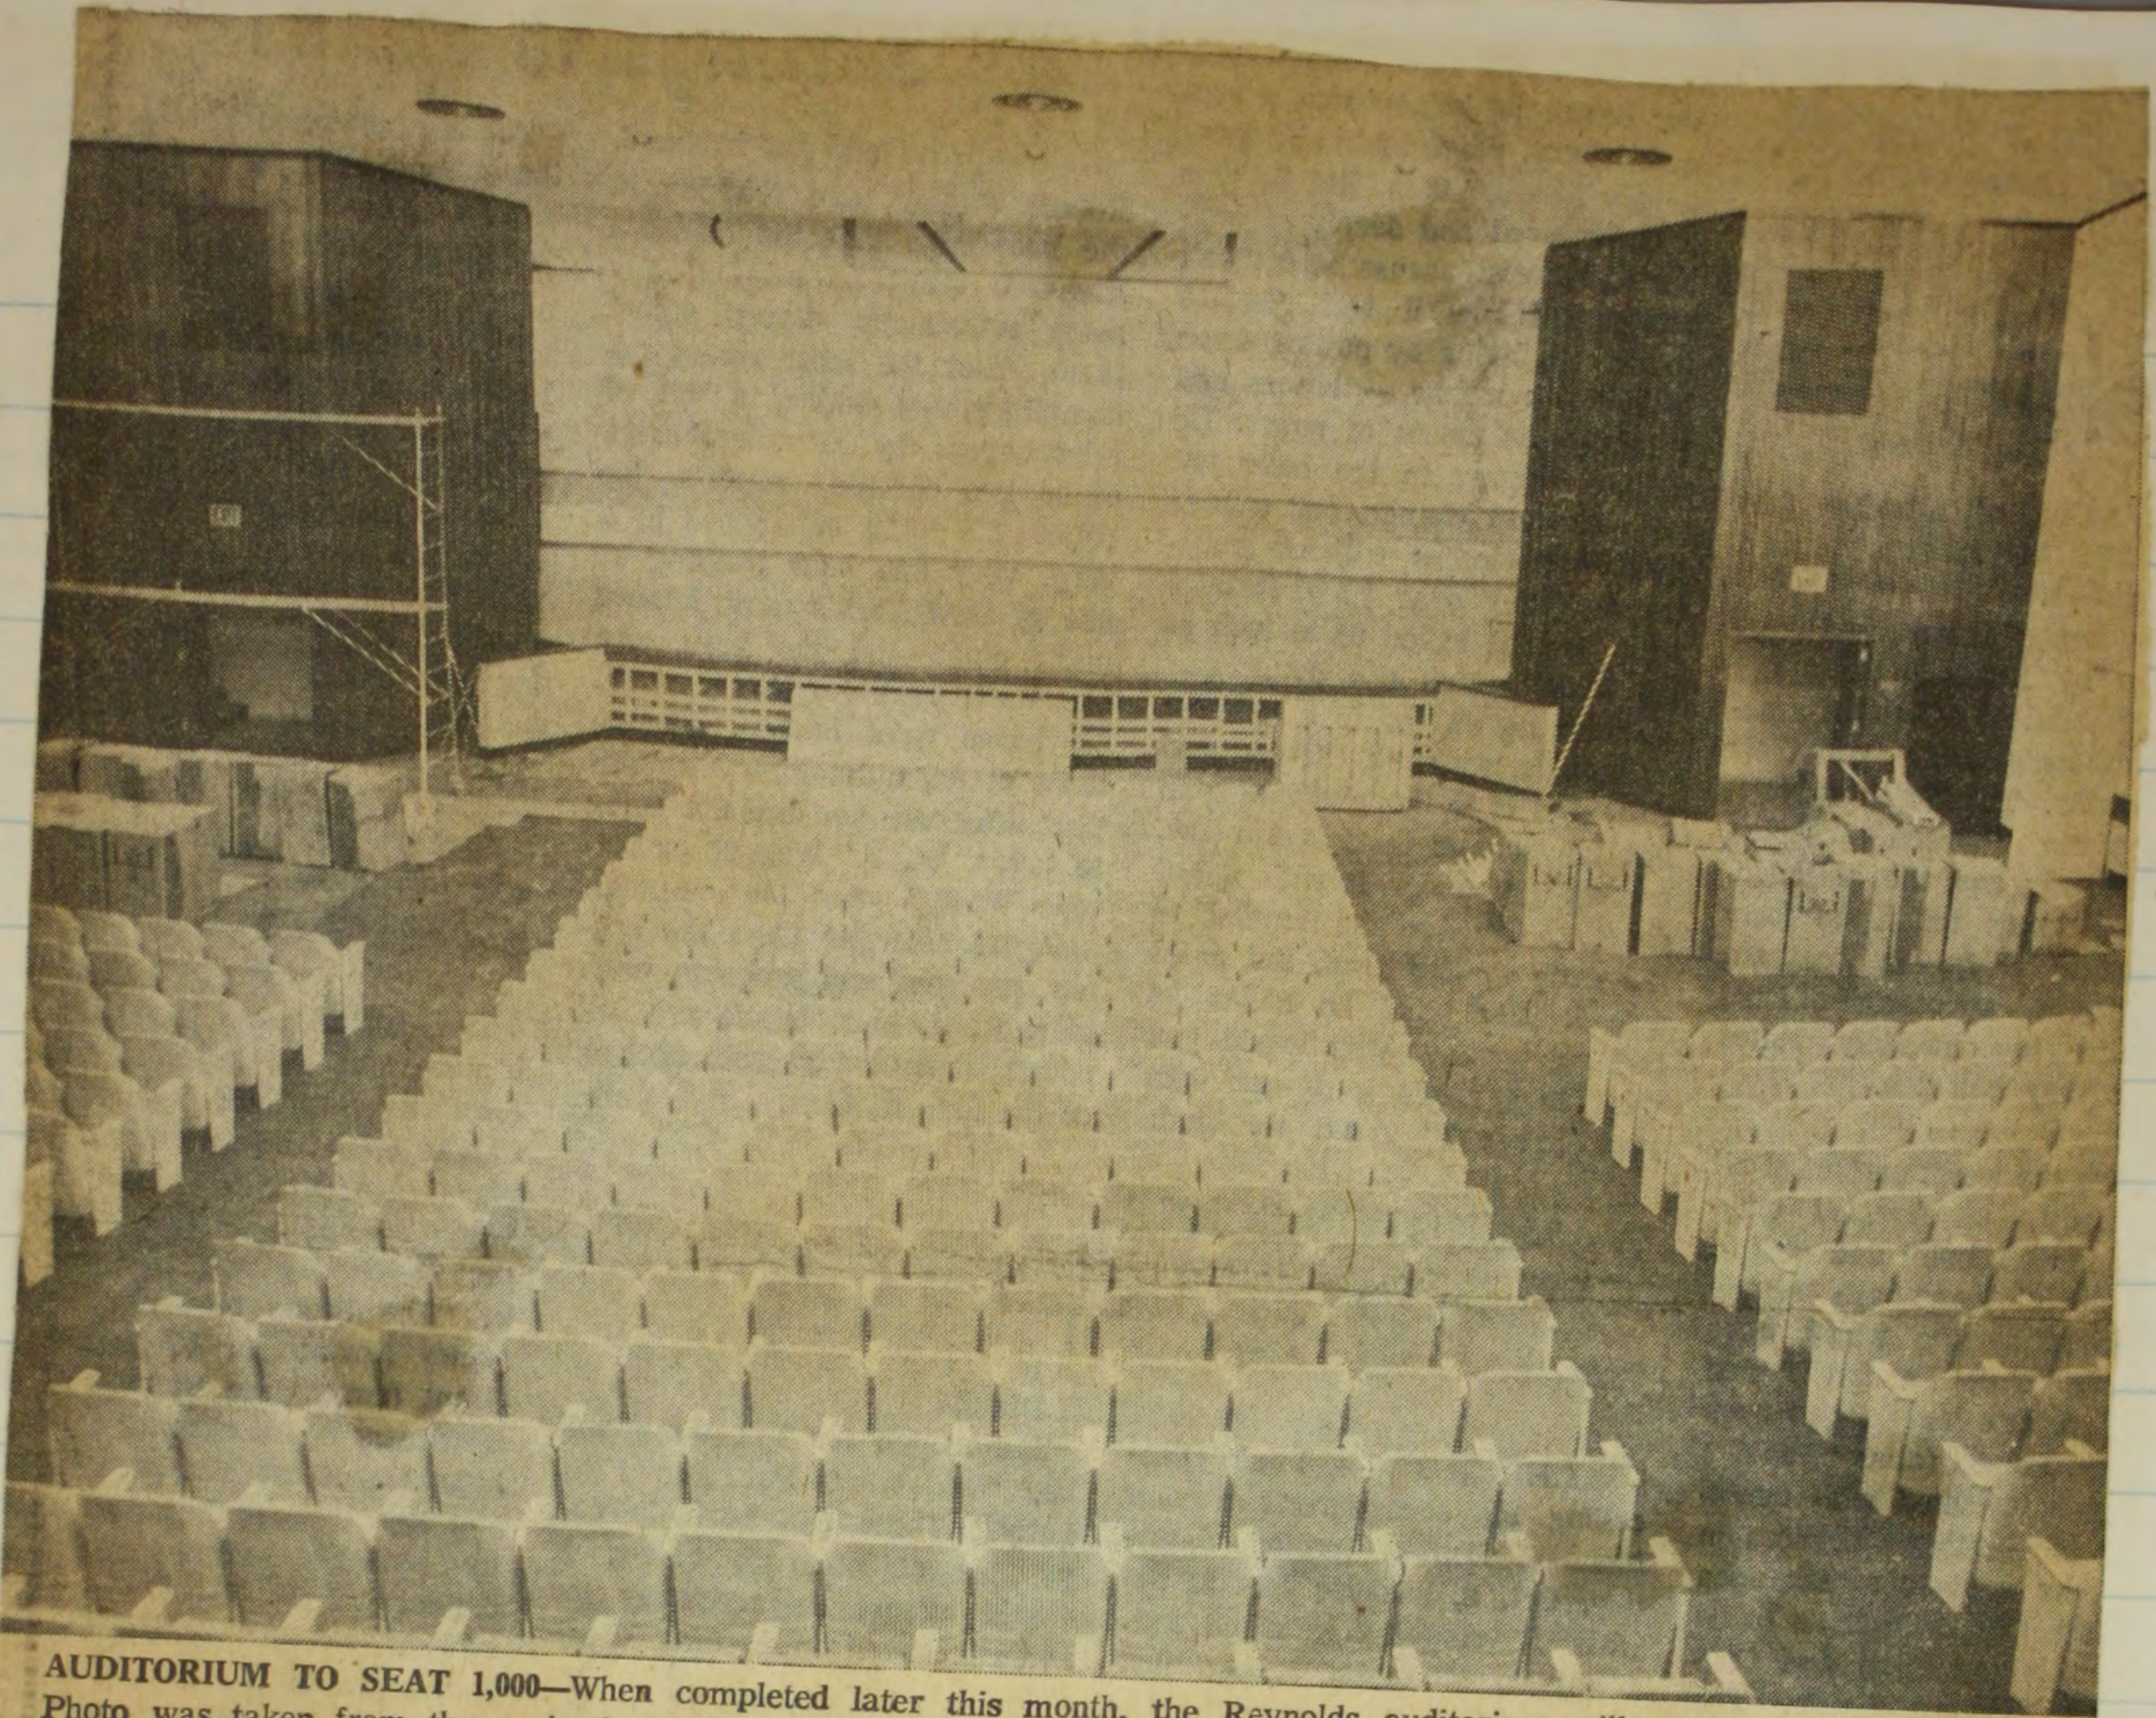

Becky Miler is student director.

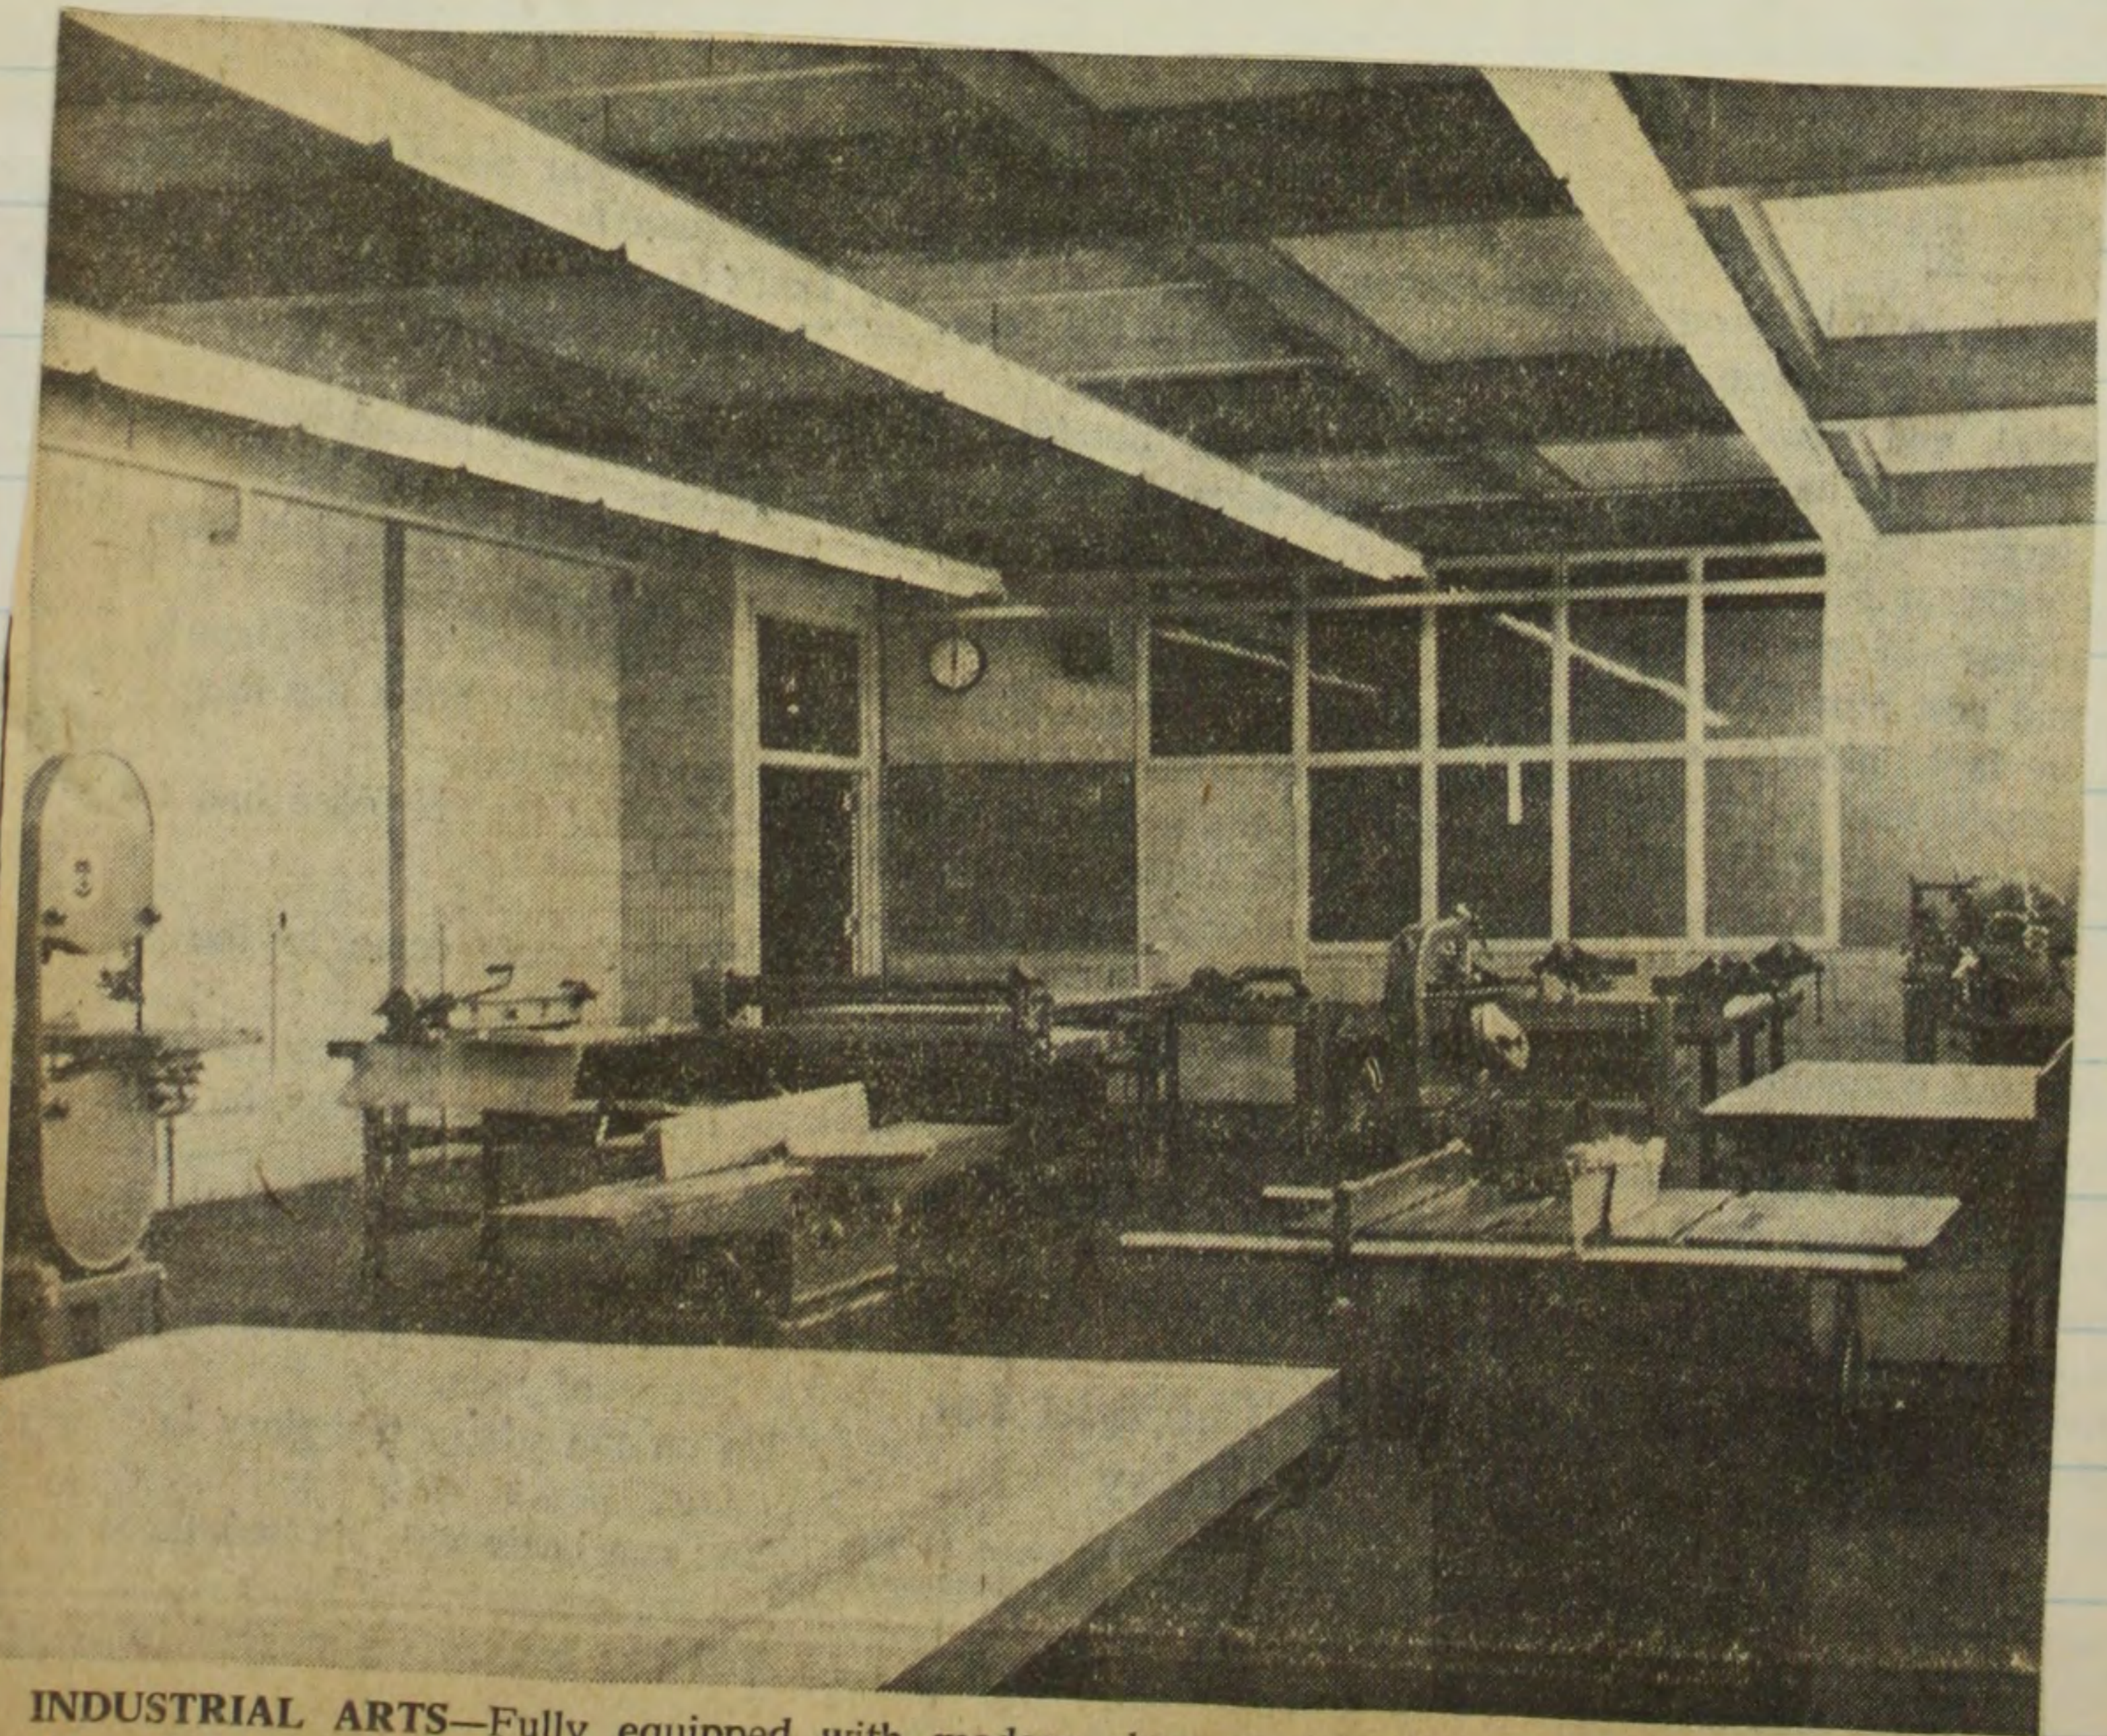

EXTERIOR AUDITORIUM WALL—Offsets with portions comprised of clear and colored glass bricks provide a unique appearance for the exterior wall of the school's auditorium.

EDUCATIONAL GREENHOUSE—This greenhouse, adjoining the school building, will be used by vocational agriculture and biology pupils.

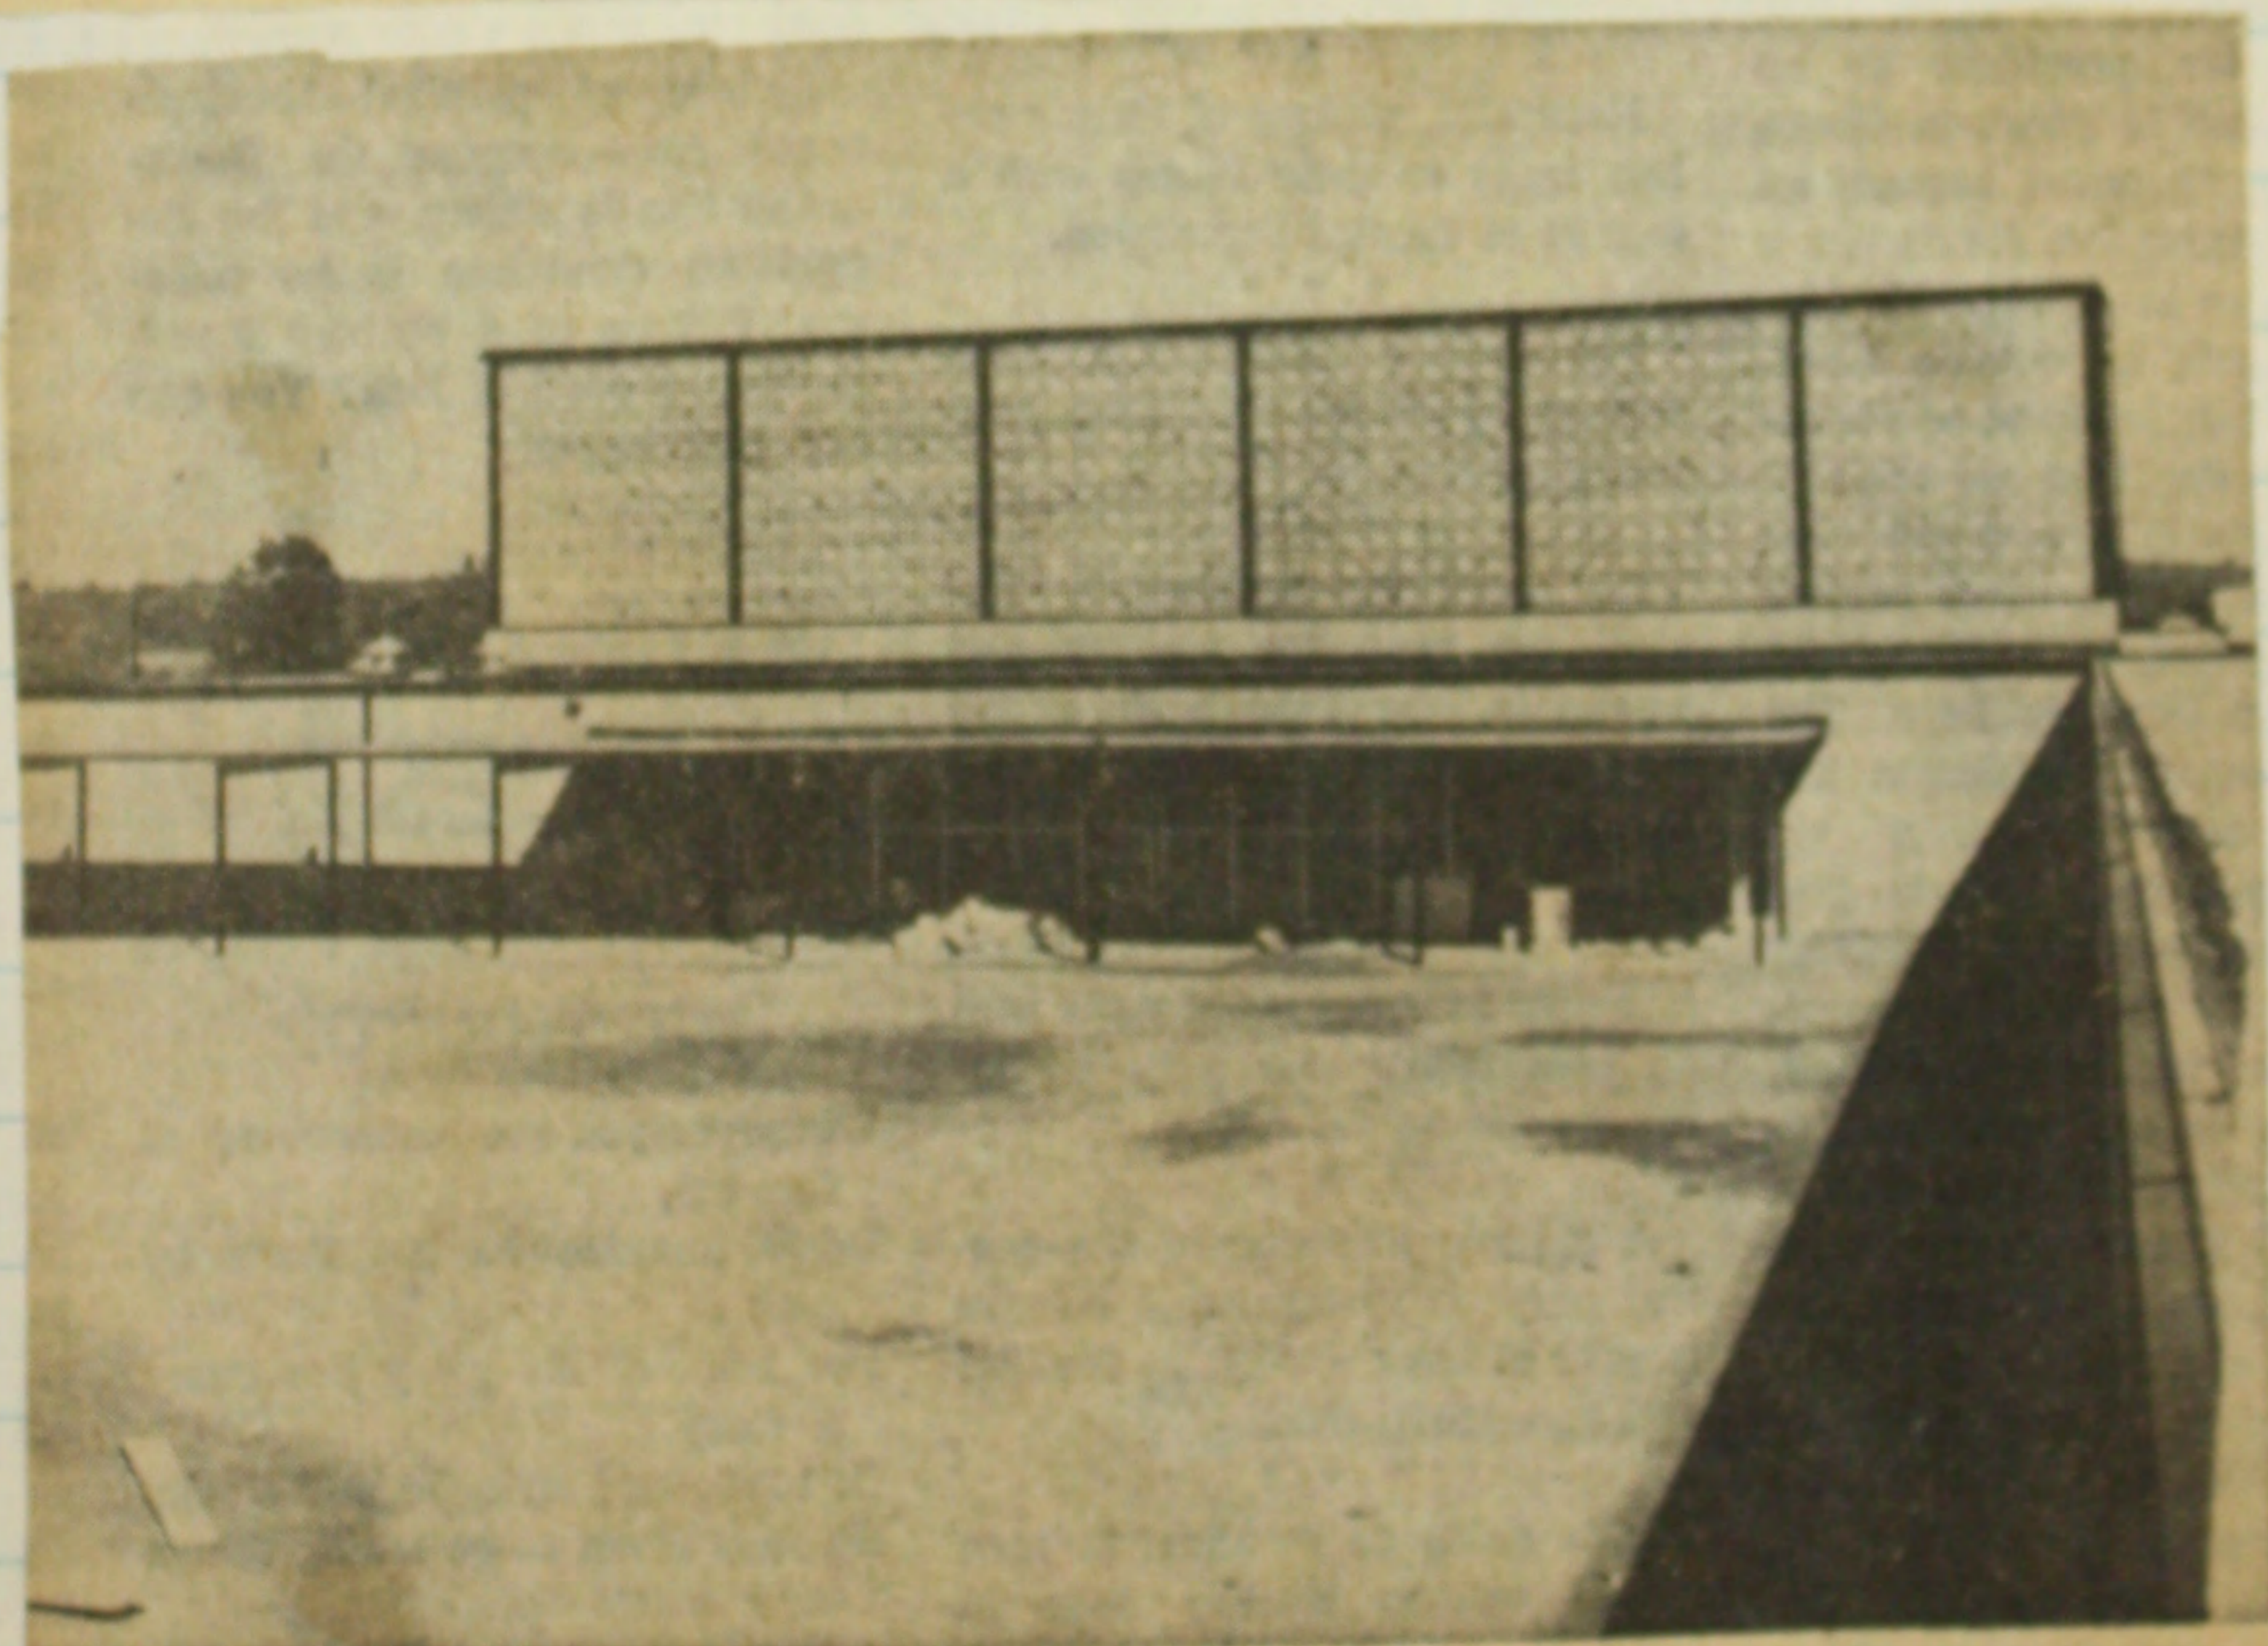

AUDITORIUM TO SEAT 1,000—When completed later this month, the Reynolds auditorium will seat nearly 1,000 persons. Photo was taken from the projection booth.

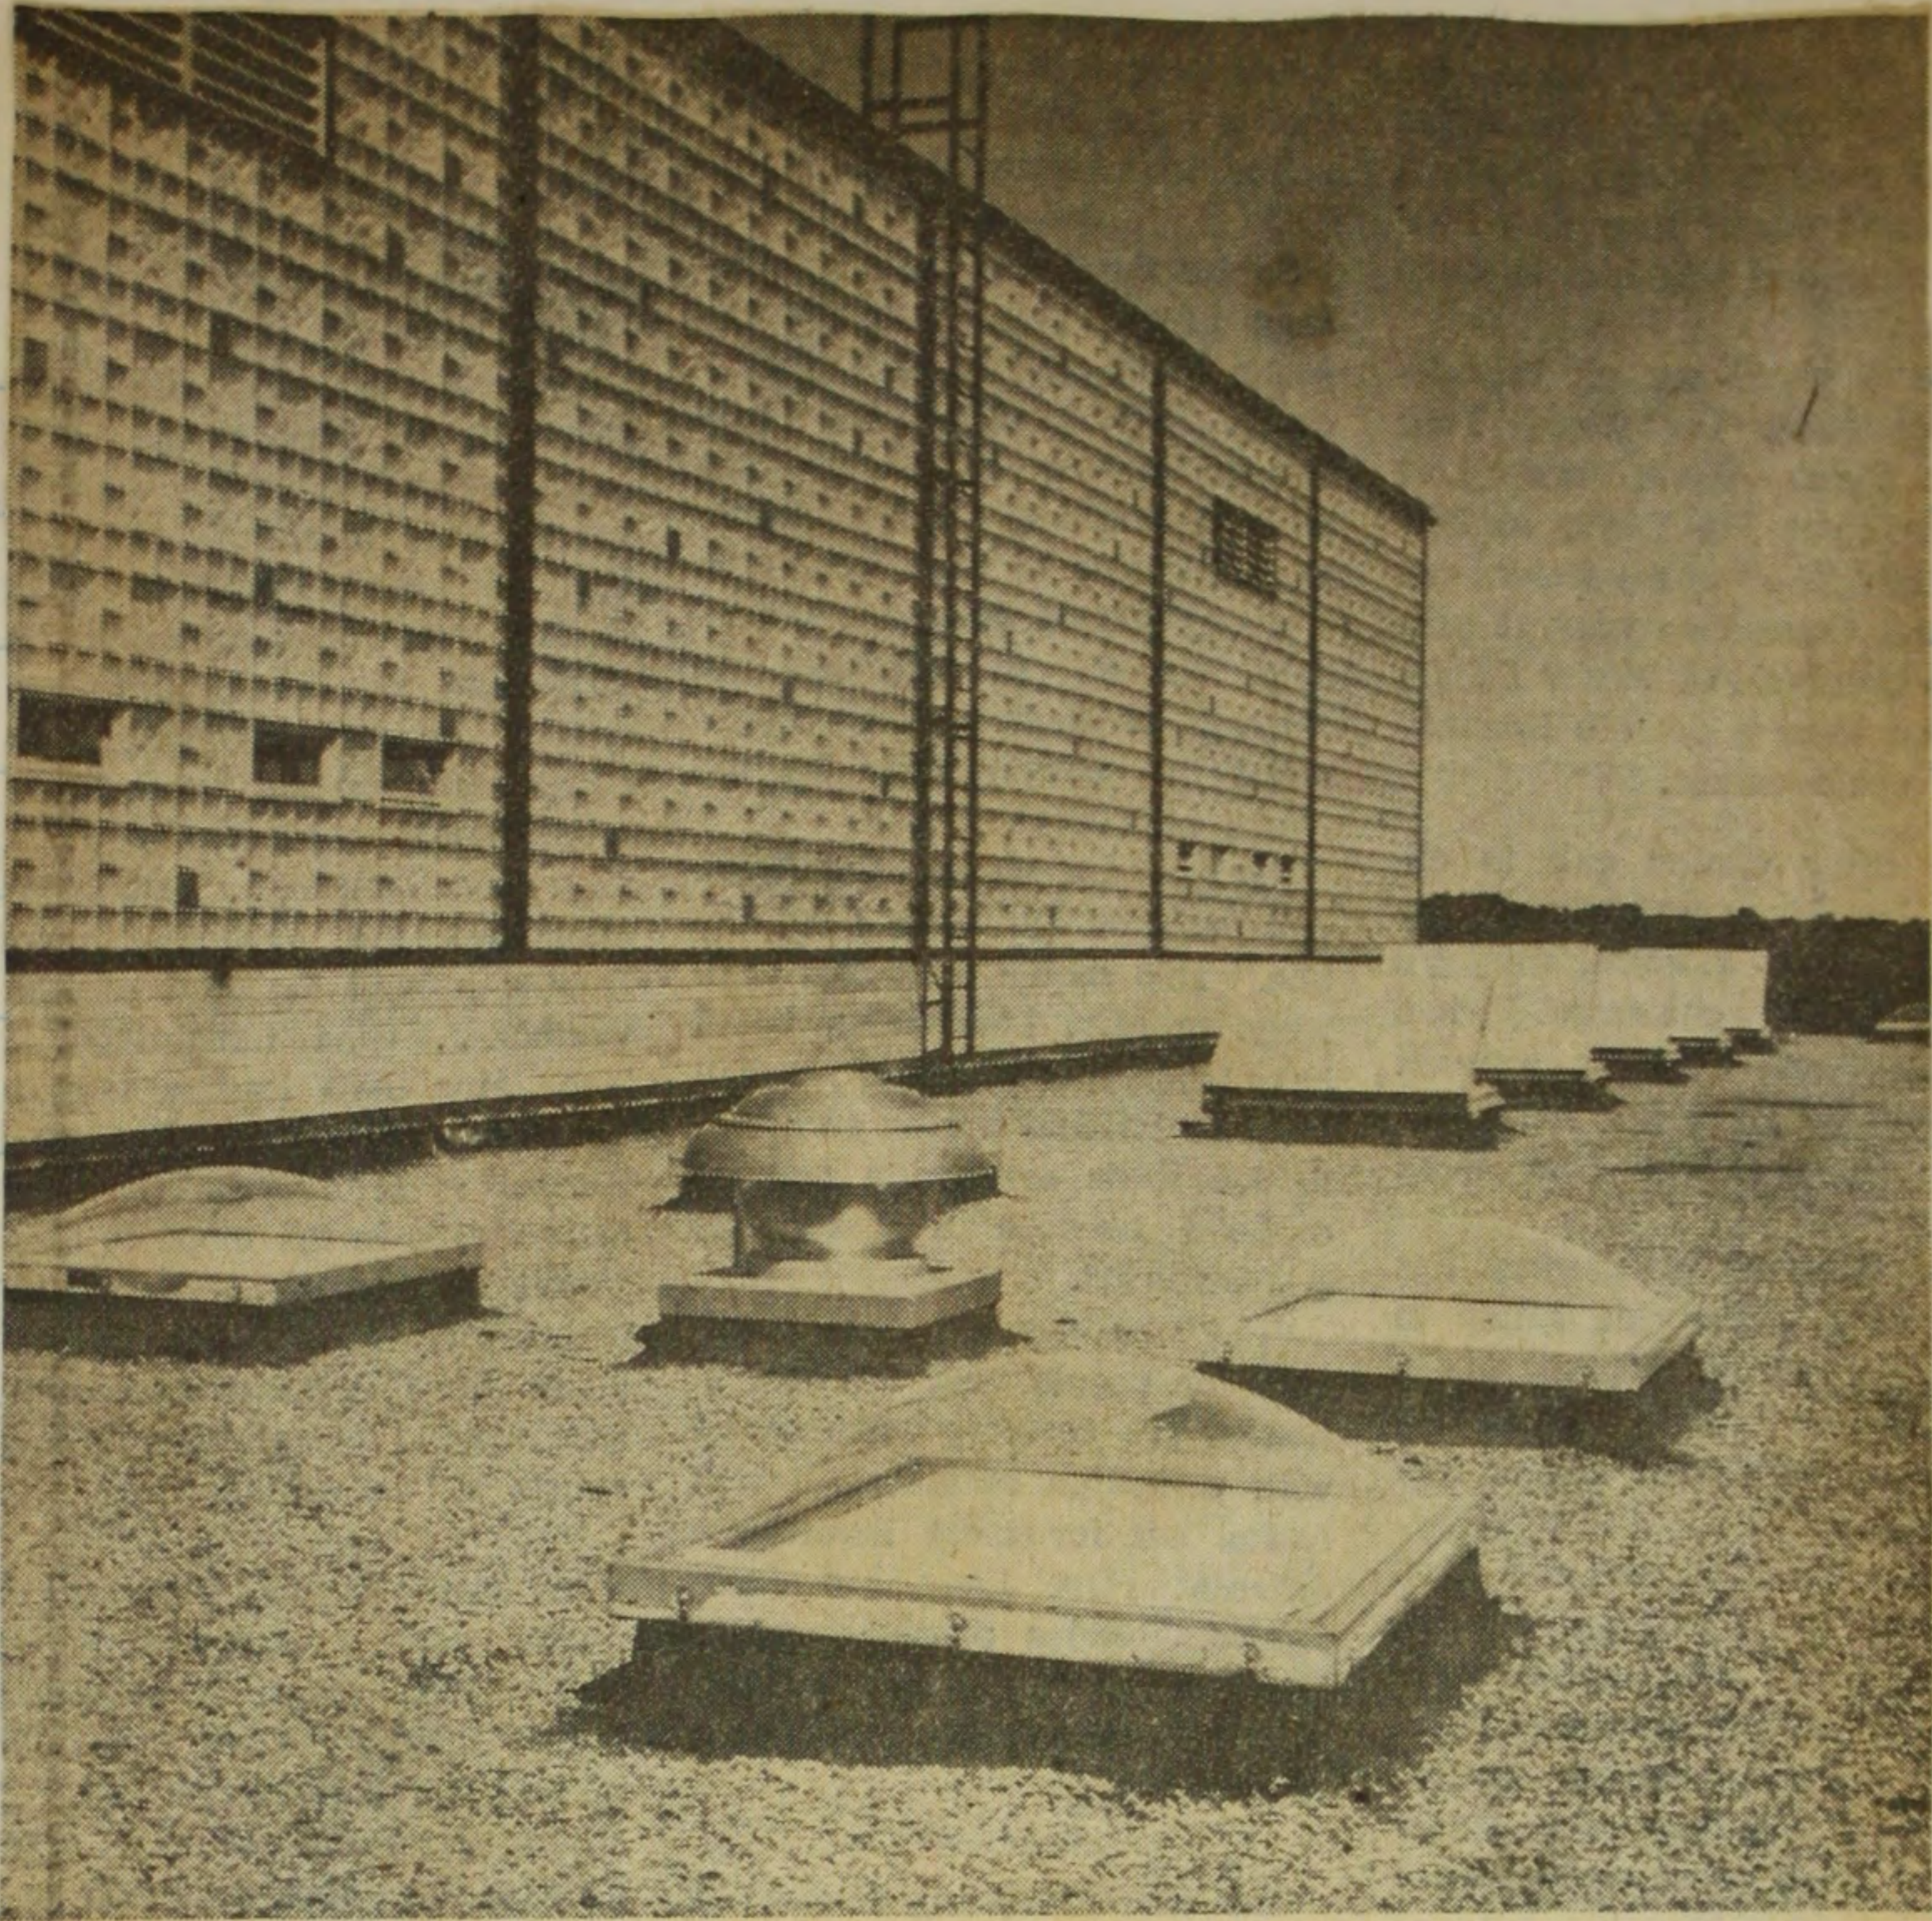

INDUSTRIAL ARTS—Fully equipped with modern shop machinery is this industrial arts section of the new school.

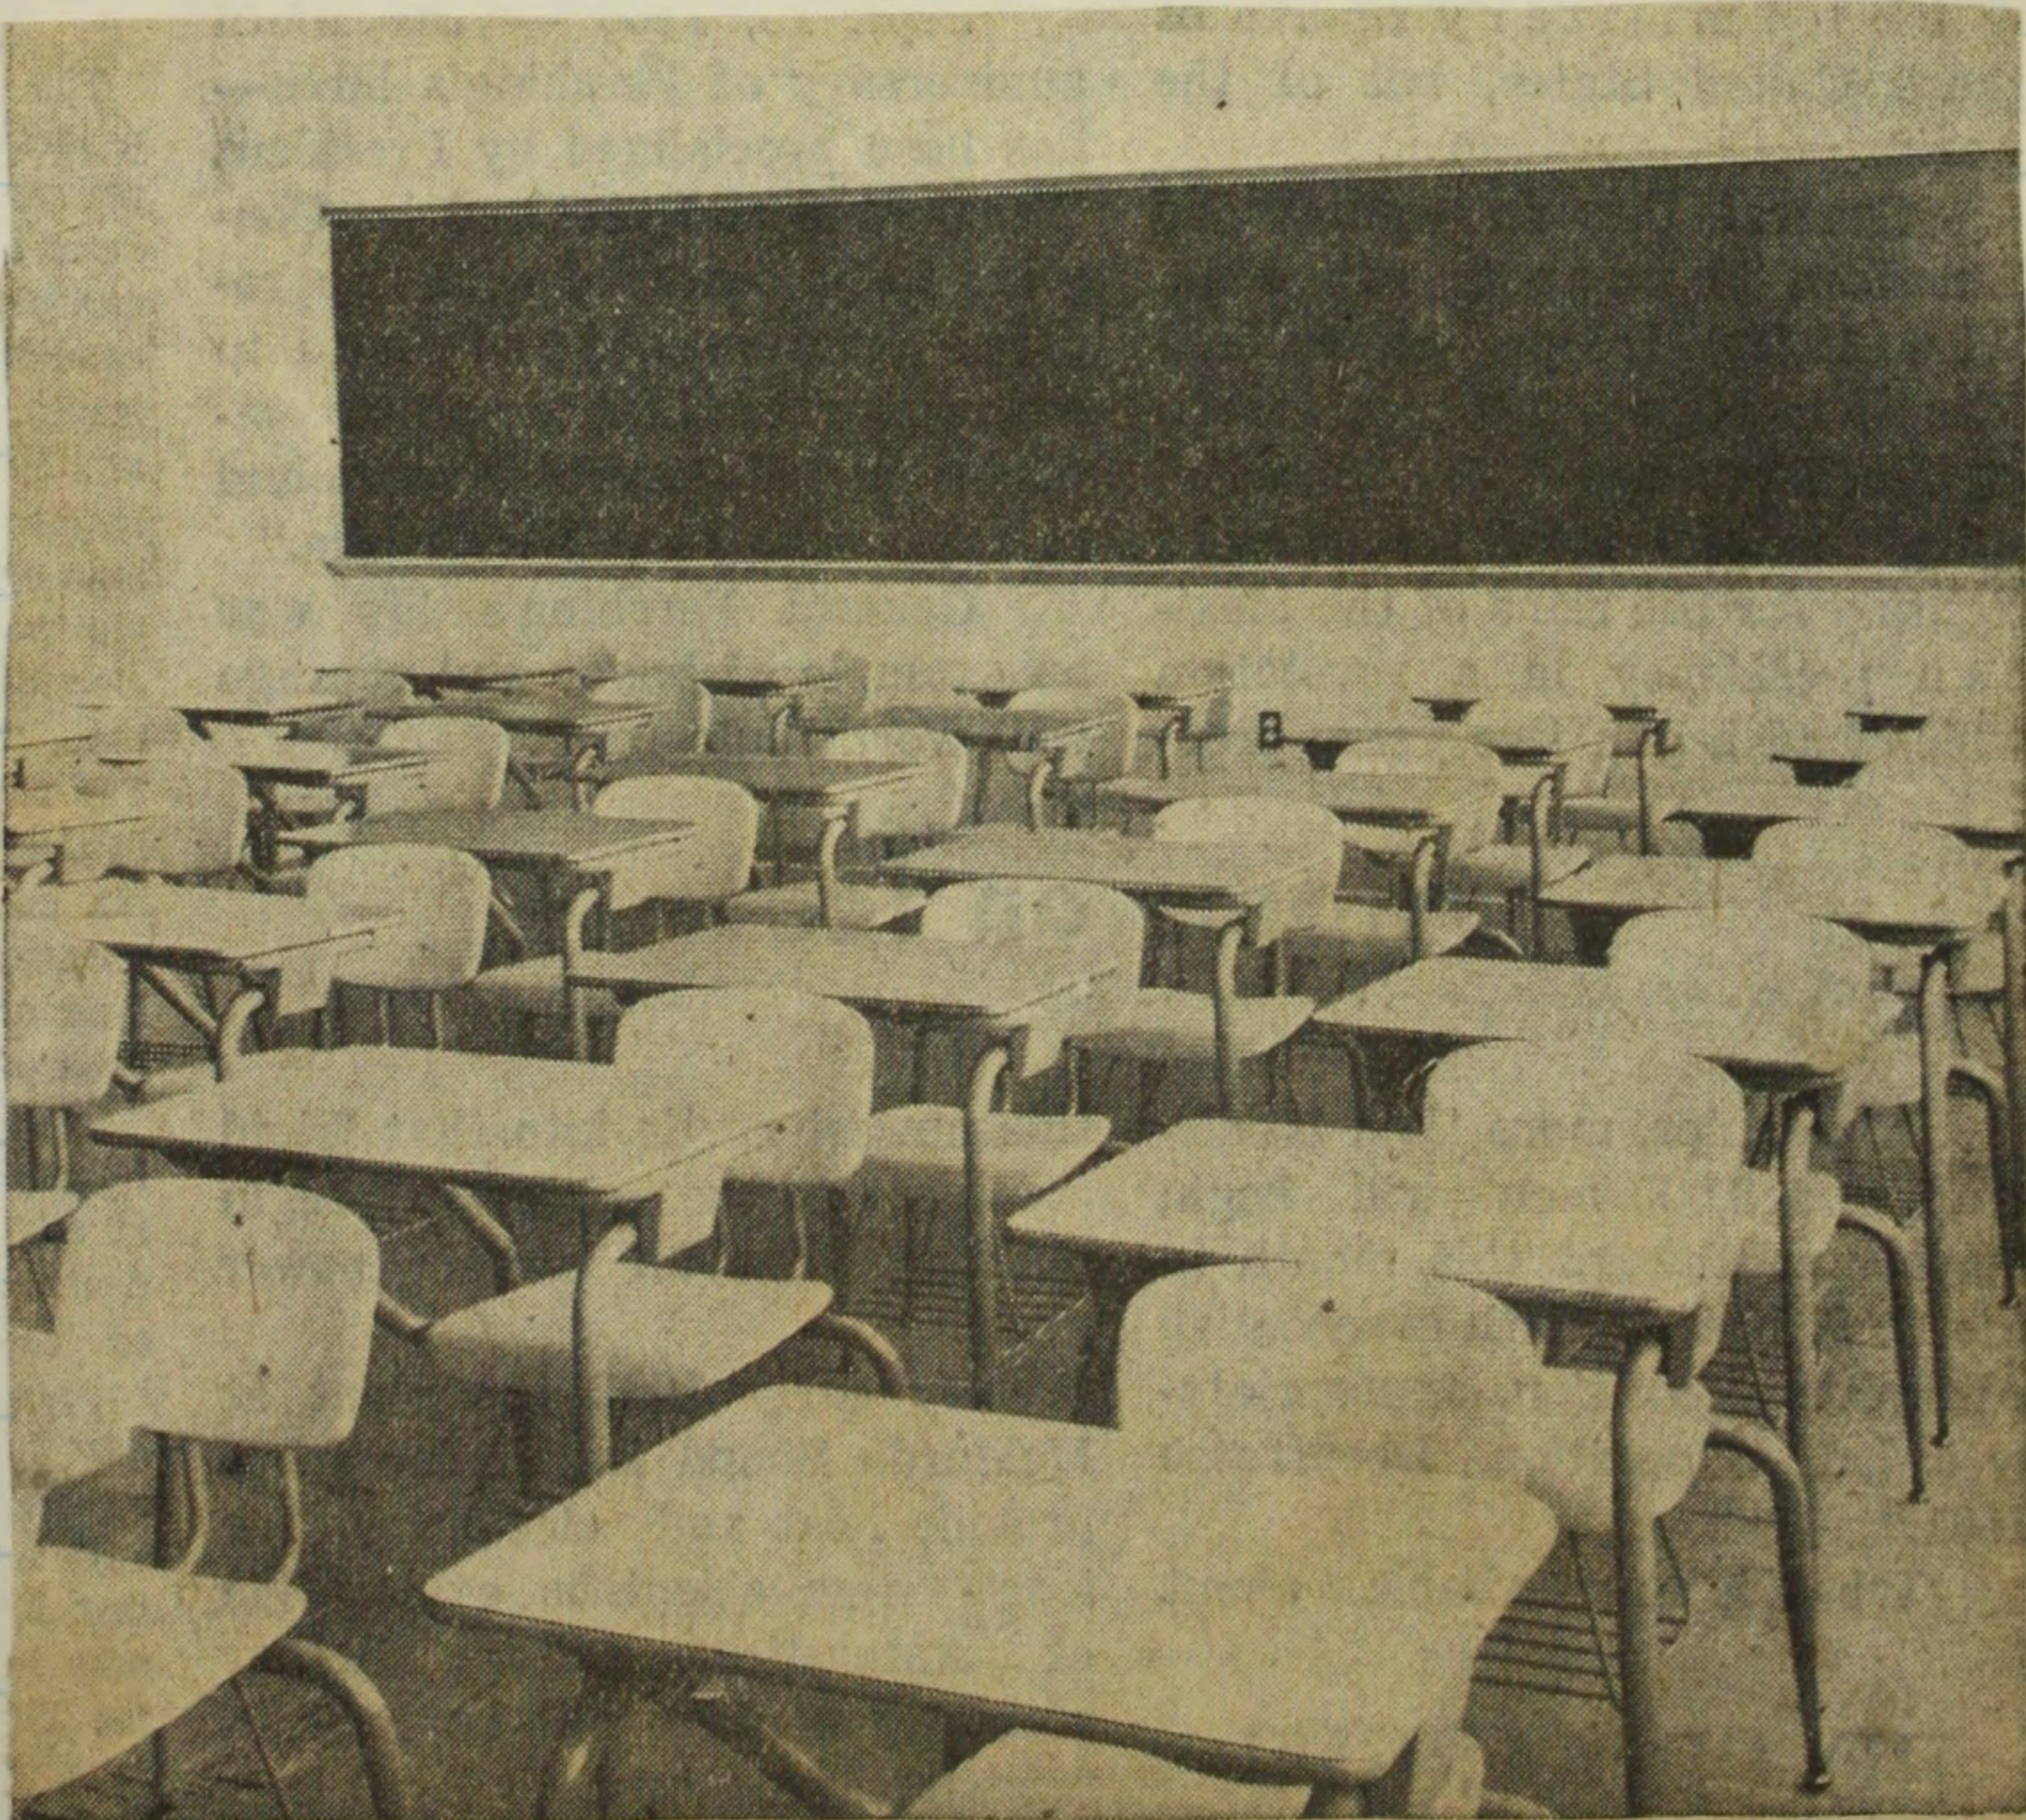

REYNOLDS GETS NEW SCHOOL—Aerial view presents one of the few angles from which all of the sprawling new Reynolds High School can be seen at one time. The photograph also illustrates the growth of the Reynolds residential area north of the school. Many other homes also have been constructed in sections not shown. (All Record-Argus photos)

GYM WITH GLASS DOME—This front view of the Reynolds gymnasium shows a section of the glass dome over the 8,400-square-foot room.

BUBBLES ON THE ROOF—Plastic "bubbles" on the roof of Reynolds High School provide both ventilation and light for rooms and corridors below. At left is section of the gymnasium's glass brick wall, which provides a sky-lighting effect inside the building.

CLASSROOM SCENE—Fourteen classrooms like these, plus four oversized classrooms, are located in the two west wings of the school.

Eighth Grade Home Room Assignments Are Listed

In-Service Day Slated Friday for Teachers

Mercer Joint Schools will open for a full day of classes at 8:50 a.m. Wednesday, Sept. 7, Seth Gustin, supervising principal, announced today.

However, the instructors will begin their duties Friday with the season's first in-service day, when the entire high school faculty will meet at 9:30 a.m. in that building and remain until noon. The afternoon will be devoted to orientation sessions with the new teachers by Principal B. W. Crawshaw.

The elementary faculty members will meet with their principal, John Fitzgerald, in the West elementary building.

The teachers will convene at 8:30 a.m. next Tuesday for another in-service program with Supervisor Gustin, adjourning at 10:30 to join other teachers in the county for the opening institute program in the Mercer High School building.

On the Sept. 7 opening of classes, Gustin said, schedule cards and books will be issued, and the cafeterias in the high school and West elementary building will serve lunch. The East elementary school will not serve lunch for the first few days of school because of the remodeling program.

The price of lunches will be 25 cents in the elementary grades, 30 cents in the high school and 40 cents for all adults. No tickets

will be sold, as all lunches are to be on a cash basis.

No free lunches will be given the first week of school, since all requests for these must be investigated before tickets are issued.

Students entering Mercer Joint Schools for the first time should report to the school office for registration and assignment before the opening day, Gustin added. He also said that those who are unable to take care of registration before the first day should report directly to the office of the building principal to register and be assigned that day.

They should take their report cards from their last school with them.

Children in the primary grades who ride the school bus and will attend the Mercer schools for the first time should wear a tag with their name and bus number written on it, to prevent confusion when loading the buses at the end of the school day.

Kindergarten sessions in both elementary buildings will be held from 9 to 11:30 a.m. and from 12:45 to 3:15 p.m.

Student insurance policies will be available the first week of school, Gustin said. The price will be \$2.75 for all students and

the policy will be in force from the time the premium is given to the teacher.

Reynolds Club Plans Project To Raise Funds

Plans for a fund raising project and a work night were made by the Optimist Club of Reynolds which met last night at the Reynolds Hotel.

The service club will hold a car-wash during the weekend at three area garages to raise money for playground equipment for children at Reynolds Area.

Coach Ralph Bouch of the new Reynolds High School asked the club for help to lay out the football practice field, located behind the Baptist Church in the development. The Optimists will work on the practice field tonight and invite anyone to assist with the work at the field. A scrimmage game is set for tomorrow between the Reynolds team and George Junior Republic, Grove City, and other plans to play home games at the practice field are under way, according to the coach.

It was announced during the meeting that club road emblems have been received and William King was appointed to erect them in designated places.

Paul Brown, scoutmaster of the Transfer Boy Scout troop, is asking for 24 more boys to sign up for a swimming instruction course to be given at Westminster College in New Wilmington. The required number for a class is 40, and so far only 16 have signed up. The instructions will be given starting this month, and will conclude next May. The sessions are held every Wednesday

2,022 Pupils Are Counted By Reynolds

Total enrollment in Reynolds Joint School District is 2,022, it was announced today by Carl F. Welch, supervising principal.

The number represents pupil registrations in the six schools operated by the jointure, comprised of West Salem, Pymatuning and Delaware Townships and the borough of Fredonia.

At the opening of its first term, the new Reynolds High School counted 839 pupils — 523 in junior high grades and 316 in senior high.

The Pymatuning Township building has the largest enrollment of the five elementary schools in the system with 451 pupils.

Fredonia - Delaware School at Fredonia, which previously had been a high school, began its first

year as an primary school with 349 youngsters enrolled.

West Salem Township School has 319 pupils and St. Paul Home School, attended by West Salem children, has 64 pupils.

Tackling Practice—A group of Reynolds High candidates go through a tackling practice. The ball carrier attempts to run the gauntlet while the players in the line attempt

to make the tackle. The new Reynolds school will be fielding a football team for the first time.

New Coach Faces Big Challenge At Reynolds

Coach Ralph Bouch of the new Reynolds High School said he faces a real challenge in the coming football season. The school will be fielding its first football team. Most of the 45 candidates out have had no experience in football.

Boys who have played a little ball in junior high are Bob Wall, Everett Drivere, Dave Hunt, Bob Biggart, Ron Hoovler and Lloyd Roberts.

One nice thing about this year's squad, Bouch pointed out is that none has quit. He had 45 out for first practice and still has 45 out. A few injuries have marred the daily sessions. First practices were held in shorts at Packard Field. Last week drills were shifted to the new practice field near the new high school.

"The kids are working hard and they have good spirit and morale," Bouch said. Drills are held from 9:30 to 11:30 a.m. and from 1:30 to 3:30 p.m. Most of the boys bring their own lunches.

Bouch has much praise for his candidates. They helped to mow the practice field and get it ready for the daily sessions. The administration has been very cooperative and the Reynolds Optimist club has been helpful.

A number of freshmen probably will be starting this season. Tom Harpst, who played basketball at Fredonia High School, may be the starting quarterback. Bouch attended Kittanning High School and Clarion State College. He comes to Reynolds from Fox Chapel High School, near Pittsburgh. He will be assisted by Don McCoy, Grove City and Westminster College athlete.

Most of the games this year will be played against Jayvee teams. Home games will be played at Packard Park, Greenville.

Experienced Gridders—This group of gridders will form the nucleus of the Reynolds High football team. Most of the boys had some experience in junior high ball. Front row, left to right, Everett Drivere, Bob Wall, Tom Harpst, head coach Ralph Bouch. Back row, Dave Hunt, Bob Biggart, Lloyd Roberts, Ron Hoovier, assistant coach Don McCoy.

Home Room Program for Reynolds Pupils Announced

Home room assignments for junior high pupils at Reynolds High School were announced today by Supervising Principal Carl F. Welch.

Because of the lengthy list of names involved in the assignments, The Record-Argus will publish them in three installments, beginning today with the seventh grade.

Pupils attending the school will come from the townships of West Salem, Pymatuning and Delaware and the borough of Fredonia.

Welch said school officials were able to interview individuals in the senior high classes and, therefore, were able at that time to inform them of their home room assignments.

The new school, with about 800 pupils enrolled, will open Sept. 7. Full class sessions will be held and the cafeteria will be in operation the opening day.

The \$2-million school, which still is under construction, will be available for use, with the exception of the auditorium wing, which includes the music room and library.

A meeting of the some 80 teachers

on the faculty will be held at 9:30 a.m. in the school cafeteria.

Home room assignments for members of the seventh grade and their teachers are as follows:

Theodore Femara, teacher
James Croskey, Robert Eich, Harvey Fleet, and Darrell Kaugher.

Marcia Deer, Theresa Friede, Dianna Love, and Debra Morgan.

Fred Munnell, and Gregory Terwilliger.

Gene Balunt, Coleman Lane, John Morris, James Small, Edgar Steffey, and Bruce Unangst.

Classrooms Set At Reynolds

Room assignments for the Reynolds Area Junior and Senior High Schools were announced today by school officials.

According to Carl Welch, supervising principal, seventh graders will go to rooms 22, 25, 27, 53, 54 and 56; eighth graders to rooms 21, 23, 26, 55 and 57, and ninth graders to rooms 29, 43, 45, 61 and 66.

Senior students are scheduled for rooms 19, 28 and 46; junior students for rooms 33, 35 and 37, and sophomores in rooms 24, 32, 34 and 36.

Welch said classes will begin Sept. 7, with a teacher's meeting scheduled for 9:30 a.m. Friday in the new high school.

The new \$2 million high school building will be opened in time for classes, Welch said. Transportation information will be announced at a later date, probably early next week.

The Reynolds Area Joint School District includes the Fredonia-Delaware Elementary School, formerly the high school; the Pymatuning Elementary School at

Transfer; West Salem Elementary School, Maysville; St. Paul's Home School, Greenville-Jamestown road; and the new high school, which is completed except for the auditorium wing containing the music room and library.

In Need of Replacement

No parent wants to have his children do this to get to and from school — dismount from a school bus and walk across a bridge simply because the bridge will not safely bear the combined weights of the bus and children.

And yet as the 1960-61 school year begins, hundreds of Pennsylvania children must do this—and perhaps thousands more should be doing it—because there are 4,400 bridges on the state highways system posted with weight restrictions. This represents about one bridge in five.

Thousands of other bridges not the responsibility of the state are said to be in similar condition.

Reynolds Joint School Board, at its September meeting Wednesday night, received several protests from parents of bus-transported pupils who are forced to walk across the New Hamburg bridge en route to and from school. The photograph accompanying this editorial, taken Thursday afternoon, shows the bridge-crossing process. In addition to the bus pictured at the opposite side of the bridge, at least three more buses were waiting their turn at this particular time to discharge their young passengers so they could walk across the bridge before re-boarding the bus on the opposite side.

As the photograph shows, this particular bridge has a gross weight limit of only three tons.

One of the parents who protested to the Reynolds board noted that the children walking across the bridge have little protection from falling into the Shenango

River below. A single railing on either side of the span provides the only protection.

Children being what they are, there's always the possibility that a slip or a push, especially in inclement weather, could send one or more of the youths into the stream.

Incidentally, the Record-Argus photographer noted a certain amount of good-natured jostling as the pupils made their way across the bridge. This sort of fun—or horseplay—might be all that is needed to set a potential accident into motion.

The Reynolds board was told by the parent of one pupil that “if you don't fight the Highway Department, you won't get anything done.”

The Pennsylvania Highway Information Association points out that only vigorous public support for a large scale highway construction program will eliminate this problem of unsafe bridges and thereby forestall possible tragedy.

The Department of Highways has estimated that to eliminate half the number of posted bridges will require \$150,000,000 over the next 12 years, and that more should be spent to reduce the number of hazardous bridges further.

In its bridge replacement program this year the department will eliminate some 200 perilous structures. Last year, 118 were replaced.

The seriousness of the problem is evident in the fact that today one of every three pupils is carried to and from school by bus.

School Will Open Sept. 7 At Reynolds

Sept. 7 will be the opening day of school for pupils in the Reynolds Area Joint School District, it was announced today.

The jointure includes schools in the townships of West Salem, Pymatuning and Delaware and the borough of Fredonia.

The opening day of school will be preceded Sept. 6 by a county institute for teachers in Mercer.

The remainder of the district's calendar for the 1960-61 school year is as follows:

Oct. 6 and 7, teacher institute at New Castle; Thanksgiving vacation, Nov. 24 and 25; no school Dec. 5, first day of hunting season; Dec. 22 to Jan. 2, inclusive Christmas vacation; March 31 to April 3, inclusive, Easter vacation; no school May 30, Memorial Day; and June 7, last day of school.

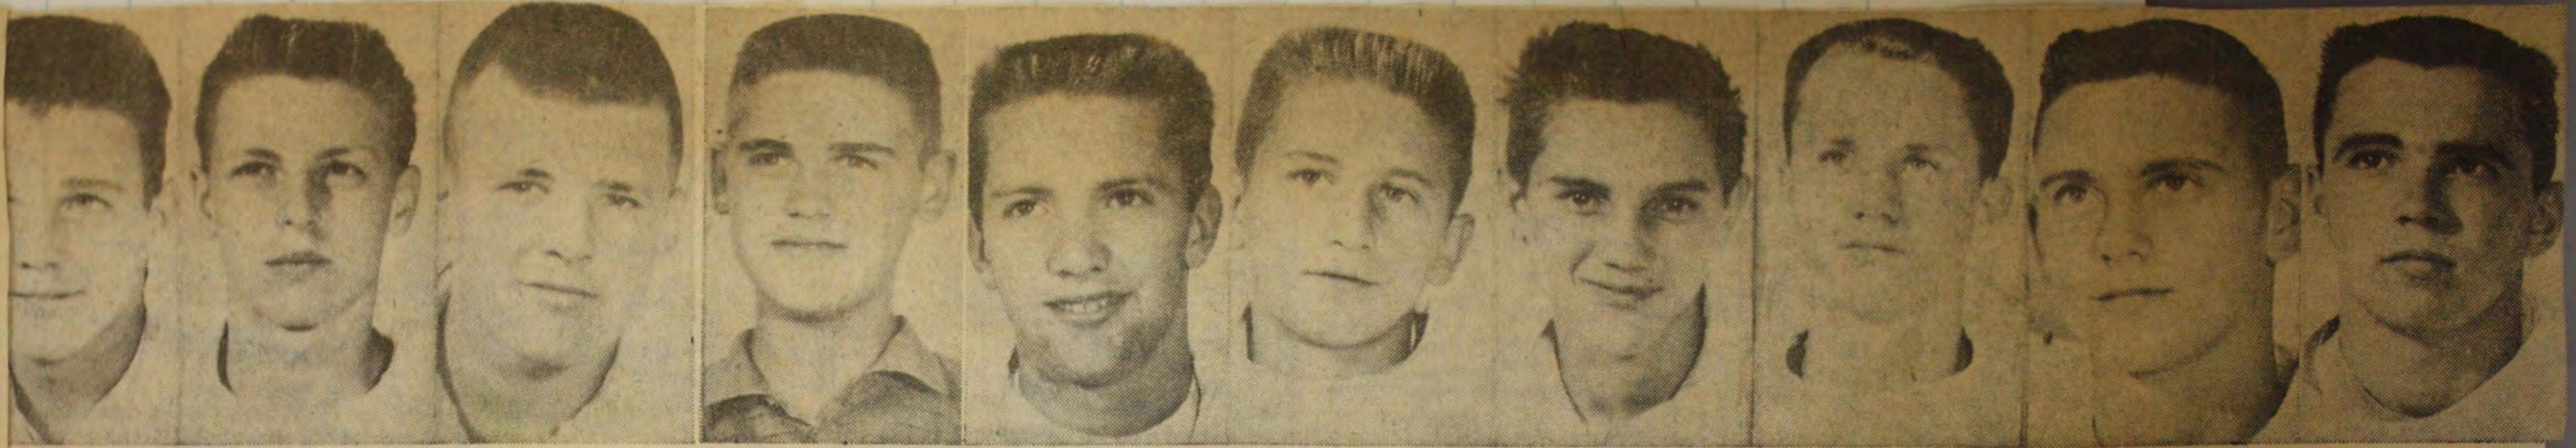

The calendar affects all elementary school schedules of the jointure and also the new Reynolds Junior-Senior High School, which opens next month.

Advertising Critics Are Given Reply

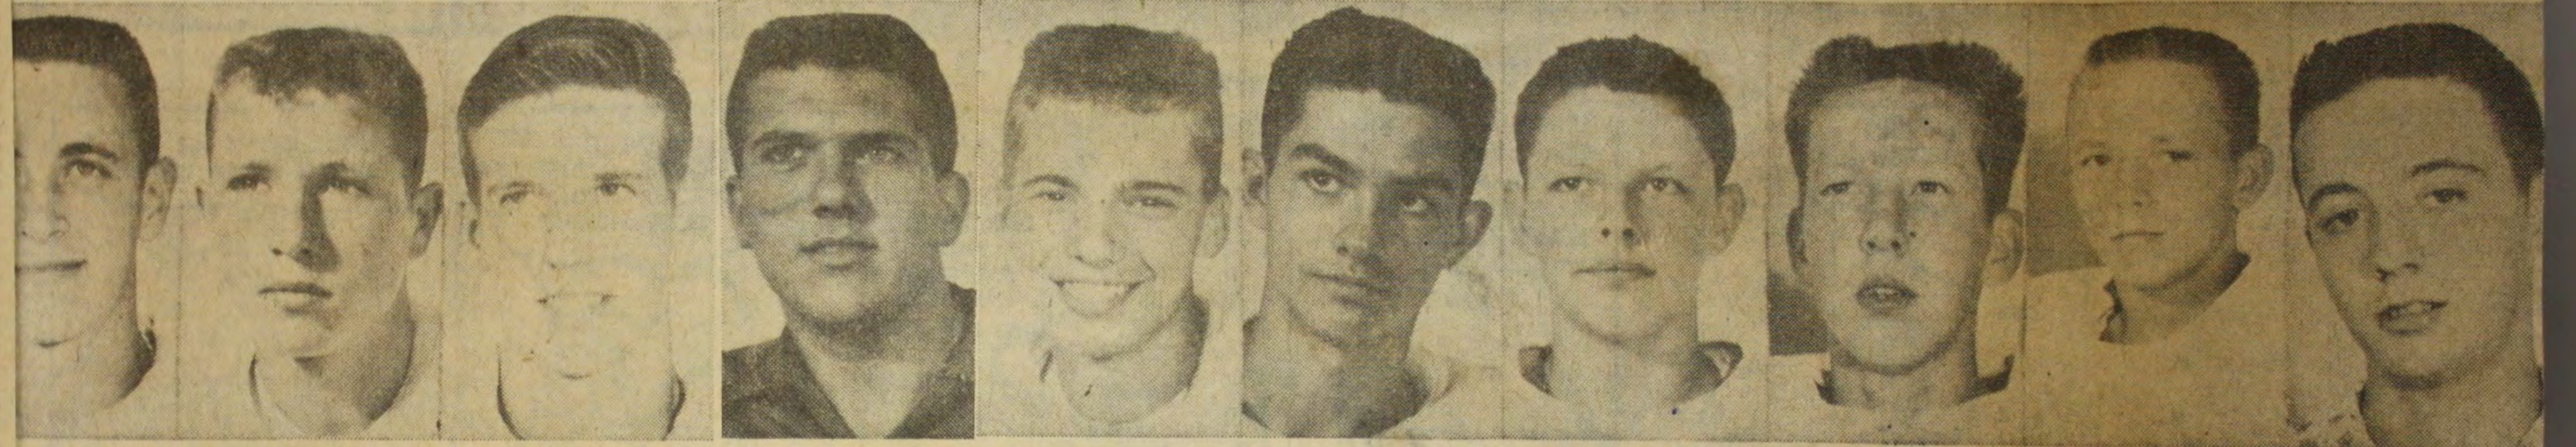

NEW YORK. . . Howard Morgens, president of The Procter & Gamble Company, has answered critics of advertising who charge that it diverts the nation's resources from "public sector" needs and those who question its competitive function.

"It is essentially a backward philosophy," he asserted, "to argue that private endeavor must be curbed so that the government can 'allocate' more of the resources of the nation in the way it thinks is best for the people."

Speaking at the dinner session of the eighth annual marketing conference of the National Industrial Conference Board, Mr. Morgens pointed out that the country's success in meeting "public sec-

Reynolds Board Plans To Make Bridge Safer

School children who have to walk across the Shenango River Bridge at New Hamburg en route to the Reynolds Area Joint Consolidated School will take the short jaunt under much safer conditions if the school board gets its way.

The board said last night it will request the state Department of Highways to erect a snow fence along the railing of the bridge to prevent school children from falling over or through the railing.

The action followed a complaint from Raymond Boyd, R. D. 1, Transfer, who told the board he feared one of the students may fall through the railing while hiking across this winter.

"I'd like to know what's going to happen," he said, "because I have a young boy who's going to walk across the bridge in snow and ice, too, and I don't want anything to happen. It's too late after someone gets hurt."

A letter was also read to board members from another parent concerning the dangerous condition of the bridge.

Gustav Wall, board president, informed Boyd that school officials have very little say in highway matters.

"There's little we can do about it as a school board," he said, "and as far as we know, the state has started a campaign to eliminate these hazards. When they remedy this situation is something we can't say."

The board then decided to request the erection of the snow-fence, which, it said, would offer additional safety measures.

The bridge problem arose when the consolidation of Reynolds area schools forced approximately 330 students from Fredonia and eastern Delaware Township to cross the span to get to the school.

The bridge has a three-ton load limit, causing students to leave their buses when they reach the bridge. The empty buses then cross safely.

State Highway officials said they are making every effort to open Legislative Route 43120 to traffic, which will eliminate the need to cross the Shenango River Bridge.

In other action, the board
—Voted to install drainage facilities in the new athletic field located behind the junior-senior high school. The drainage system will cost approximately \$1200, and will drain water from

the football and baseball fields and running track.

—Heard a school progress report from Carl F. Welch, supervising principal. Welch told the board the gymnasium and music room will be operational in the near future, office furniture is arriving daily and he was satisfied with the operation of the new school during the first week of classes.

—Announced that Wall will attend the school directors convention Oct. 13, 14 and 15 in Philadelphia.

—Voted unanimously to send a letter to the state Public School Building Authority informing it of the "excellent work" its inspector Vincent Moore has been doing on the construction of the school.

Reynolds School To Hold Mock Conclave, Vote

Problems of democracy classes at Reynolds High School will conduct a straw vote for presidential candidates among the student body Friday.

The election will follow a mock convention in a schoolwide auditorium program, with pupil representatives speaking in behalf of candidates Richard Nixon and John Kennedy.

Adding to a campaign flavor of the occasion, the school will be decorated with political banners and the band will play at the convention.

Among other special programs at the school this week will be a talk at 1 p. m. in the auditorium by William E. Skadden, a speaker provided by the Economic and Business Foundation of New Wilmington.

Officers elected were: President, Robert Bilby; vice president, Eleanor Maciejewski; secretary, Julie Hunt; treasurer and reporter, Nancy Eakin.

St. Michael's, Reynolds Meet In Neighborhood Grid Scrap

A couple of neighborhood rivals hook up tomorrow afternoon at Packard Park when St. Michael's and Reynolds high schools face each other for the first time on the gridiron.

Neither team has won thus far this year. Reynolds has dropped two to varsity teams from Mercer and Randolph while St. Michael's has been on the short end four times.

Both showed improvements their last time out. Reynolds, after taking a 55-0 shellacking at Mercer, found the going a bit easier

at Randolph and came back a one-touchdown loser, 27-19. Defensive weaknesses deprived the Raiders of a victory. Coach Ralph Bouch hopes to iron out some of the problems this week.

St. Michael's, although losing its fourth in a row to North East St. Gregory's last Sunday, found reason for renewed hope when the Irish scored twice. It was the first time they had crossed the enemy goal this year. They went down to a 25-12 defeat.

The Irish opened the season losing to Conneaut Valley by a 38-0 score and then came home to lose to Wilmington 30-0. Evidence that the club was on the way back showed up in the following contest, a 37-0 loss to powerful Bradford St. Bernard's.

There is a possibility of some changes in the St. Michael's lineup tomorrow depending on the sick and injured list. Reynolds may also make some changes from last week's starting array should injuries heal before game time, which is 2 p.m.

Brookfield and Hickory will tangle in another Saturday afternoon game at Hickory. The host Hornets will go after their third win in four games while the visiting Warriors seek their fourth win in five starts.

Hickory opened with a 12-6 verdict over Franklin and then lost a 13-7 nod to Greenville. After taking a week off the Hornets came up with a 35-0 romp over pre-

viously undefeated Moniteau.

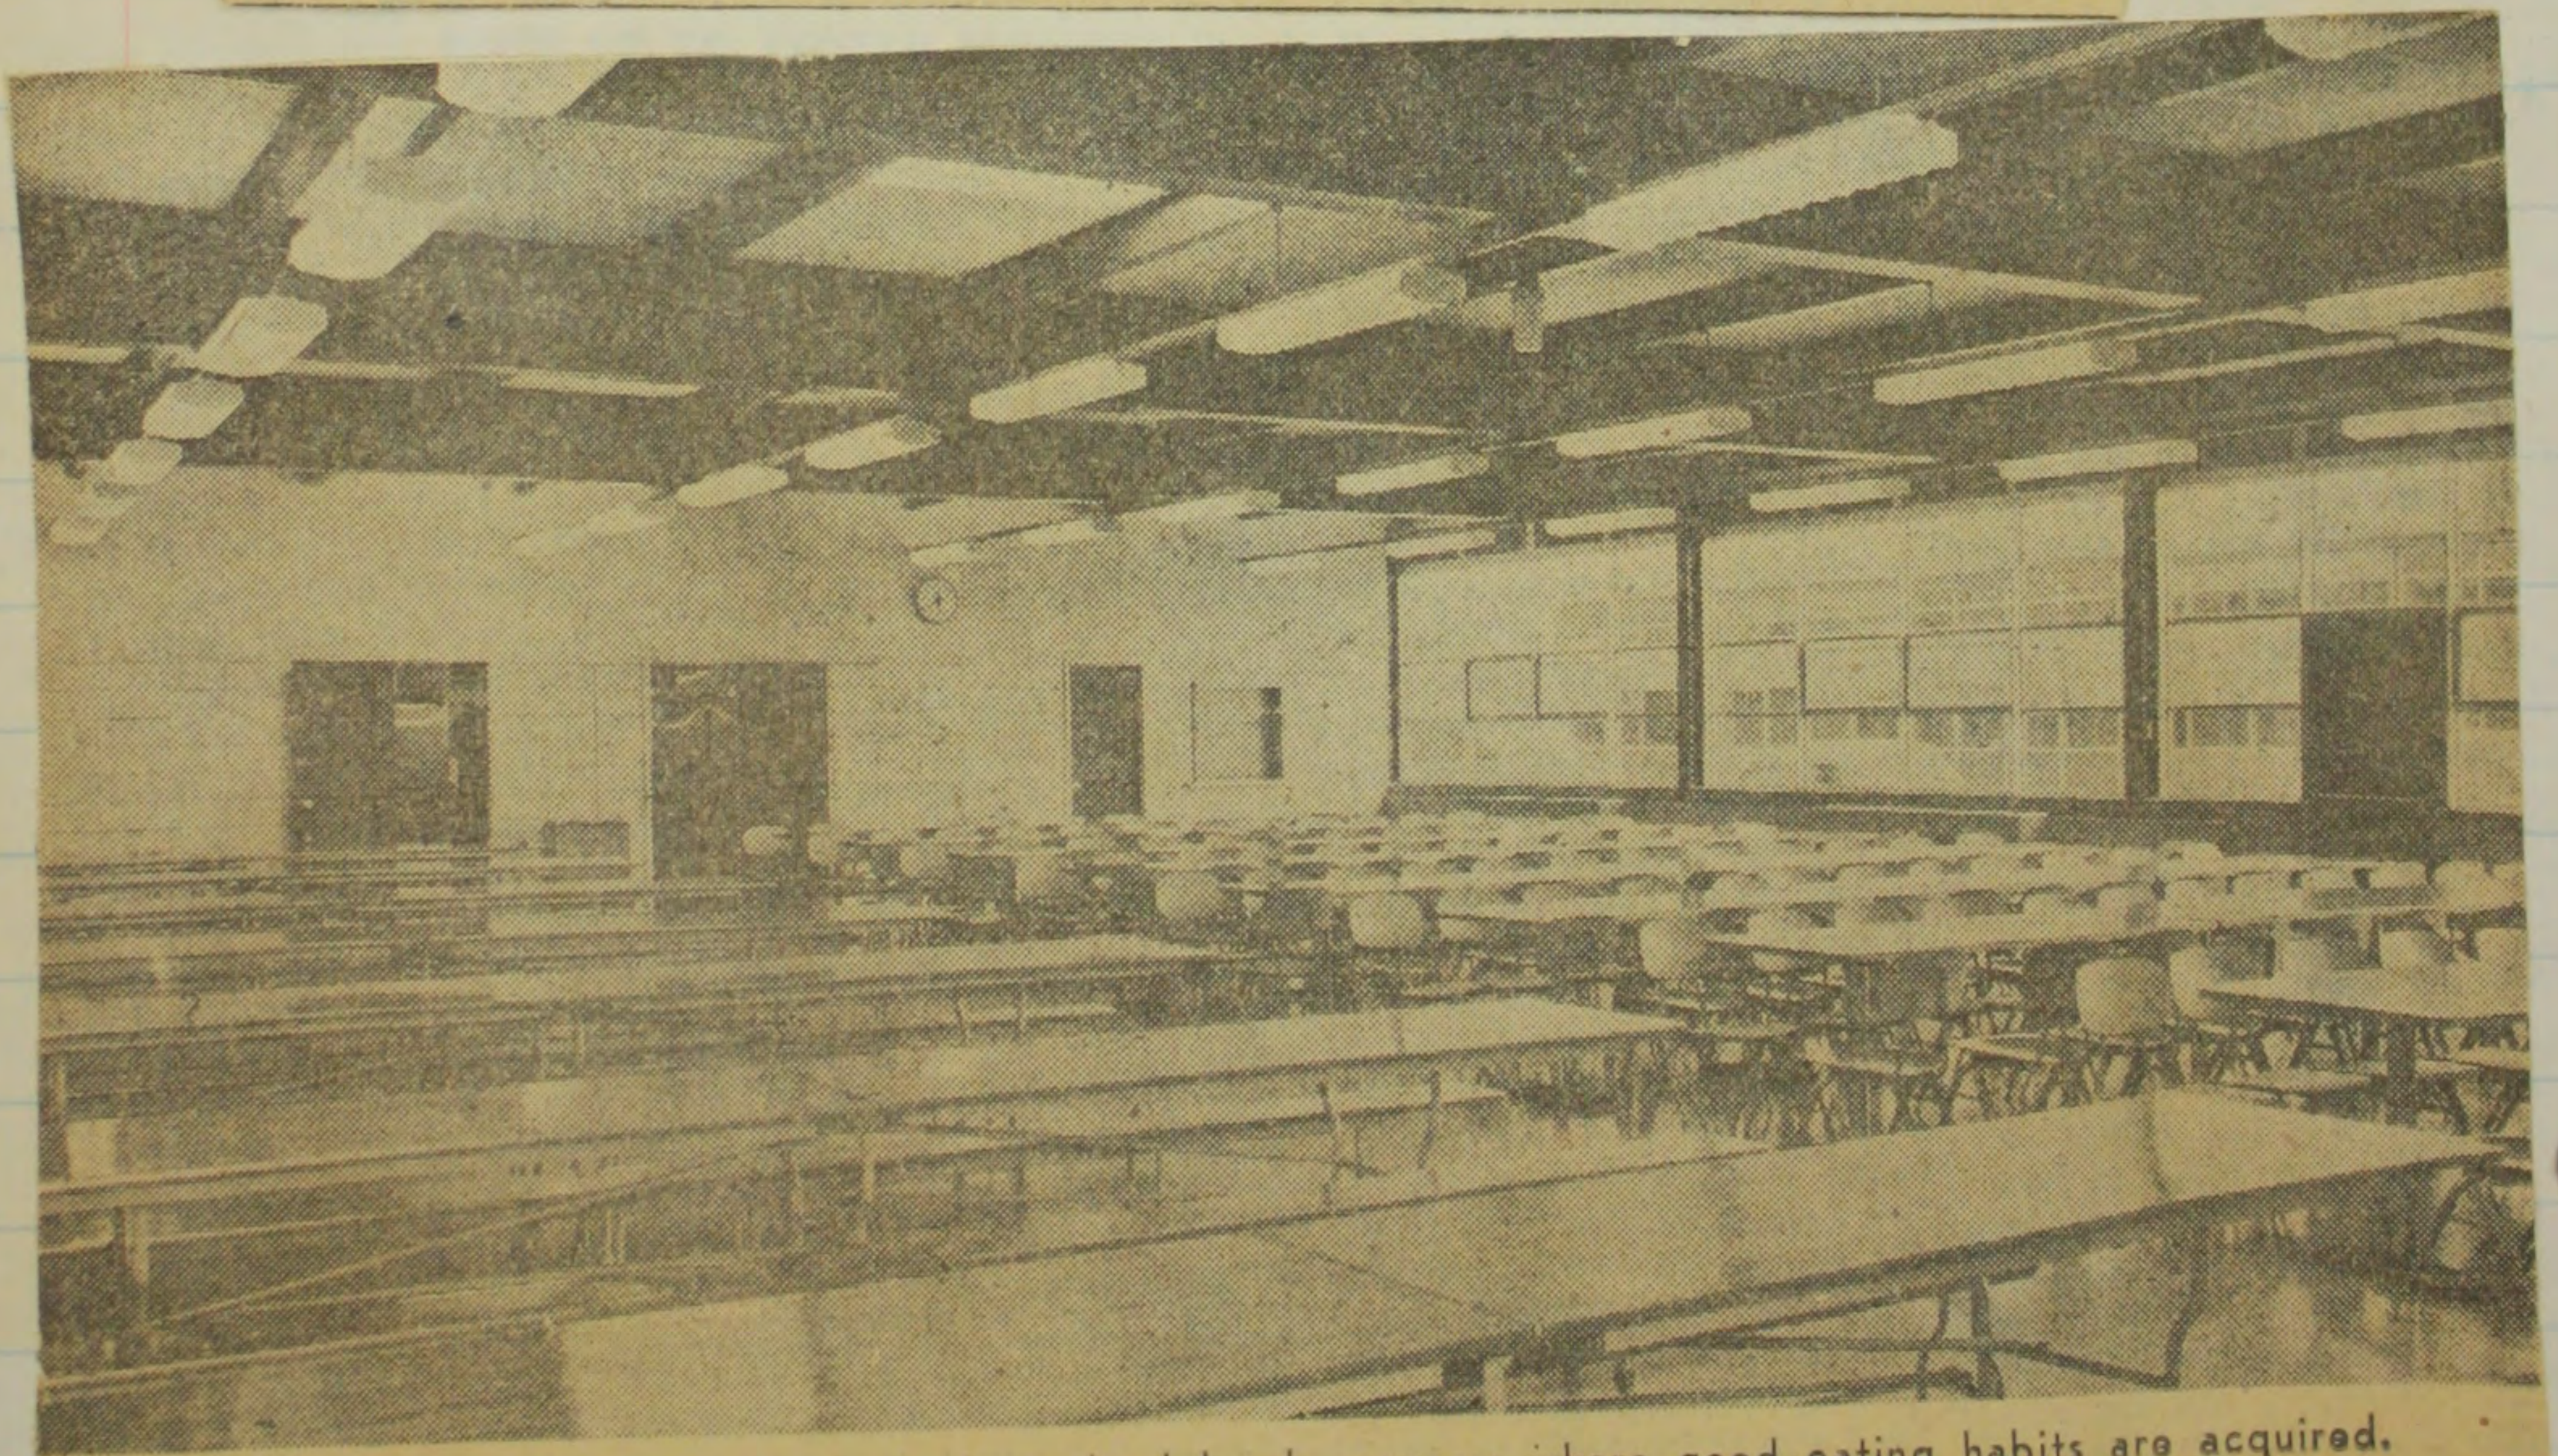

Brookfield marched through its first three games undefeated, taking Struthers 24-6, Sharpville 20-0 and Warren St. Mary's 6-0. But Akron St. Mary's up-ended the Warriors who gave up their first

points of the year in a 24-14. The only other Saturday game, which will be an arclight affair, finds Sharpville at home for the third straight week with Hubbard as the opposition. The host Blue Devils will be after their second

win of the season after posting their first last week, a 19-7 job over Monaca. Prior to that the Blue Devils had not scored in losing to Sharon 27-0, Brookfield 20-0 and Greenville 19-0.

Mustangs Manhandle Reynolds Club, 55-0

Mercer battered Reynolds neophytes last night on the Mercer gridiron, 55-0 in what was the losing Raiders' first varsity test.

The winning Mustangs were stymied through the first period until the final play of the quarter when Lew MacTaggart set the stage for what was to come with a 71-yard sweep. Wayne King fired a pass to Dick Jackal for the conversion and the rout was on.

Two plays in the second period made the difference in the score at the half. King broke through the center on a quarterback sneak, cut to the sideline and went 54 yards for a touchdown, added the extra point on a run and the Mustangs were in front 14-0. MacTaggart swept the end again later in the period for a 33-yard touchdown sprint, King added the conversion on a run and Mercer carried a 21-0 lead into the second half.

Mark Lusch got into the act on the fifth play of the third quarter when he got around the terminal for a 70-yard gallop. King passed to Dick Jackal for a 10-yard scoring strike, added a pair of extra points overland and it stood 35-0 after three.

King came back with another touchdown early in the fourth. This time he picked off a Reynolds pass and went 35 yards into the end zone. The conversion was missed. Ed Peter's got the next score on a 48-yard run after intercepting a pass to give the Mustangs possession. The conversion made it 48-0. Later in the fourth, Milo Shaffer barreled over from the five, ran the extra point in and that was the ball game.

Reynolds never threatened seriously, although the Raiders made a couple penetrations through the air lanes. Early in the third with the board showing 28-0, Tom Harpst hit Bob Biggart with a pass on the Mercer 30 but Biggart fumbled and Mercer's King recovered. Later in the same period Harpst and Biggart teamed up again to put the ball on the Mercer 30.

However, a Mercer interception killed that drive. The last series of downs carried the Raiders to the Mustang 30 where they ran out of time.

Mercer's experience was the telling factor in the game. The losing Raiders, many of whom

are getting their first taste of football, failed to react quickly enough allowing the Mustangs to gallop off on the long touchdown jaunts. Aside from King's quarterback sneak, Mercer did not eat up an appreciable amount of yardage through the line.

It was the first victory for Mercer after a pair of losses. Reynolds had defeated the Sharpville junior varsity previously.

The lineups:

Reynolds: ends—Eastlick, Hunt; tackles—Moffett, Ealy; guards—Roberts, Murcko; center—Blake; backs—Drivere, Harpst, Hoover, Wall, Biggart.

Mercer: ends—Krofcheck, Jackal; tackles—Heckathorn, Priestler; guards—Kester, Schodlatz; center—Urey; backs—King, Lusch, MacTaggart, Zigo, Peters, Shaffer.

Mercer Thumps Reynolds 55-0 For 1st Win

Mercer High School scored its first victory of the season last night when it smashed the first-year Reynolds Area High School Raiders, 55-0, before 2500 fans at Mercer.

The Mustangs were too much for the novice Raider team, playing its first varsity contest since it was formed this year. The Raiders had played junior varsity teams during the past two weeks.

All Mercer touchdowns were scored on runs from 15 to 70 yards. Lou MacTaggart swept end and sped down the sideline for 70 yards and the game's first touchdown early in the first quarter.

In the second quarter Wayne King ripped up the middle of the Reynolds line, sidestepped several players and was en route to a 55-yard TD.

MacTaggart, a few minutes later, again swept end, this time running 54 yards for the score and giving the Mustangs a 21-0 lead at halftime.

Second string halfback Mark Lusch took a handoff, ripped around end and ran 70 yards for the fourth Mustang score. Mercer went to the air for the fifth TD with Jess Jackal running 15 yards after garnering the pass.

In the 20-point fourth quarter King intercepted a Raider pass and dashed 40 yards for the sixth touchdown. This was followed a short time later by a 19-yard run by Ed Peters. Milo Shaffer ended the travesty with a 15-yard run.

Randolph High Claims 27-19 Victory Over Reynolds High

Randolph High School posted second win of the season against a pair of losses with a 27-19 victory over Reynolds Saturday afternoon at Guys Mills.

Randolph scored in every period with seven points in each of the first three and six in the fourth. Reynolds tallied in the first, second and fourth.

Reynolds drew first blood on the contest capitalizing on a Randolph fumble on the kickoff. A Reynolds player knocked the ball out of bounds to give the Raiders possession on the Randolph 33. Four plays later Ralph Boger swept around the end for 20 yards and the score. Bob Wall booted the conversion for a 7-0 Reynolds head.

Randolph came back late in the first quarter to knot the count at 7-7. Larry Abbott capped a sustained march with a 10-yard touchdown jaunt and then ran the conversion in.

The next time Randolph had the ball, it started a march that covered 50 yards and was climaxed early in the second period with a seven-yard sneak by quarterback Butch Schmitt. Abbott ran the extra point across to put Randolph out in front 14-7. Reynolds hung up its second score of the game with about two minutes to go in the half when Tom Harpst hit Dave Hunt with a 50-yard scoring strike. The conversion was not good leaving the Raiders down 14-13 at the half. Abbott clicked off a 52-yard

touchdown run in the third for Randolph and Fred Neff bulled over on the conversion to make it 21-13. In the fourth Abbott came up with his third touchdown of the day, a one-yard smash that capped an 80-yard drive. The score came on fourth and one ending a series that had started on the four. In the late minutes of the fourth Boger got his second of the afternoon for Reynolds on a seven-yard sweep to cap a drive of 57 yards that consumed seven plays. Harpst and Hunt teamed for a 22-yard pass and Boger ripped off 28 on a run to highlight the march.

The lineups:

Reynolds: ends — Hunt, Little; tackles — Hoovler, Ealy; guards — Moffett, Murcko; center — Blake; backs — Harpst, Driveer, Boger, Biggart, Wall.

Randolph: ends — Smith, CRAgo; tackles — Hoover, Hickernell; guards — Wentworth, Kiser; center — Wright; backs — Abbott, Schmitt, Neff, Johnston.

Over 1,500 At Reynolds Open House

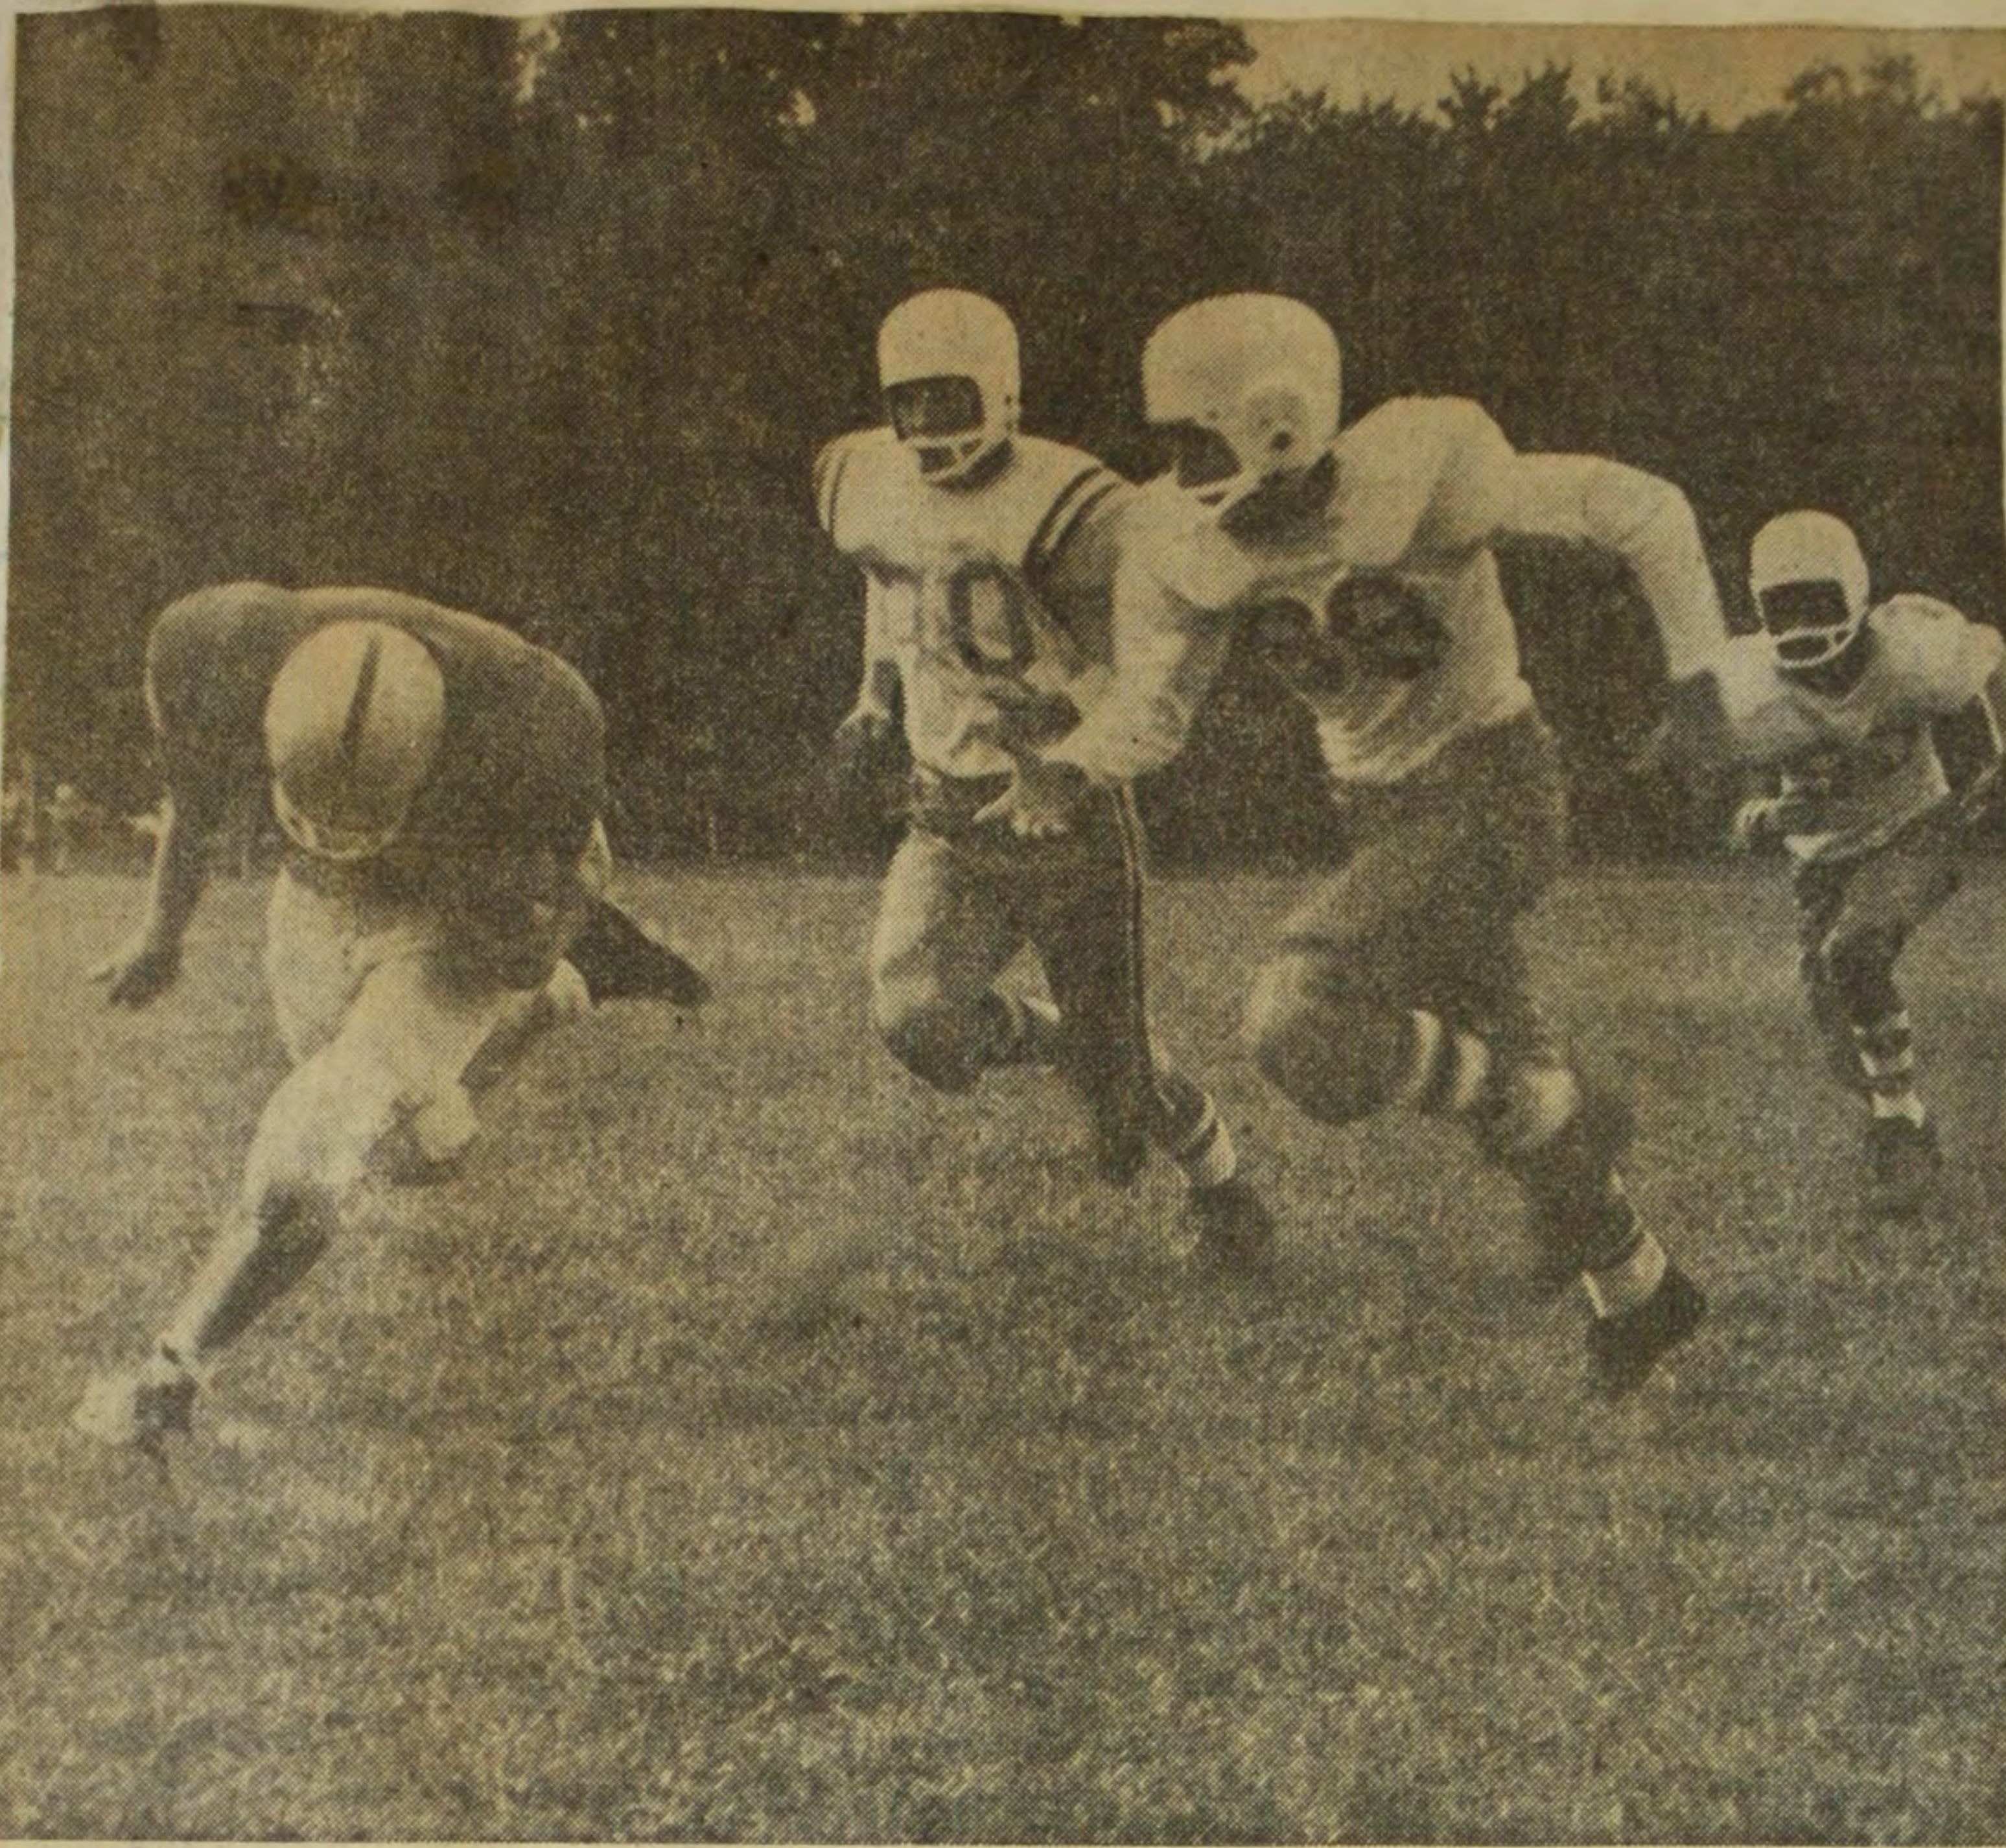

An estimated more than 1,500 persons visited Reynolds High School last night during the first public showing of the new \$2-million building.

The total far exceeded expectations, according to Supervising Principal Carl F. Welch. The open house program was held in conjunction with the observance of American Education Week.

Nearly 1,000 of the visitors also attended two brief music programs performed by the school's mixed chorus in the auditorium during the evening.

Faculty members and pupils were stationed in various positions throughout the building to guide visitors and explain features of the sprawling structure.

The school enrollment includes about 850 pupils in grades seven through 12 from the townships of West Salem, Pymatuning and Delaware and the borough of Fredonia.

ONE OF THREE—Everett Drivere, who scored three times for Reynolds Saturday in the 39-7 romp over St. Michael's, is shown as he stumbled into the end zone after catching a scoring pass from Tom Harpst. The play covered 16 yards. St. Michael's defenders arriving too late are Tom Perrotti (88), Bob Driscoll (70) and Dave Kalchthler (98). (Record-Argus photo)

Reynolds Is 14-7 Victor

Reynolds High School scored its third win of the year yesterday, its second over junior varsity opposition, beating Hickory 14-7 at Packard Park.

Reynolds came back in the second period to tie by marching 91 yards. Ralph Boger ripped off a 30-yard gainer and Tom Harpst passed 12 yards to Ray Eastlick for the big plays in the drive. Everett Drivere finally went over from the one and Bob Wall booted the extra point to square it at 7-7.

Drivere pulled it out in the final period for the Raiders when he scampered 46 yards after the Raiders had held Hickory on its own 46. Wall converted again, and it was Reynolds' ball game, 14-7. 200-75 on the ground but the losers ate up 90 yards through the air to Reynolds' 75. The Raider line stymied Hickory on running plays forcing the losers to go to the air 21 times.

Reynolds will complete its season next Monday afternoon against the Greenville Junior Varsity.

FIRST TIME OUT FOR REYNOLDS BAND—The newly formed Reynolds High School band gave its first public performance Saturday at Packard Park when Reynolds met St. Michael's on the football field. The band is under the direction of Thomas W. Jeffries, instrumental music instructor. Band uniforms consist of white shirts, blue Western style ties and gray slacks. (Record-Argus photo)

Reynolds Runs Over Irish To Nail Easy 39-7 Victory

Reynolds Raiders ran over, around and through an inept St. Michael's football team Saturday to run up a 39-7 victory at Packard Park. The Irish fell behind in the first minute of play and never got even thereafter.

It was the fifth straight loss for St. Michael's which has yet to win while Reynolds picked up its first varsity win against two defeats.

Early Lightening

The Raiders kicked off twice at the start of the game and scored both times. On the opening kickoff St. Michael's fumbled and Lloyd Roberts fell on the ball for Reynolds on the Irish 21. Tom Harpst threw for the touchdown on the first play but missed his target. Ralph Boger took the ball around right end on the second for the score but a penalty called it back. Boger came right back on the third try and made it in from the 26 on another sweep.

Reynolds kicked off again and this time the Irish did not attempt to field the ball. Everett Driver got possession on the Irish 33 and the Raiders were in business again. Six plays put the ball on the six but a big penalty moved it back to the 24. Harpst chewed it up in one play as he passed to Ray Eastlick for the score. Bob Wall converted for a 13-0 lead.

And Once More

Reynolds got possession again late in the period when the losers punted into the Raider end zone. A penalty against St. Michael's and three running plays gained a first down on the 30. Driver then bolted through the Irish line and was off on a 70-yard touchdown gallop.

Leading 19-0, the Raiders boosted it to 25-0 early in the second. Driver carried a St. Michael's punt back to the Irish 27. He carried to the 16 on the first play and Harpst fired a strike to him on the second for the score.

Ron Hoovler got into the act midway in the second with a 54-yard scamper from scrimmage after which Wall converted to make it 32-0. The half ended that way.

60-Yard March

Reynolds received the kickoff to start the second half and promptly moved for its final touchdown. The 60-yard march consumed eight plays with Driver lugging it in from the 33. Wall added the point and the Raiders were through.

St. Michael's nailed its only score in the fourth period on a 51-yard drive that began late in the third quarter. Dave Kalchthler was the big gun in the march with gains of 8, 4, 11 and 5 before smashing in from the four-yard line. Rod Hamilton kicked the extra point leaving the final score, 39-7.

The lineups:

Reynolds: ends— Hunt, Eastlick; tackles — Moffett, Ealy; guards — Roberts, Murcko; center — Blake; backs — Harpst, Driver, Boger, Hoovler, Wall.

St. Michael's: ends — Matovic, Valentine; tackles — Calior, Fry; guards — O'Donnell, Gaus; center — Dalfonzo; backs — Driscoll, Welton, Hayes, Uhrin.

Reynolds Ends First Season With 4-2 Mark

The new Reynolds Area High School completed its first season under coach Ralph Bouch by winning 4 games and losing 2. Half of the scheduled games were played against Jayvee teams.

Only losses went to Mercer and Randolph. The Cougars scored 110 points in their 6 games to 109 for their opponents. Everett Driver was the leading scorer of the team with 43 points.

Bouch has only 2 seniors on the squad. They are halfbacks Bob Biggart and Bob Wall. With most of the other players freshmen, sophomores or juniors, Bouch is expecting a fine nucleus for next year's team. Among the returners are juniors Tom Harpst, Jack Baldrige, Ron Hoovler, John Moffett, Larry Kuhn, Dick Krueger, Gary Ealy, Larry Jones, Ray Eastlick and Lawrence Loutzenhiser, sophomores Art Miller, Dave Hunt, Ed Adams, Mike Murcko, Ray Moyer, Don Foy, Craig Steffey, Lloyd Roberts, Bob Miller, Dave Shontz, Bob Dunkerly, Driver, Ralph Boger and Chuck Olinger, and freshmen Ken Scott, Bill Blake, Lenny Moore, Bob Leventry, Dave Shaffer, Duane Mowry, Gus Reimold, Dick Fedorczyk and Dan Little.

Teachers Introduced To Reynolds Hi PTA

Introduction of the new teaching staff at the Reynolds Area High School was made by Principal Raymond Bost at the monthly meeting of the school PTA.

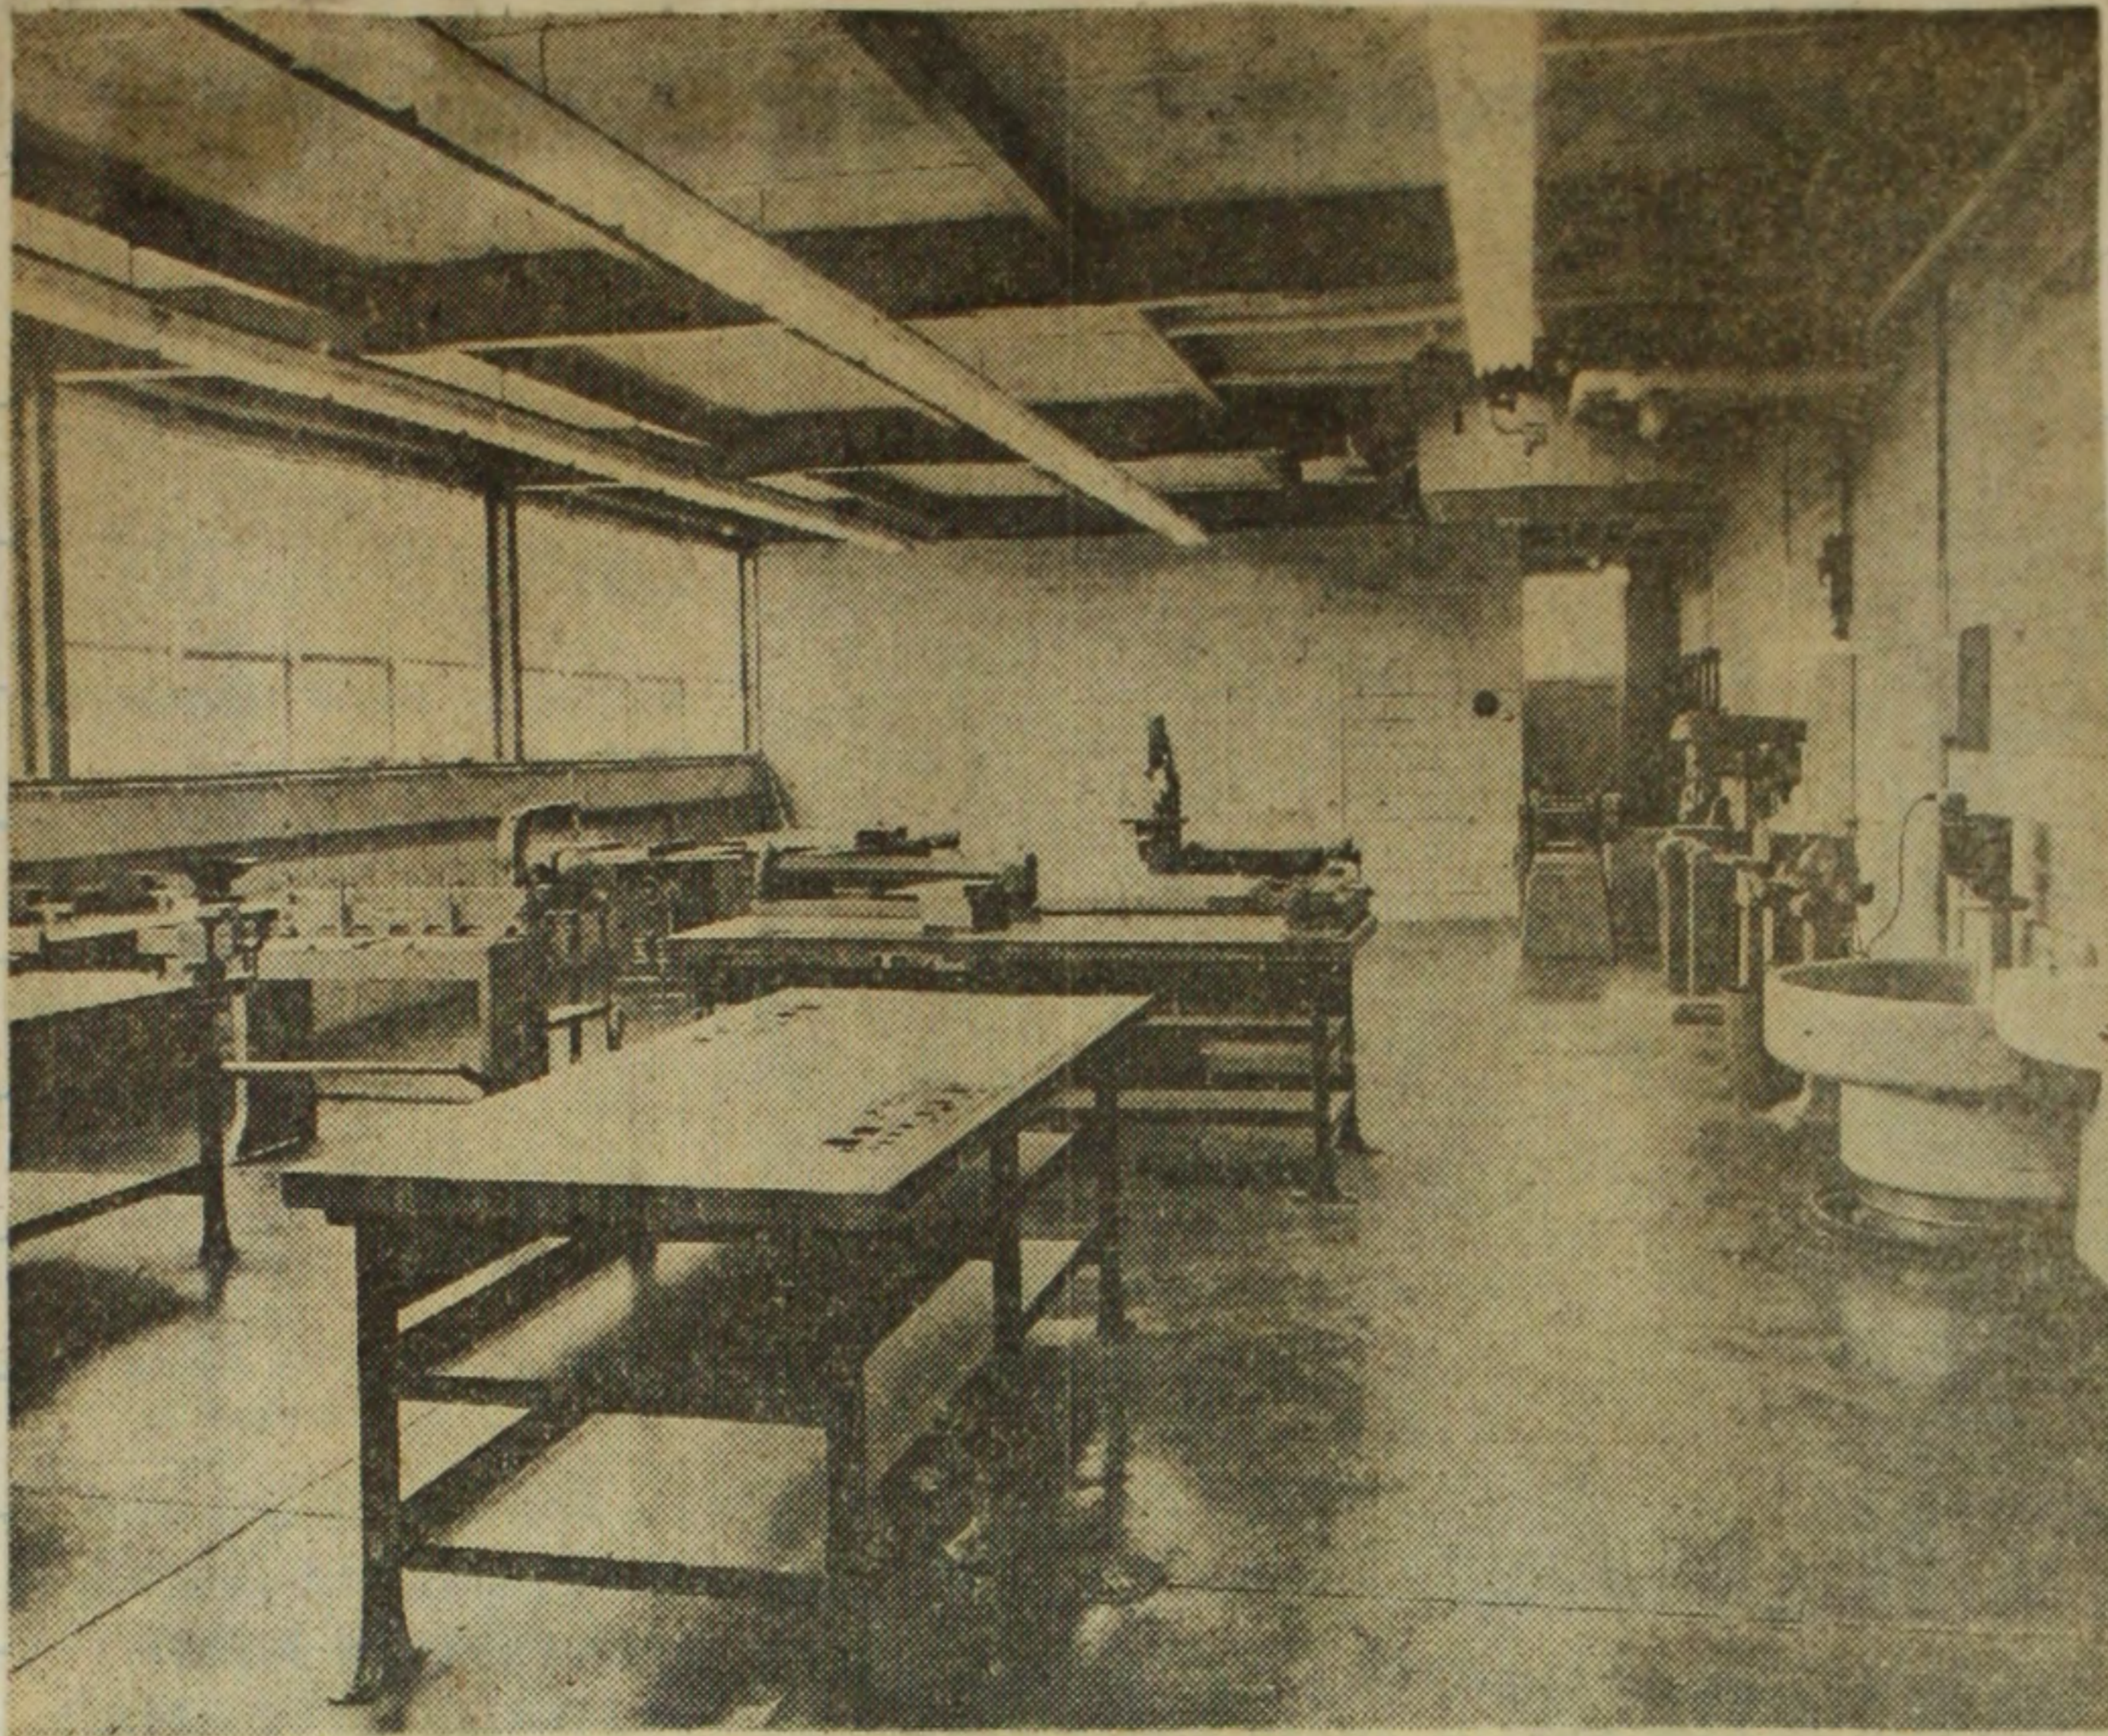

Over 200 were in attendance at the meeting conducted by President Harold Kaufman. Devotions were led by Mrs. Anna Beckstein, and the flag salute was followed by the singing of "America" by Dennis Mong, accompanied by Bonnie Mitchell, both high school students.

Introduced by President Kaufman were the following officers: Vice president, Mrs. Donald Newbold; secretary, Mrs. Levi Taylor, Jr.; treasurer, Mrs. William Mrs. James Morris; membership, Mrs. Robert Morris; ways and means, Glenn Moyer; hospitality, Mrs. T. D. Stewart; publicity, Mrs. Ellis Walls; historian and parliamentarian, Mrs. Bernice McDougall; publications, Mrs. Clair Boyd; safety, Mrs. David Love; advisor, Mr. Bost.

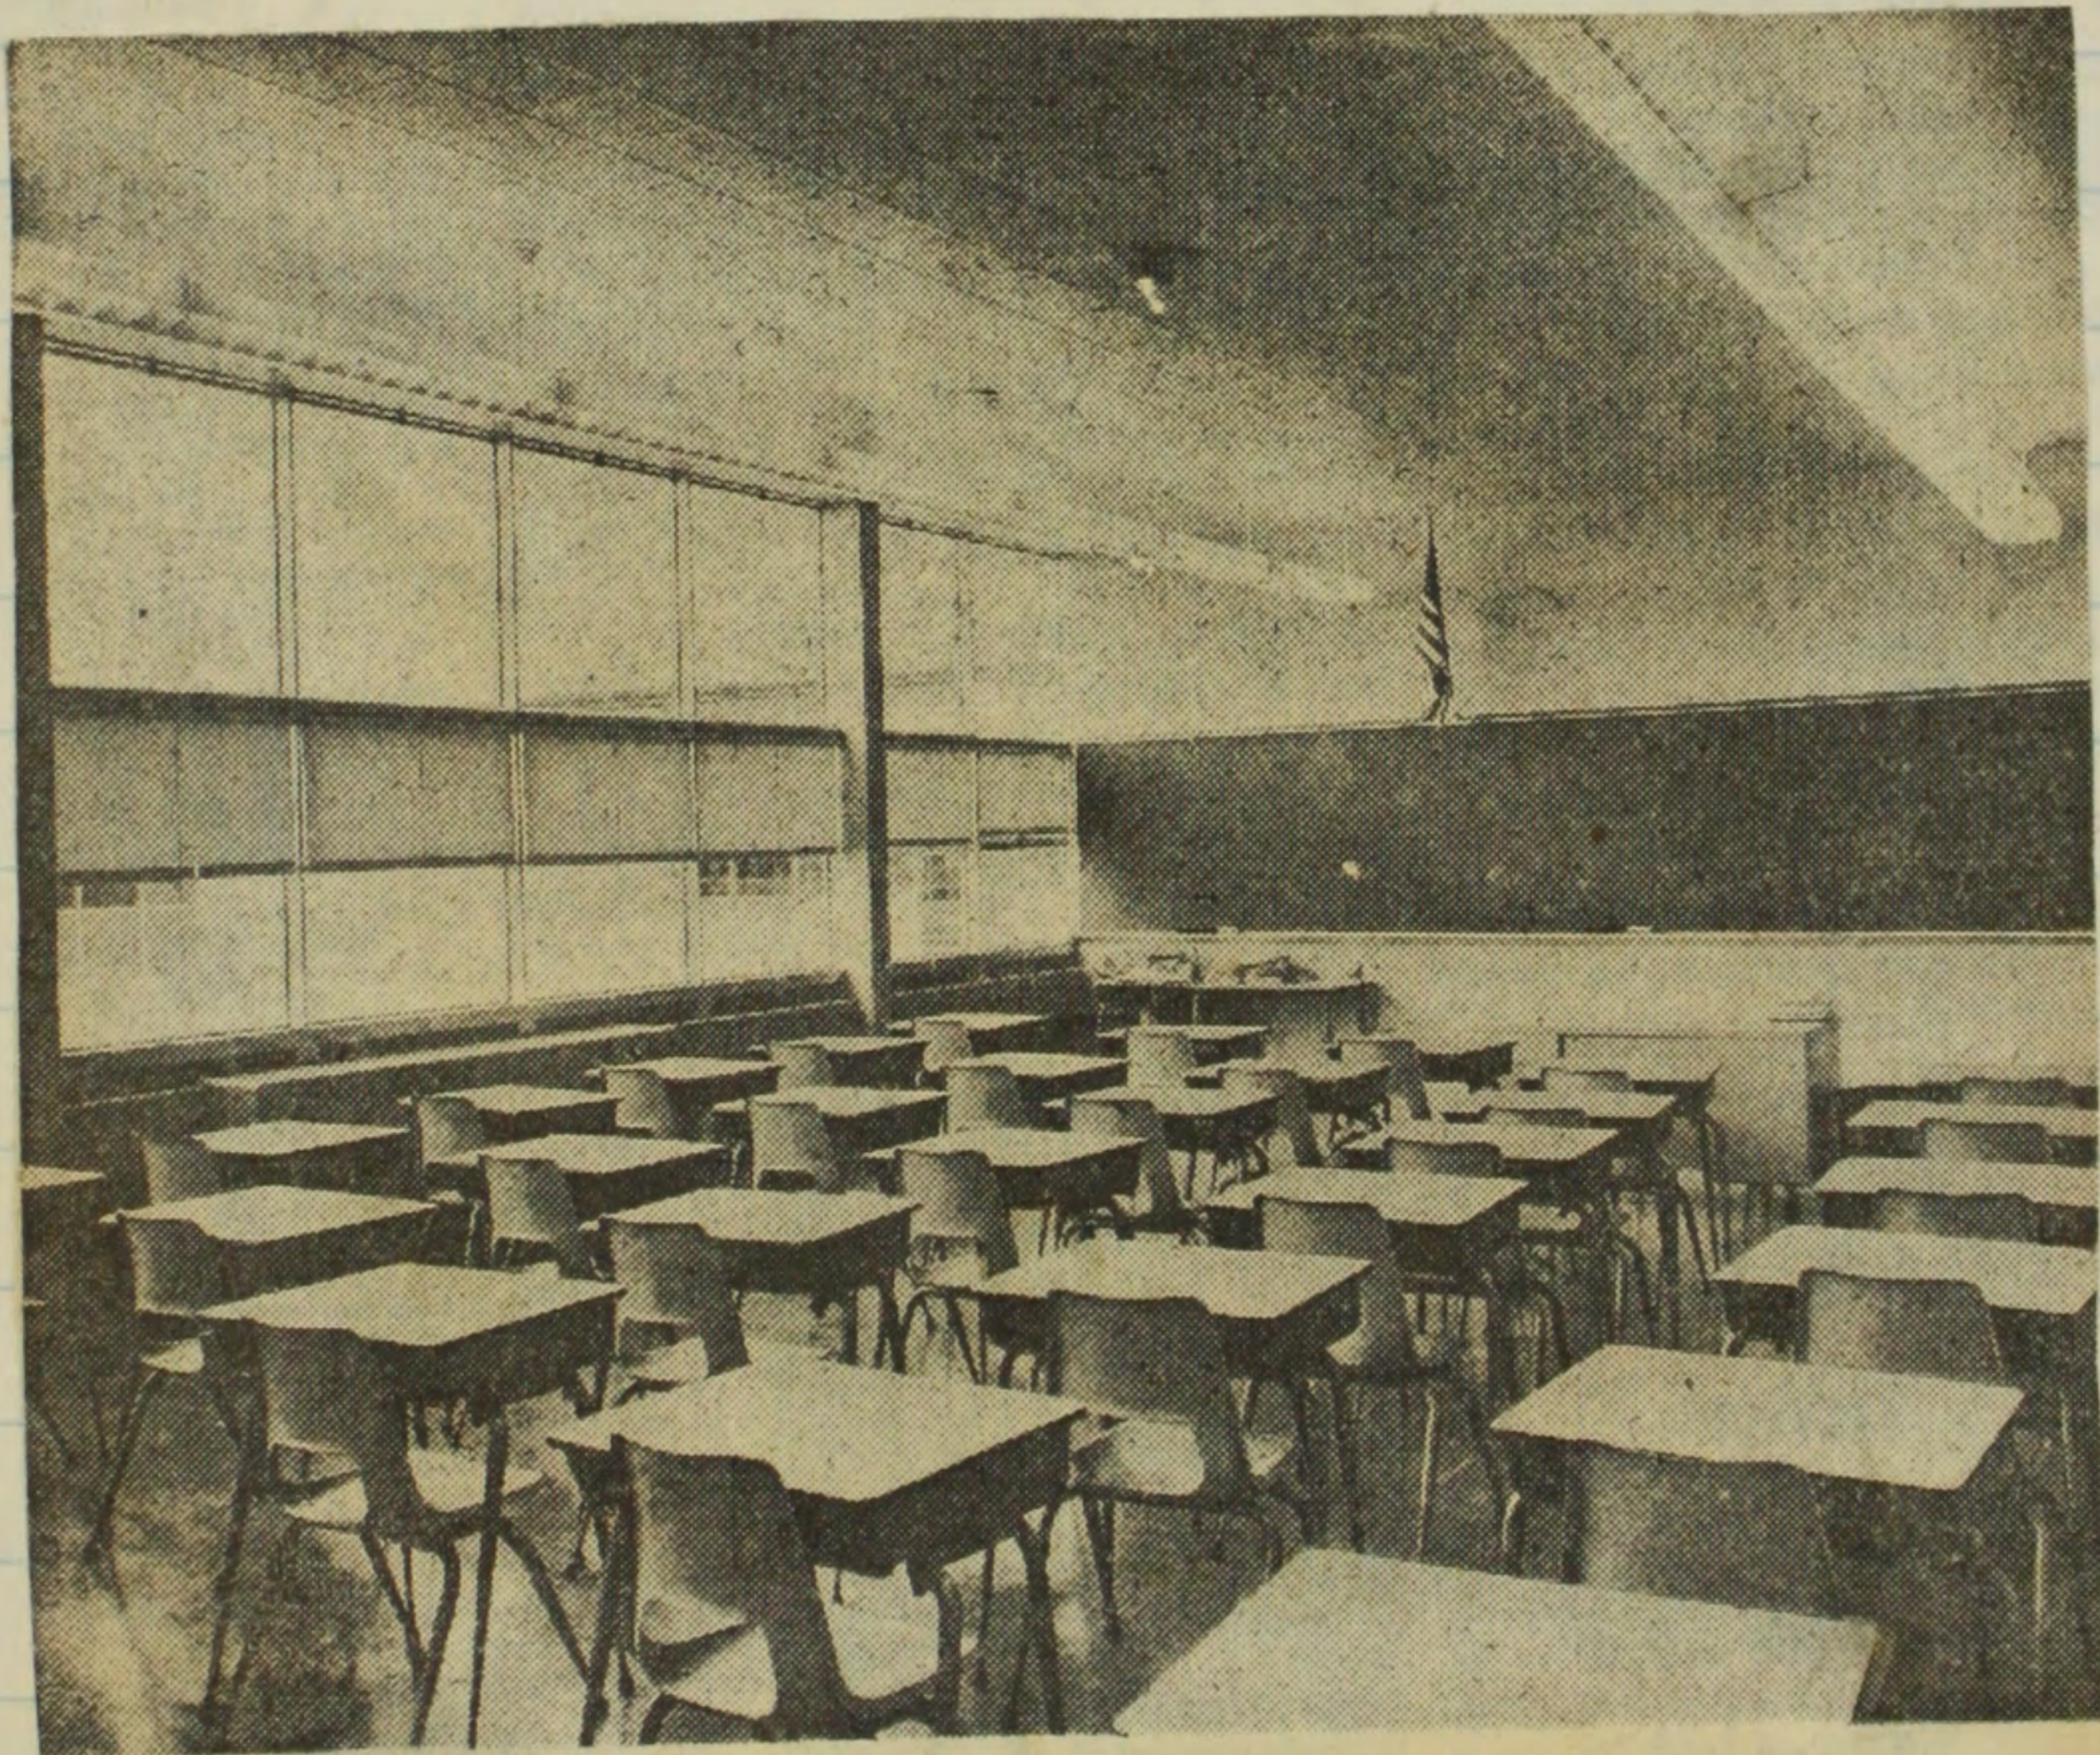

Mr. Moyer announced plans for an auction, the time and place to be announced.

Refreshments were served during the social hour.

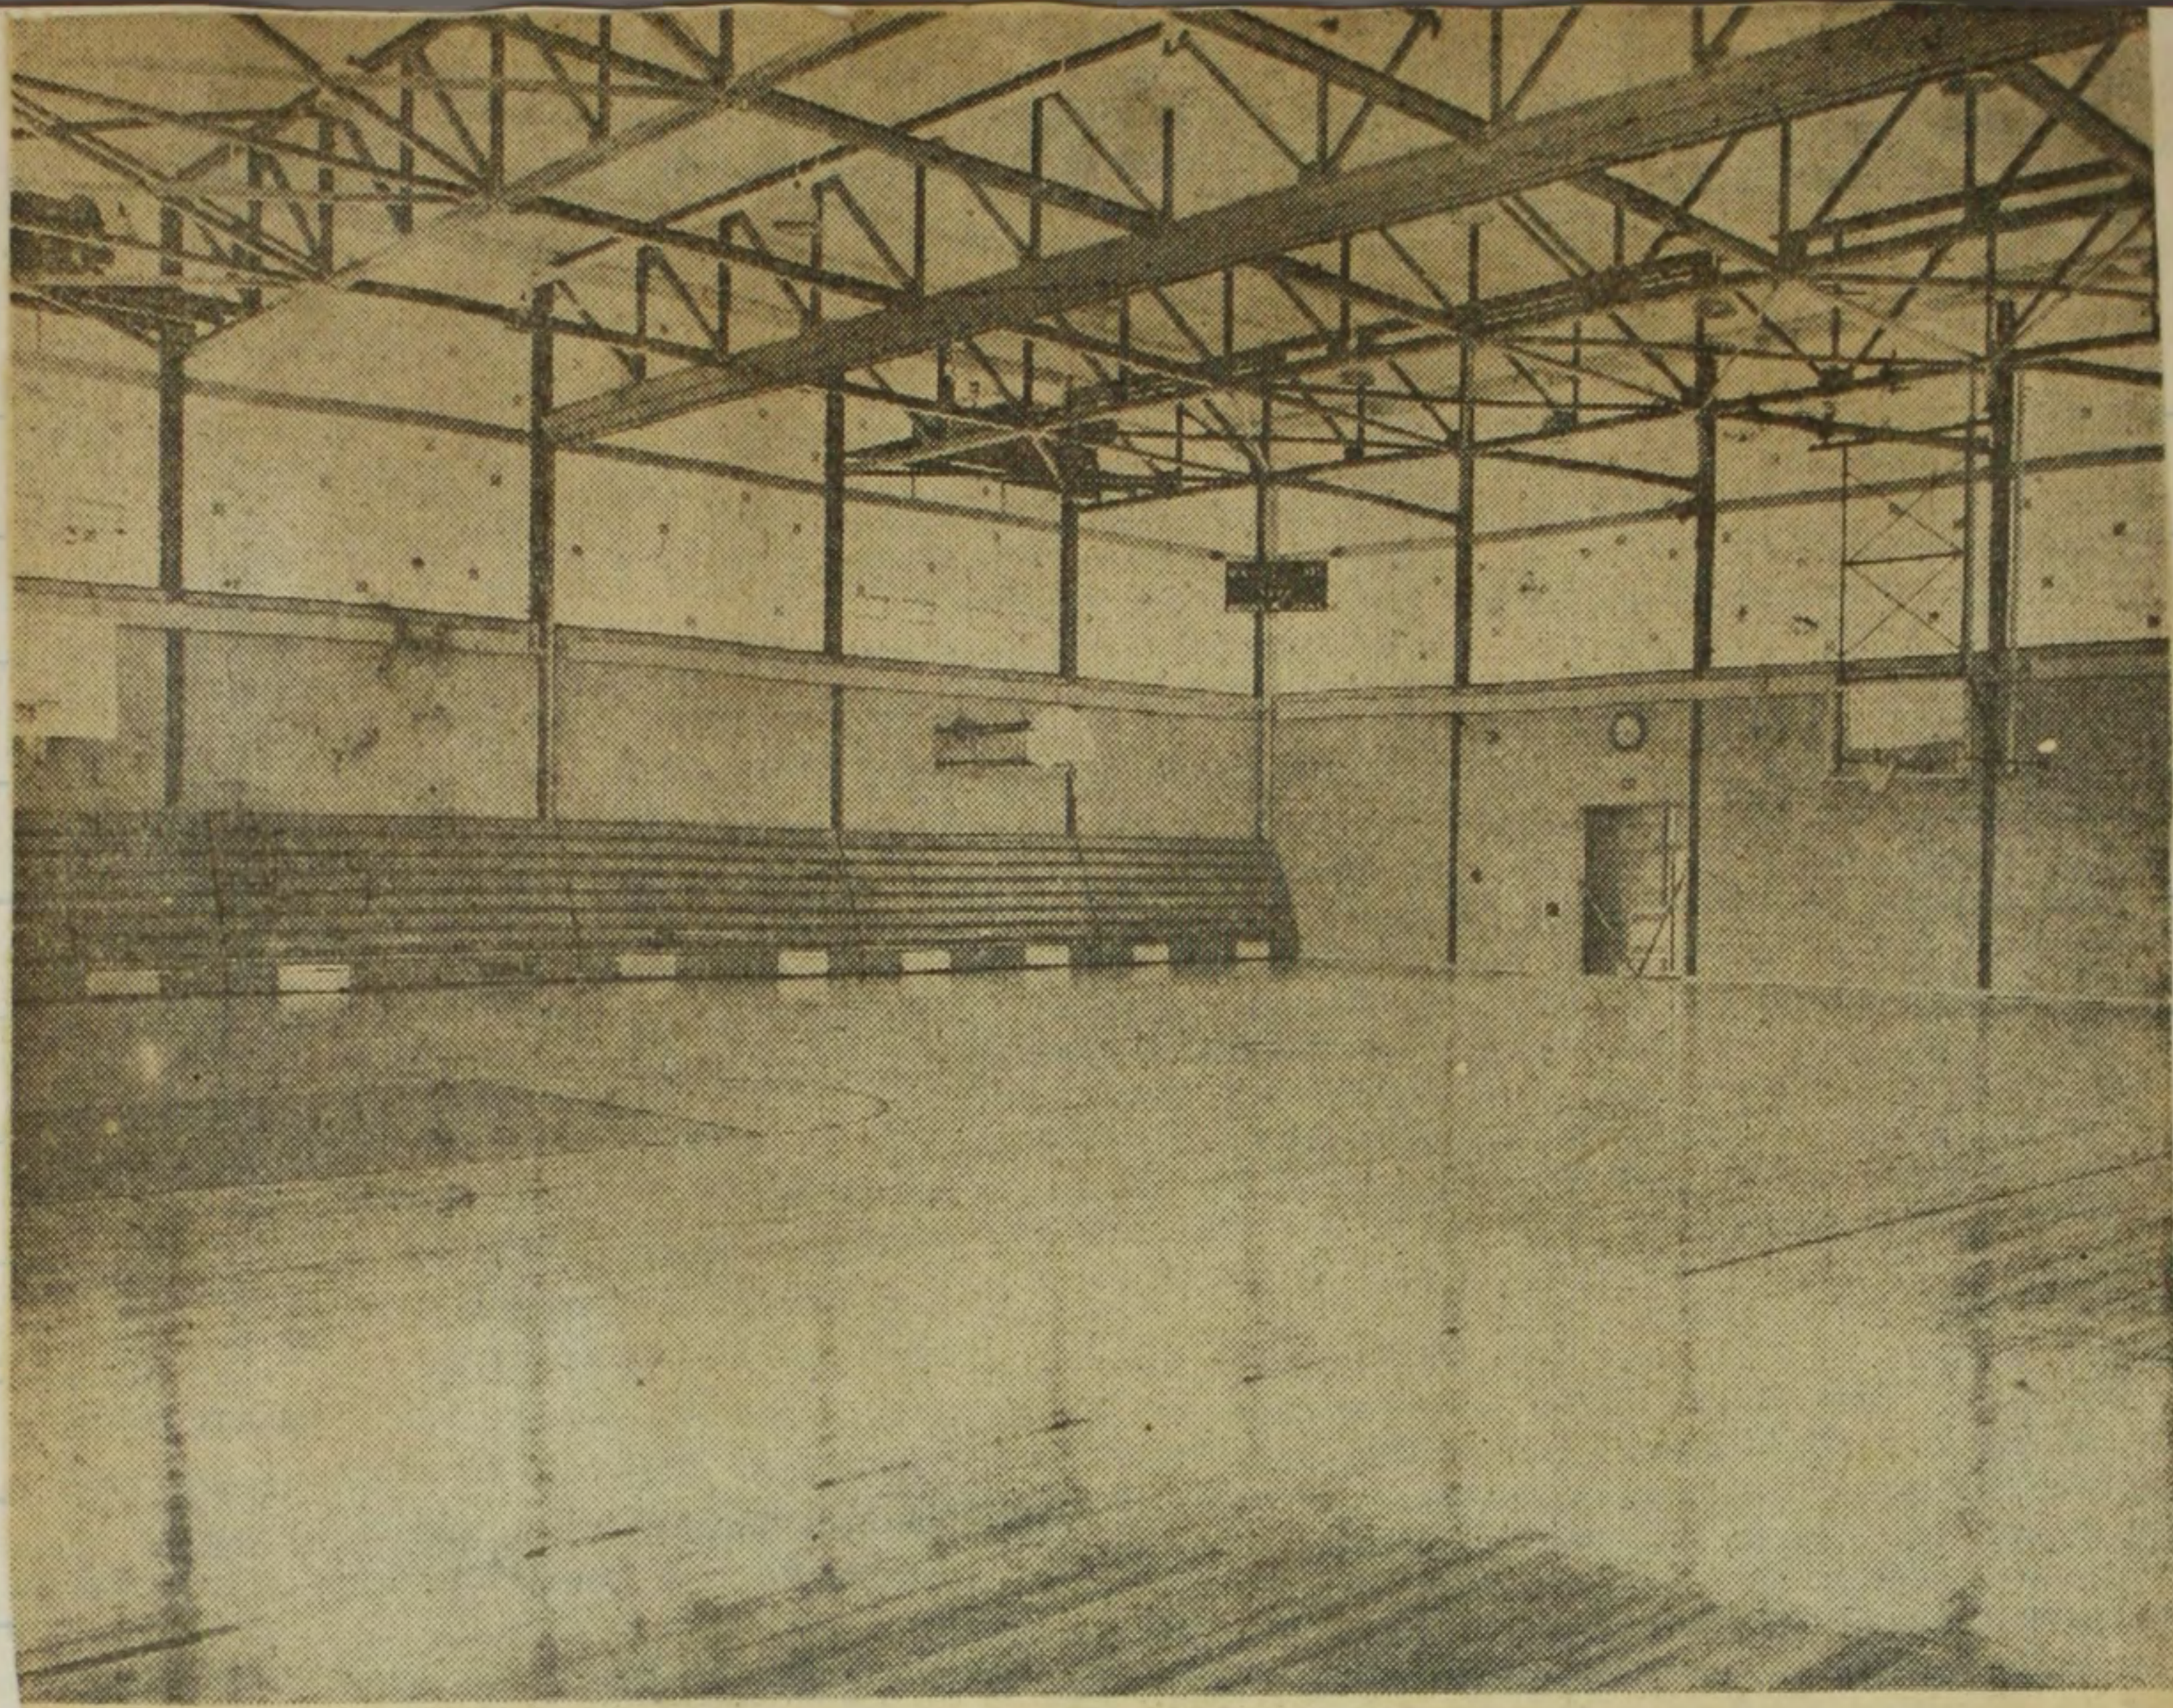

The next meeting is to be held Nov. 16, the program to be "Touring the New School". Parents and teachers are invited to join with the group.

Modern equipment was used throughout industrial arts shop.

Soft colors, good lighting, acoustic ceilings mark classrooms.

Gymnasium wing includes 87 by 75-foot gym, shower rooms, athletic offices.

Long, well-lighted corridor is traffic lifeline for students.

Building Is County's Biggest 'Bargain'

When Reynolds Area Joint School District's new \$2 million Junior-Senior High School building opened Sept. 7 the event marked the climax of 13 years of continuous effort to modernize the county's public school system.

Last of the county's six major joint districts to be completely modernized, the jointure also comprises four additional elementary school structures—Pymatuning Township, West Salem Township, Fredonia-Delaware and St. Paul's, near Greenville.

Comprising some 100,000 square feet of classroom, gymnasium and auditorium space, the structure is situated on a high rise of ground at the intersection of Reynolds Road and B Street near the center of the former Camp Reynolds.

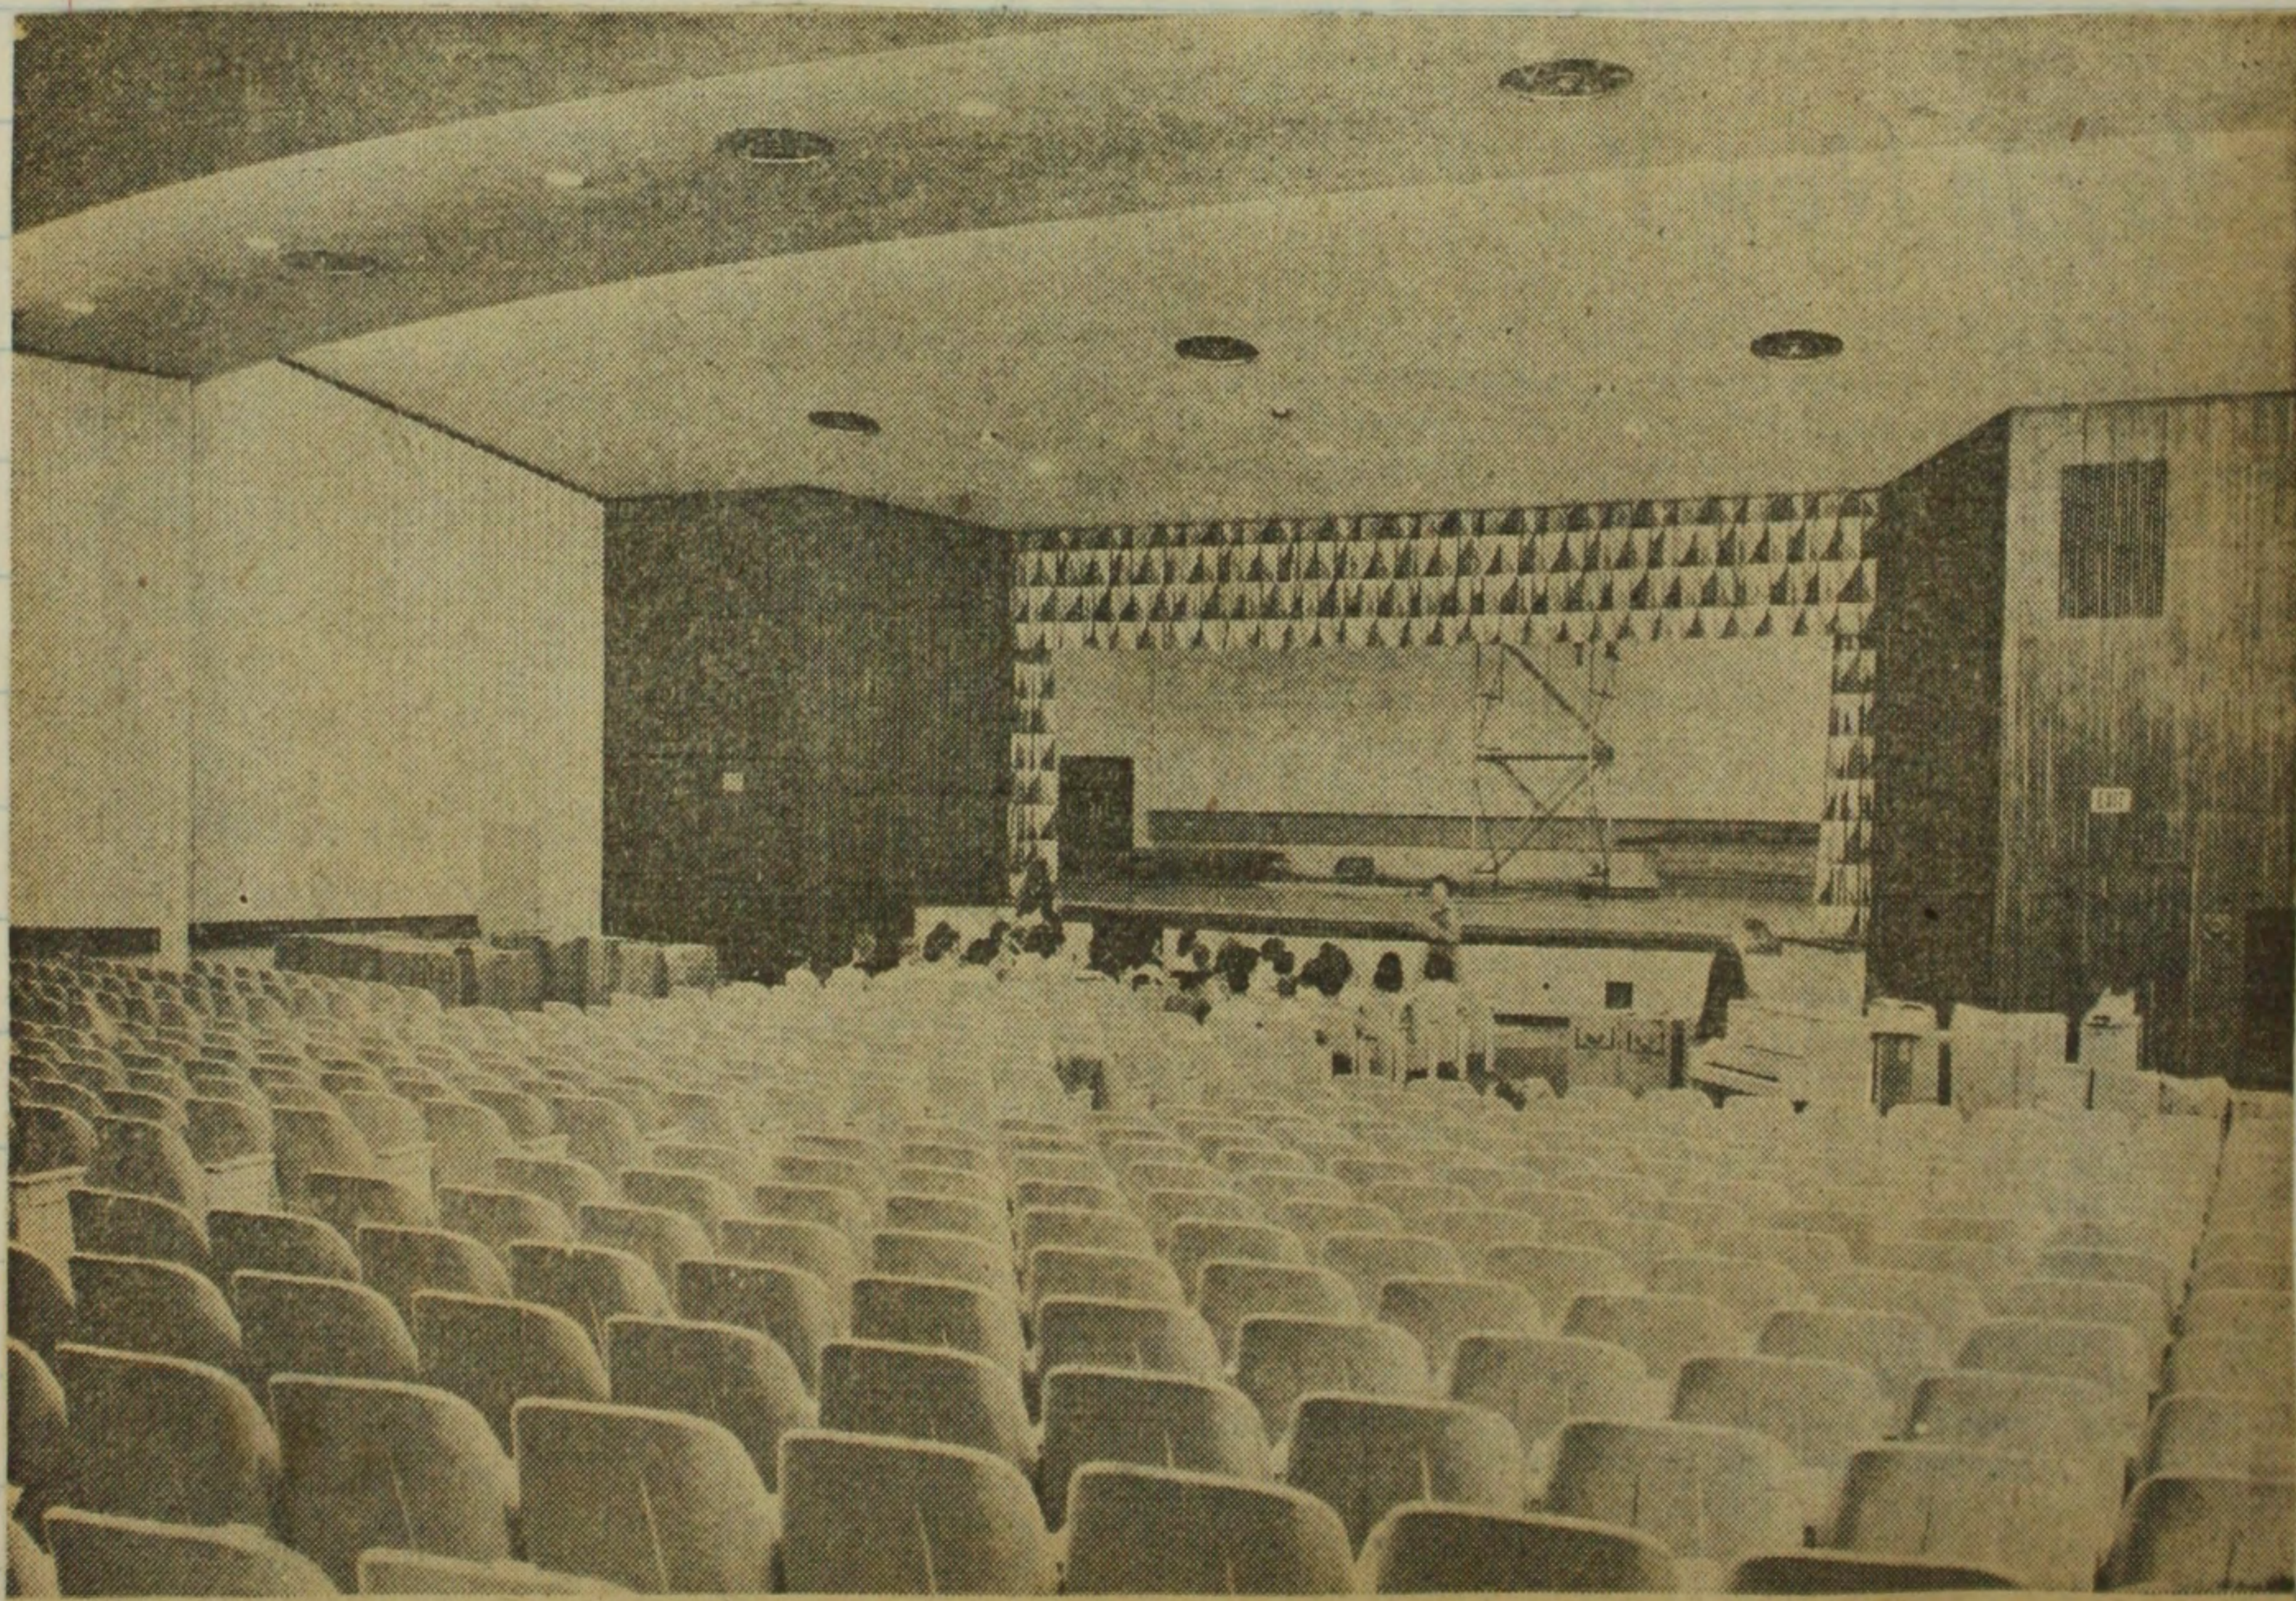

The handsome brick, steel and glass block building was designed by the Sharon firm of Hunter, Heiges and Gross and cost \$16.71 per square foot—lowest unit cost of any comparable school building in the county.

Designed to house 938 students, administrative personnel and faculty members, the

building comprises 15 regular-sized and 10 over-sized classrooms, science rooms and rooms for special education. Also included are two music rooms, art room, vocational agriculture and industrial arts shops, home economics suite, cafeteria, dining room, health suite, greenhouse and administrative offices.

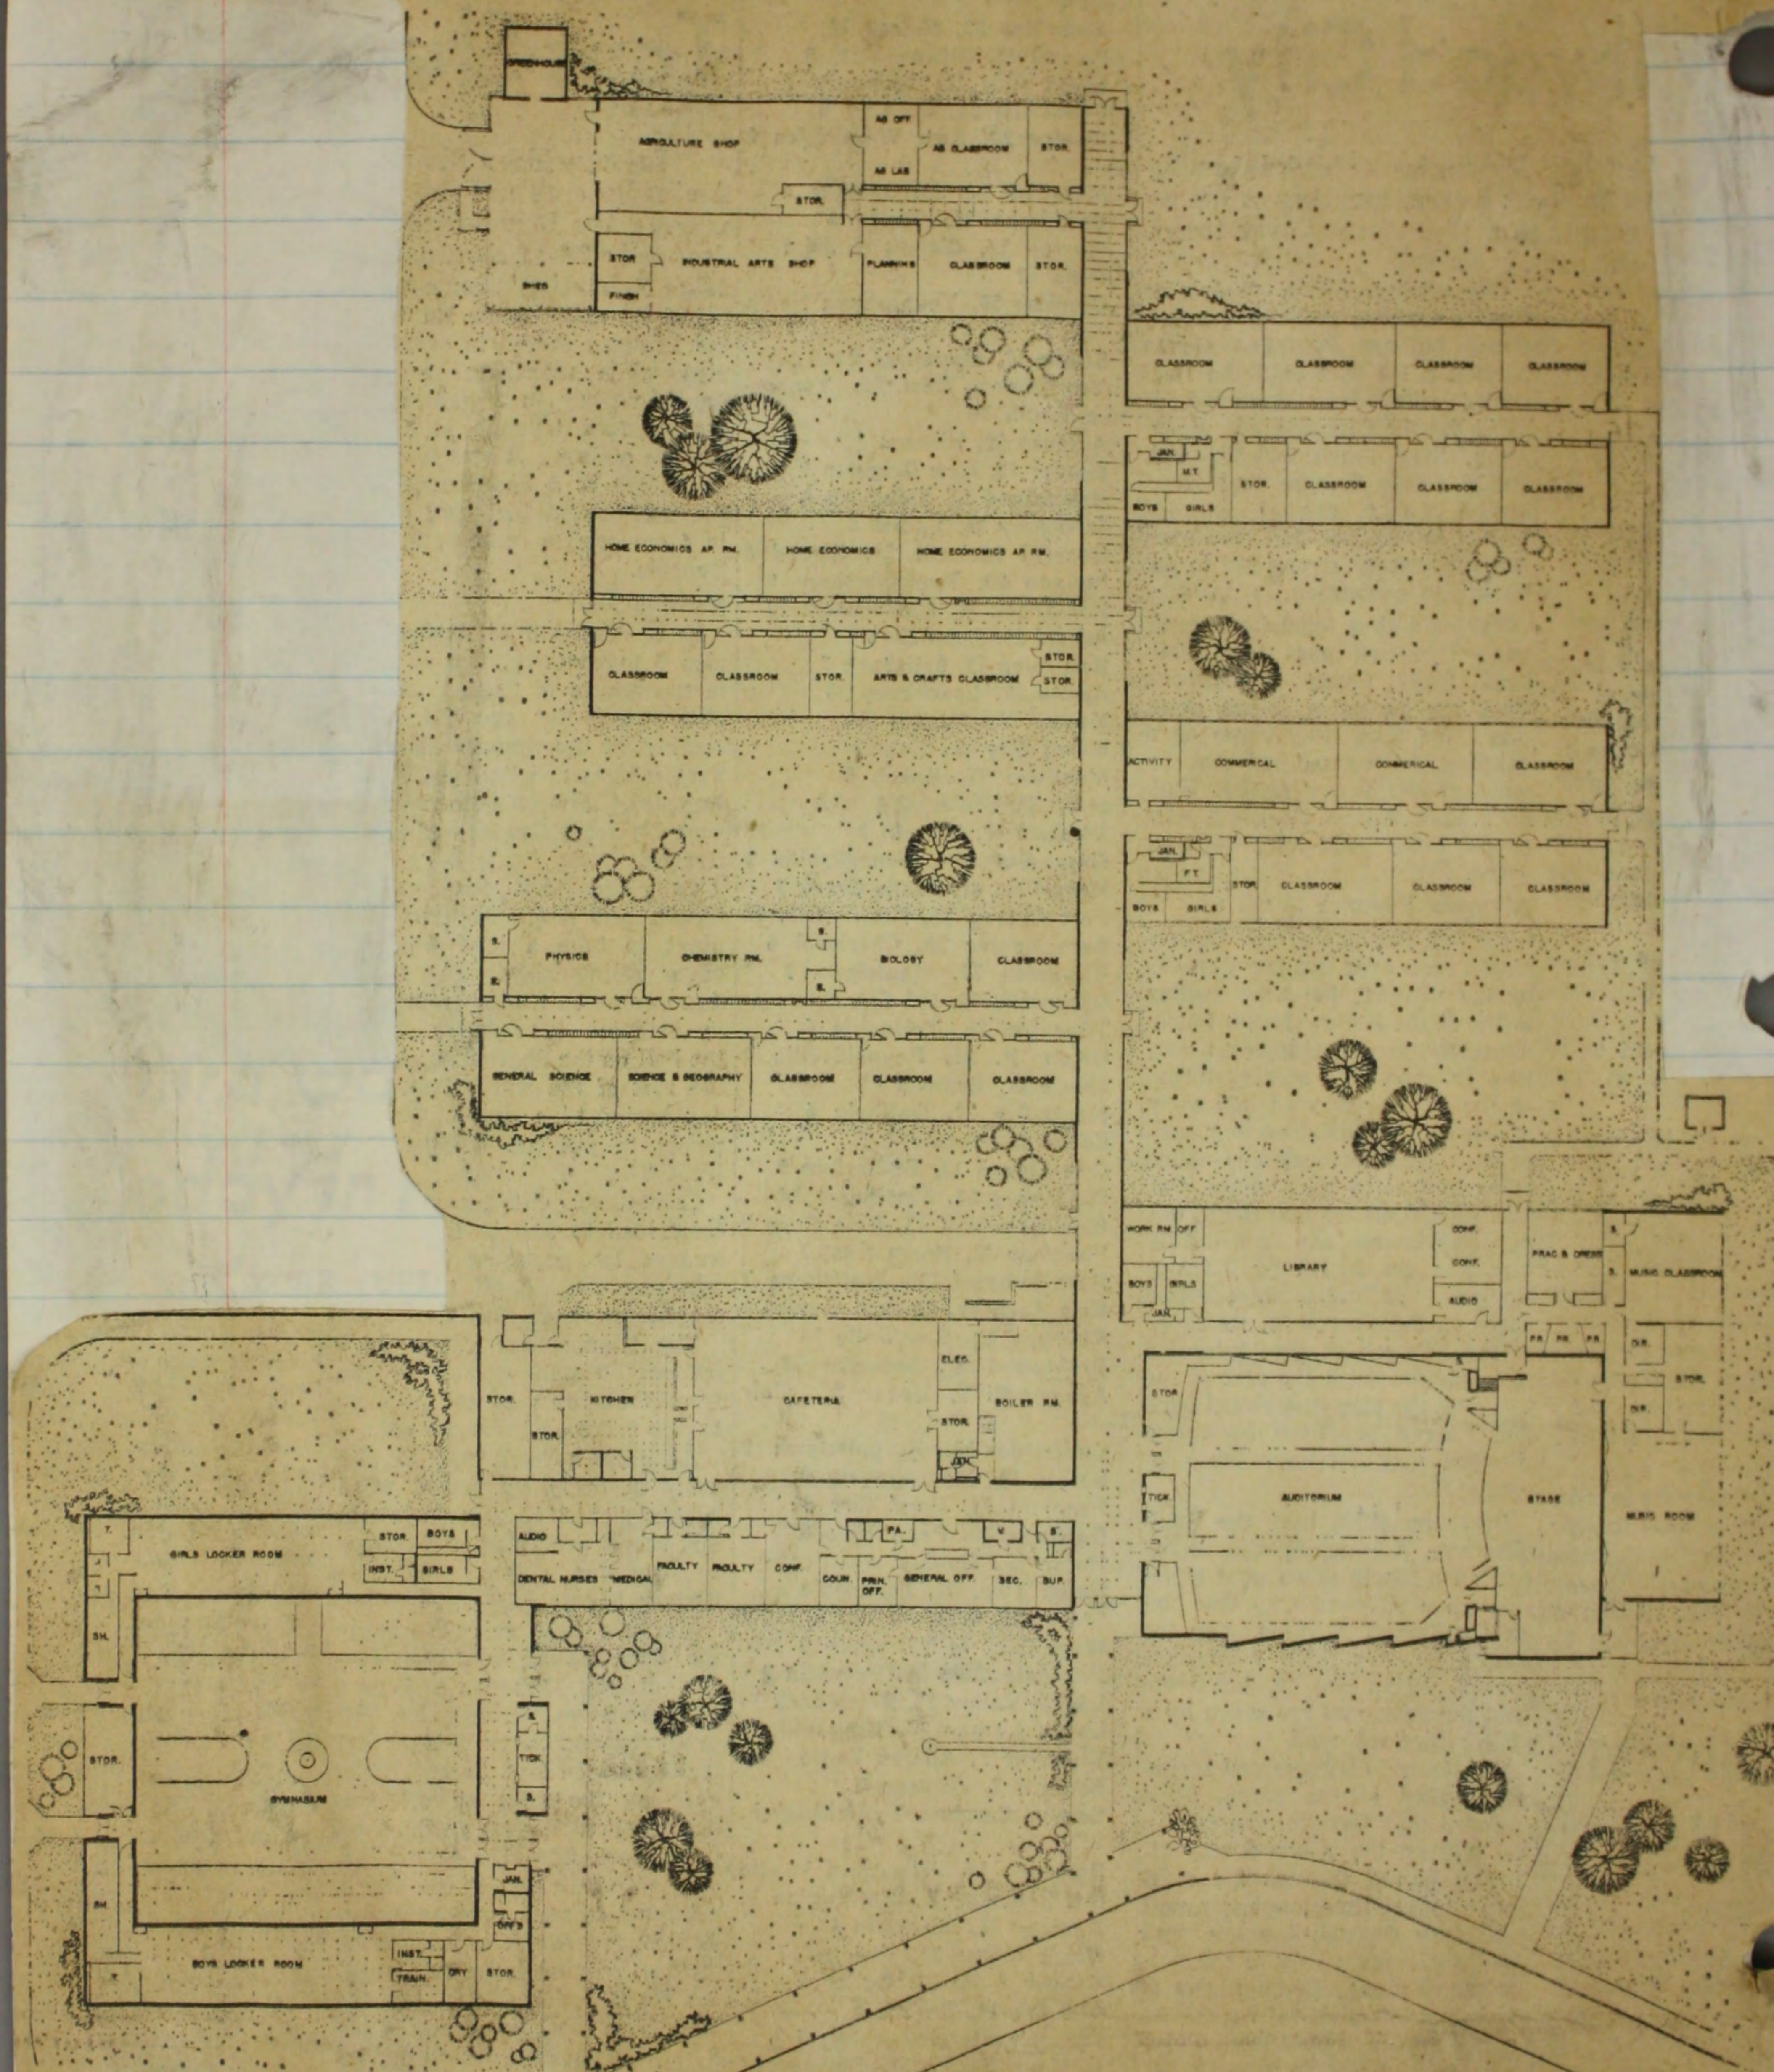

Other modern features are removable acoustic ceilings, safety glass doors, expansion joints, porcelanized exterior panels and a "finger" plan that provides for unlimited, classroom expansion.

Carl F. Welch, supervising principal, has been closely associated with the building since 1956 when he was named educational consultant for construction by the State Department of Public Instruction. Welch was then an assistant county superintendent of schools in the office of John B. Cutler, county superintendent, at Mercer.

Near-perfect acoustics result from sawtooth walls and ceiling of 916-seat auditorium.

Reynolds High's First Football Squad, Coach Honored at Banquet

Reynolds high School's first football team was honored last night at a banquet held at the Transfer Fire Hall under the sponsorship of the Reynolds Optimist Club.

Dr. T. V. Holleran, former all America at the University of Pittsburgh, was the featured speaker. Dr. Holleran cited several key values involved in participation in sports in general and football in particular. He noted the necessity for loyalty by impressing the need for loyalty to coaches, parents, teammates, school and self.

He also spoke of the lasting value of friendships built on the football field. In addition Dr. Holleran stressed the need for physical strength, mental alertness and high moral and spiritual standards. It was his contention that it takes a good boy to become a good football player.

Highlighting the evening were the presentation of two awards to the most valuable members of the team. The honorees were selected by squad members. The outstanding back award went to quarterback Tom Harpst while guard Lloyd Roberts was named outstanding lineman. Each received a trophy. Don Pacifico presented the trophy to Harpst and Roberts received his from Dominick Marks.

The two senior members of the squad, Bob Biggart and Bob Wall, as representatives of the team, presented plaques to coach Ralph Bouch and his assistant Donald McCoy.

Bouch expressed his appreciation to the various forces involved in fielding a football team and called on the parents to assist by enforcing good rules of living throughout the year. He introduced members of the team and the managers.

Carl Welch, supervising principal, and Raymond Bost, high school principal, spoke for the administration offering their congratulations to the team and its coaches. Welch made special reference to the excellent behavior of the squad both off the field and on.

Reed Franz acted as toastmaster at the event which club president Lex Watson indicated would become an annual affair.

The invocation was delivered by Rev. Morris Cooper, Administrator

of St. Paul Children's Home. Other remarks were given by Jack McKee, Sports Editor of The Record-Argus and Howard Olinger, chairman of the banquet committee who closed the evening by inviting all to return for the football banquet in 1961.

HONORED RAIDERS—Lloyd Roberts, left, and Tom Harpst, right, were singled out last night at the Reynolds Optimist Club football banquet. Roberts was selected as the outstanding lineman on the team and Harpst received a similar award as the outstanding back. Shown with the two honorees is their coach, Ralph Bouch. Open House Planned at New School

Reynolds Area Joint School board last night set Nov. 10 as open house for its new \$2,000,000 high school and established a rental schedule for the district's facilities.

The open house was planned in conjunction with American Education Week and will mark the first time the public has been invited to inspect the high school in the Reynolds area. An evening program is to be planned.

Dedicatory services, however, will be delayed until near the first of the new year. A committee was to be appointed to work out a program.

The rental policy adopted by the board spelled out the limitations, usage and charges for the various sections of the district's school building.

Requests were to be made of the board through Supervising Principal Carl Welsh.

The 917-seat auditorium is to rent for \$17.50 on a non-admission basis and \$50 when admission is charged.

The gymnasium will rent for \$40 on a non-admission basis and \$100 when admissions are charged.

All-purpose rooms are rent free when no admission is charged and \$10 when admissions are collected.

Janitorial services ranging from \$5 for the all-purpose room, \$7.50 for the auditorium and \$15 for the gymnasium are to be charged in addition to the regular fees.

Extra charges are to be levied for stage crews, projections and public address systems.

Rental of the high school cafeteria was set at \$15 and \$10 for the kitchens in the other buildings. A custodial fee of \$5 also was to be charged.

No man in the Presidency has already had so much experience with the White House, the Senate, the House of Representatives, the Department of Defense, and the entire Executive Department. He has been a part of Congress as presiding officer of the Senate and a part of the White House as Vice President--for a total experience that has seldom been matched in history.

were to have the use of the facilities without charge for their meetings.

Approval was given to present a minstrel show Feb. 4 in the auditorium. Residents in West Salem, Pymatuning and Delaware Townships and Fredonia borough were to present the show for a scholarship fund for high school pupils.

Award Insurance

The board resolved its insurance problem which has troubled it during the past several meetings.

The board voted to name Luther J. Kuder, Greenville insurance agent, as the broker of record for the school's master policy that includes all coverage. For his services, Kuder is to receive one-third of the commission.

The other two-thirds will be split among the four member boards along the proportion of their contribution to the jointure. The individual boards then will distribute their share to whom they desire.

An earlier plan had called for Kuder to be the broker and the remainder to be distributed among the four certified insurance agents who live within the district. They are, however, grouped in Pymatuning Township and Fredonia, while Delaware and West Salem Townships have no full-time insurance agent residing in their areas.

The policy is to be reviewed at the end of the year.

Buy Fire Extinguishers

Elkhart Brass Manufacturing Company, Elkhart, Ind., was awarded the contract for supplying 19 fire extinguishers. They had bid \$379.50 for two type units.

District bidders among the seven who submitted estimates were: Transfer Volunteer Fire Department, \$683.20; West Salem \$705.05, and W. E. McCullough, (Fredonia Volunteer Fire Department), \$582.72.

Jack Meeker, of Route 18, was released from school because of health.

The joint board agreed to pay tuition for the pupils the district sends to the Greenville Day Care Center and Hickory Township Crippled Children Center.

Reynolds Closes With 19-13 Win Over Greenville Jayvee

Reynolds High School completed its first football season last night with a 19-13 victory over the Greenville High School Junior Varsity in the rain and wind at Stewart Field.

The winning Raiders tallied once in each of the last three quarters. Greenville scored in the fourth quarter. It was Reynolds' fourth win against two defeats while the Little Trojans dropped their third to go with a pair of victories and a tie.

Everett Drivere went over twice for Reynolds, once on an 11-yard jaunt in the third quarter and again on a two-yard burst in the fourth. Ralph Boger got the first Raider TD on a 34-yard run from scrimmage. Jim Brumbaugh got all 13 Greenville points.

The initial score was set up by a Greenville punt that fell on the Greenville 36. Reynolds tried three plays, gained two and then sent Boger inside left end for the touchdown. Bob Wall kicked the point to make it 7-0.

In the third Ron Hoovler returned a Greenville punt from the losers' 45 to the 20. Drivere went over in two plays, hitting to the 11 on the first and going for the score on the second.

Greenville's first drive sustained ended early in the fourth. The Little Trojans went 60 yards with Brumbaugh scoring from the 19 on a sweep to the right. He went around left and end for the conversion. Ed McClure hit Rich Evans with a pair of short passes to spark the march.

Reynolds took the kickoff and

drove 58-yards with Boger covering 37 on a run to the Greenville 21. Drivere smashed in from the two. Greenville wound it up by marching 70 yards with the Raider kickoff with Brumbaugh going into the end zone from the one on the final play of the game. Fred Bradigan and Brumbaugh lugged the ball into scoring position.

The lineups:

Greenville: ends — Evans, Williams, Ferguson; tackles — Dodds, Kitch, Hazlett, Mathieson; guards — Greenfield, Moyer; center — Baer; backs — Brumbaugh, Bradigan, McClure, Luckock, Stuyvesant, Robbins.

Reynolds: ends — Eastlick, Hunt, Jones, Little; Tackles — Moffett, Ealy, Krueger; guards — Roberts, Steffey; center — Blake; backs — Harpst, Boger, Drivere, Hoovler, Wall, Baldrige.

KENNEDY'S AND NIXON'S 5 MAJOR ISSUES

Below are 5 issues of MAJOR importance on which Senator Jack Kennedy, the Democratic Presidential candidate and Vice-President Richard Nixon, the Republican candidate, have voted.

Both men served together in the U. S. House of Representative in 1947-1950. In 1951 and 1952, Nixon was in the U. S. Senate and Kennedy was in the House. In 1953, Kennedy began his service as U. S. Senator and Nixon as Vice-President. Since that year, Nixon's record has been limited to breaking tie votes in the Senate.

In each case Kennedy has always been right and Nixon has always been wrong in the following issues,

- (1) EDUCATION
- (2) CIVIL RIGHTS
- (3) FOREIGN POLICY
- (4) SOCIAL SECURITY
- (5) HOUSING

REYNOLDS SENIOR CLASS PLAY CAST—Members of the cast of Reynolds High School Senior Class play, "Anne of Green Gables," are pictured as they took a rehearsal break on stage yesterday afternoon. Included are Barbara Amon, Nancy Eakin, Mary MacDonald, Claudia Musgrove, Elaine Needels, Helen Whitaker, Arlene Yusko, Bart Bartholomew, Bonnie Mitchell, Robert Callahan, Becky Miller, Janet Herrick, and Bobbie Johnson. Not present for the picture were Robert Wall, Robert Biggart and Pat Williams. (Record-Argus photo).

Reynolds High Seniors to Stage Class Play Nov. 3-4

The public will have its first opportunity to see the 917-seat modern auditorium of Reynolds High School next month by attending the school's Senior Class play.

The play, "Anne of Green Gables," will be presented Nov. 3 and 4. Curtain time is 8 p. m.

Although the new \$2-million dollar school has been occupied since the beginning of the present term, the auditorium remained incomplete because of the lack of two sections of seats. The original order of seats contained a number of units of the wrong type.

It was not until this week that the correct type arrived. Workmen now are installing them.

Fifteen in Cast

The play, with a cast of 15, is a modern dramatization of L. M. Montgomery's most popular novel in three acts of Alice Chadwicke.

It is the story of a young orphan whose inventive imagination results in many hilarious situations.

The lead role of Anne Shirley is played by Pat Williams. Other leads are Bobbie Johnson, as Marilla Cuthbert, and Arlene Yusko, as Rachel Lynde.

Others in the case, listed with their roles, are Barbara Amon,

as Josie Pye; Nancy Eakin, Diana Berry; Mary MacDonald, Mrs. Berry; Claudia Musgrove, Miss Minnie; Elaine Needles, Mrs. Allen; Helen Whitaker, Mrs. Spencer.

Also Bart Batholomew, as Moody Spurgeon; Bonnie Mitchell, Mrs. Florence Rimsen; Robert Callahan, Matthew Cuthbert; Robert Wall, Ira Mills; and Robert Biggart, Gilbert Blythe.

Mrs. Joseph Caskey is faculty director. Becky Miller is student director, and Janet Herrick is stage manager.

Greenhouse Offers Rare Advantage To Vo-Ag Pupils at Reynolds High

Vocational agriculture pupils at Reynolds High School enjoy a distinct advantage over others in the county who are studying botanical processes.

Their advantage is derived from studies being directed by instructor Reed Franz inside an 18 by 12-foot greenhouse located at the rear of the new \$2-million school building.

A number of experiments already are being conducted by the 47 pupils enrolled in the department. They include boys from the ninth through the 12th grades.

Among current experiments is a demonstration of the fertility provided by various types of soils. The boys planted corn seed in several No. 10 cans obtained from the school cafeteria. Each can contains a separate kind of material in which the corn is growing. They include sand, gravel, sawdust, slag and others.

At the present stage of growth, the corn is doing best in sand, the sprouts standing about 20 inches high.

Another lesson being taught the boys in their greenhouse laboratory is learning to identify types of plants in their various stages of development—from the time the first sign of green life appears on the surface until they become mature plants.

Heat, Humidity Controlled

These studies would be virtually impossible without the facilities of the greenhouse where sufficient sunlight is available and various controls can be maintained.

The greenhouse is heated by the same hot water system which heats the school building. Temperature is maintained at 65 degrees. Humidity also may be controlled to a degree.

Among associated lessons also learned by the vocational agri-

The greenhouse is heated by the same hot water system which heats the school building. Temperature is maintained at 65 degrees. Humidity also may be controlled to a degree.

Among associated lessons also learned by the vocational agriculture pupils are methods of starting new plants from cuttings off old ones. This they are doing with potted geranium plants.

In addition to corn and geraniums, the boys are growing several types of field crops in small individual peat moss pots. They include such vegetables as lettuce, carrots, cauliflower, broccoli, parsnips, onions, radishes, beets, endive and peppers.

After experiments are completed, the boys are permitted to take home their maturing plants.

Early next spring, they will start garden plants which can be transplanted in their home gardens after the danger of frost is past.

Having a greenhouse at its disposal is a relatively new innovation for high schools. The only other schools in this area of the state with similar facilities are at Corry and Slippery Rock.

Will Compare Seeds

An experiment to which the Reynolds pupils are looking forward to with a great deal of enthusiasm is the growing of atomic energized seeds.

The atomic plants will be planted in February, according to instructor Franz.

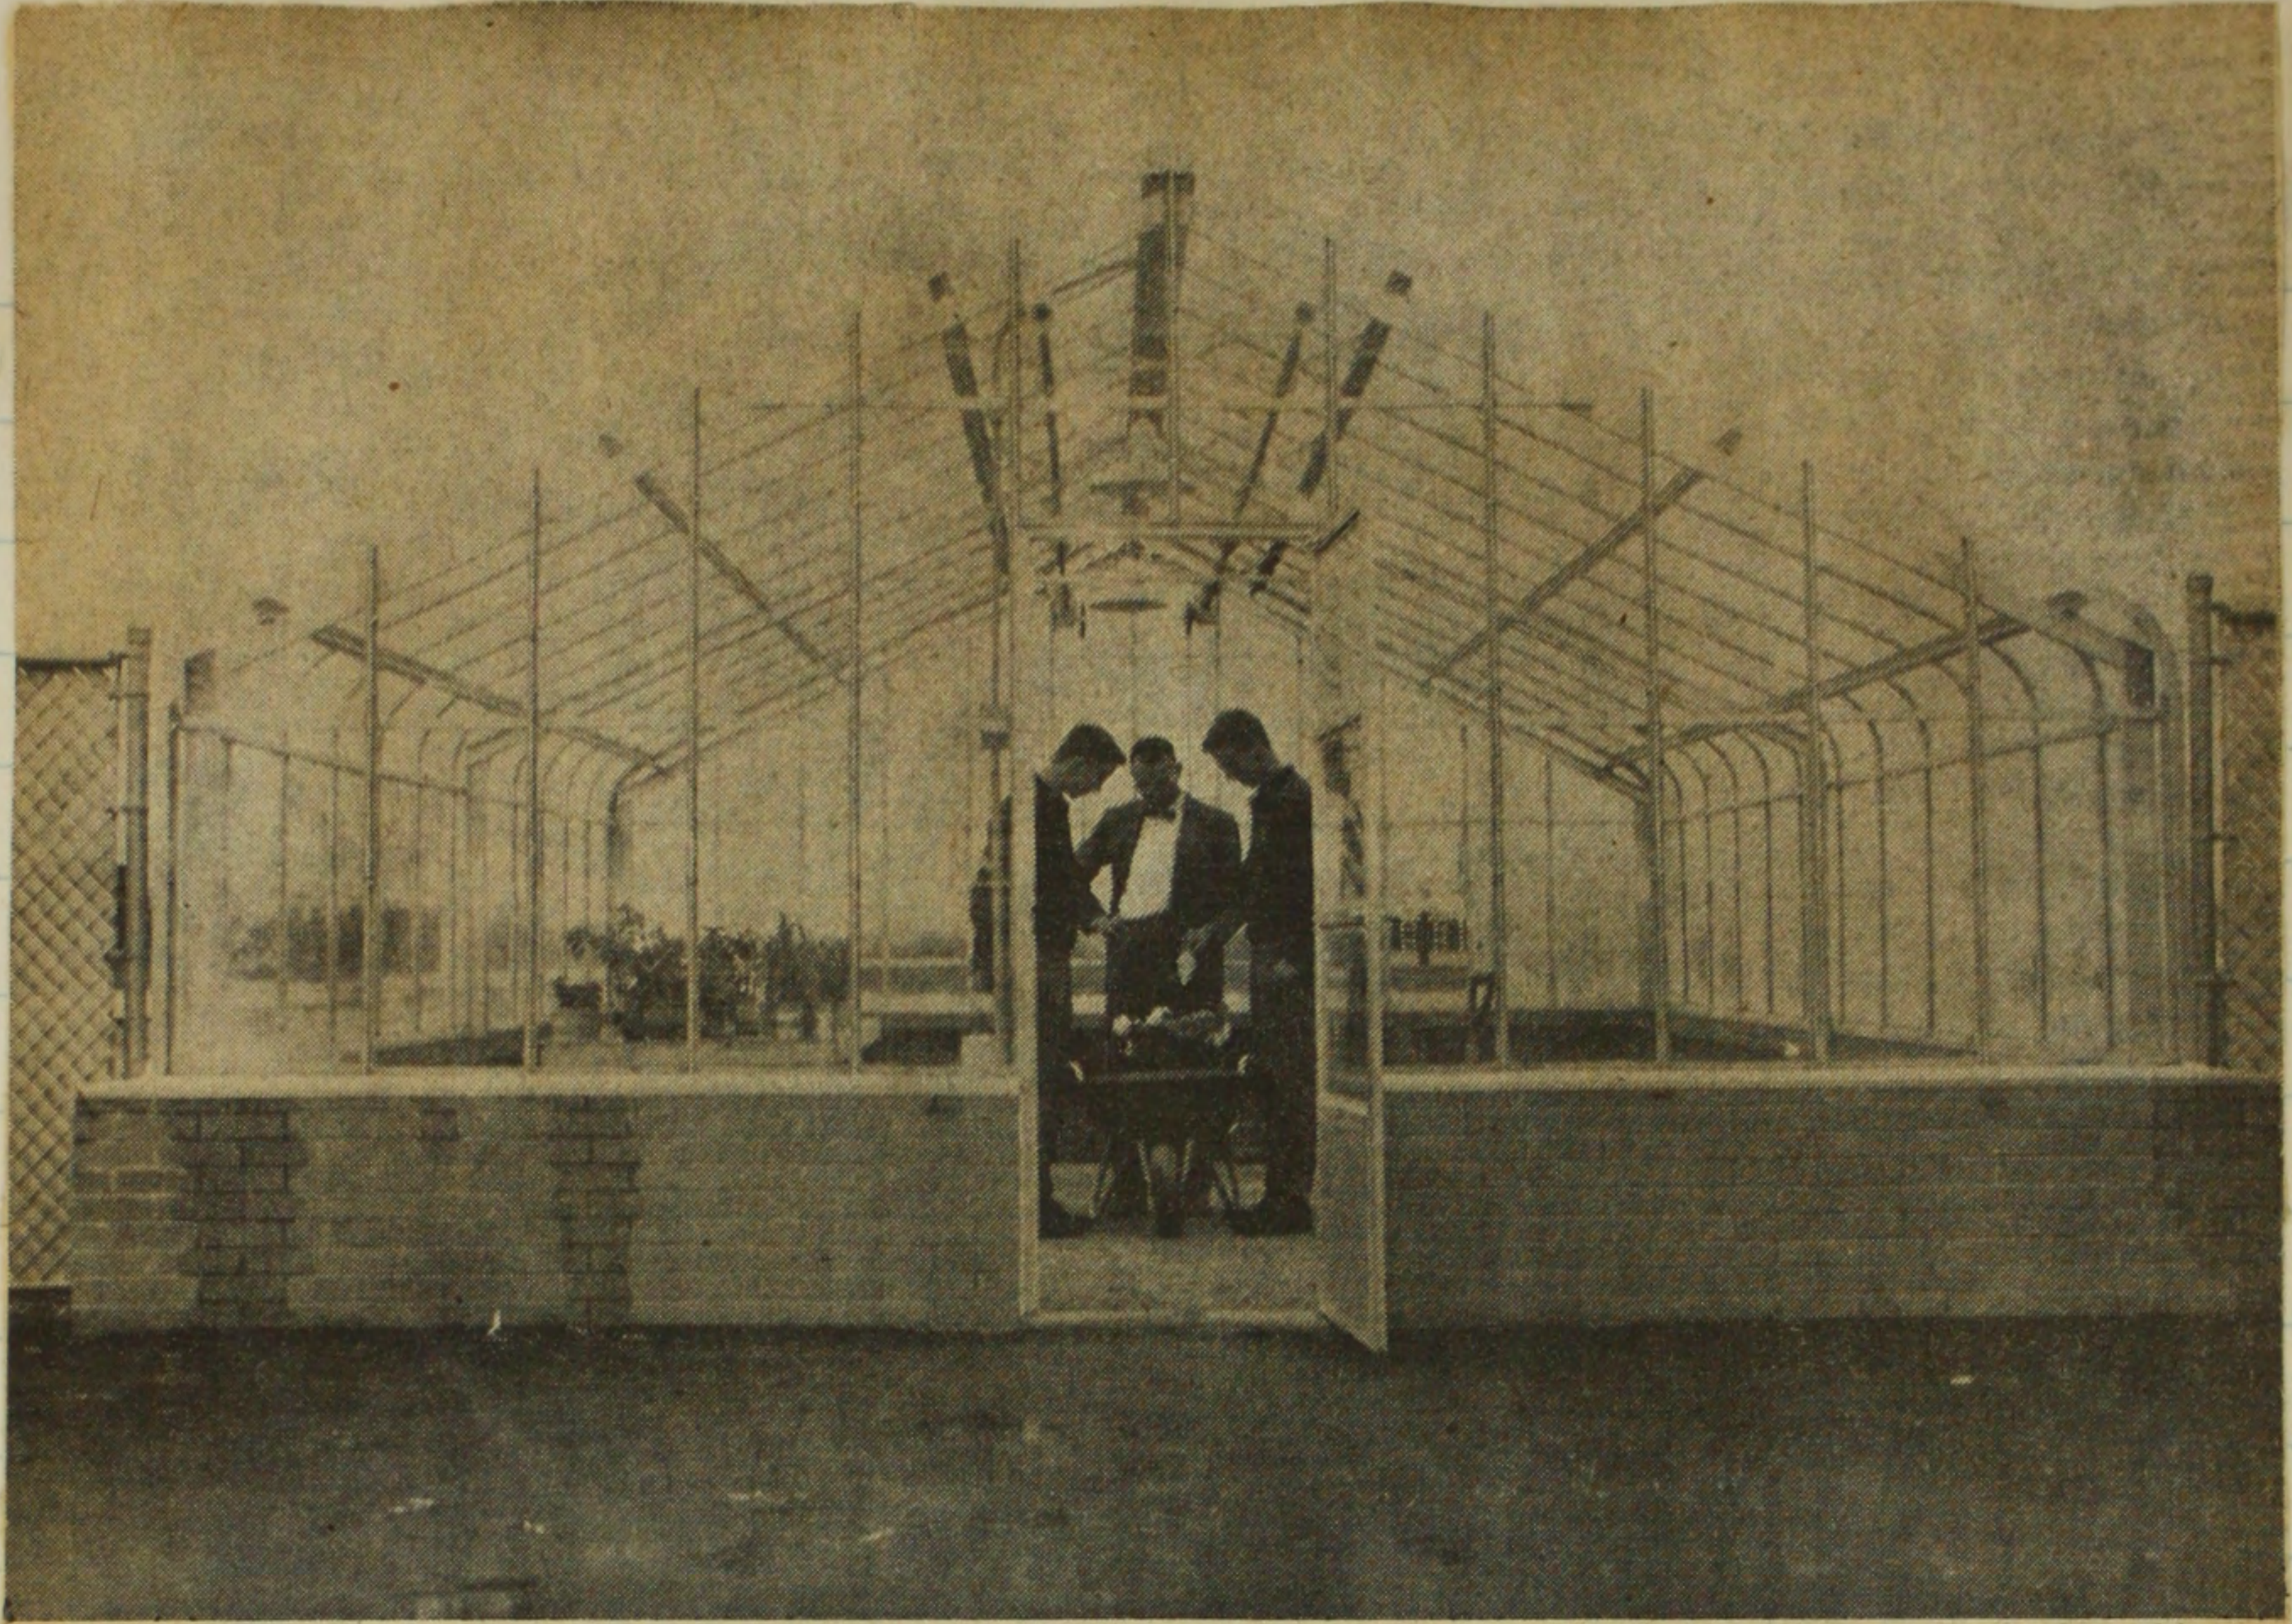

Control seeds, or normal seeds, will be planted along with the energized seeds so that pupils may compare differences.

Atomic seeds, Franz explained, may produce all sorts of peculiar mutations. The freak plants may include a corn stalk which twists and curls like pumpkin vine. Although the great majority of plants derived from atomic seeds are non-beneficial retrogressions, one out of many thousands may produce a strain which is far superior to common varieties.

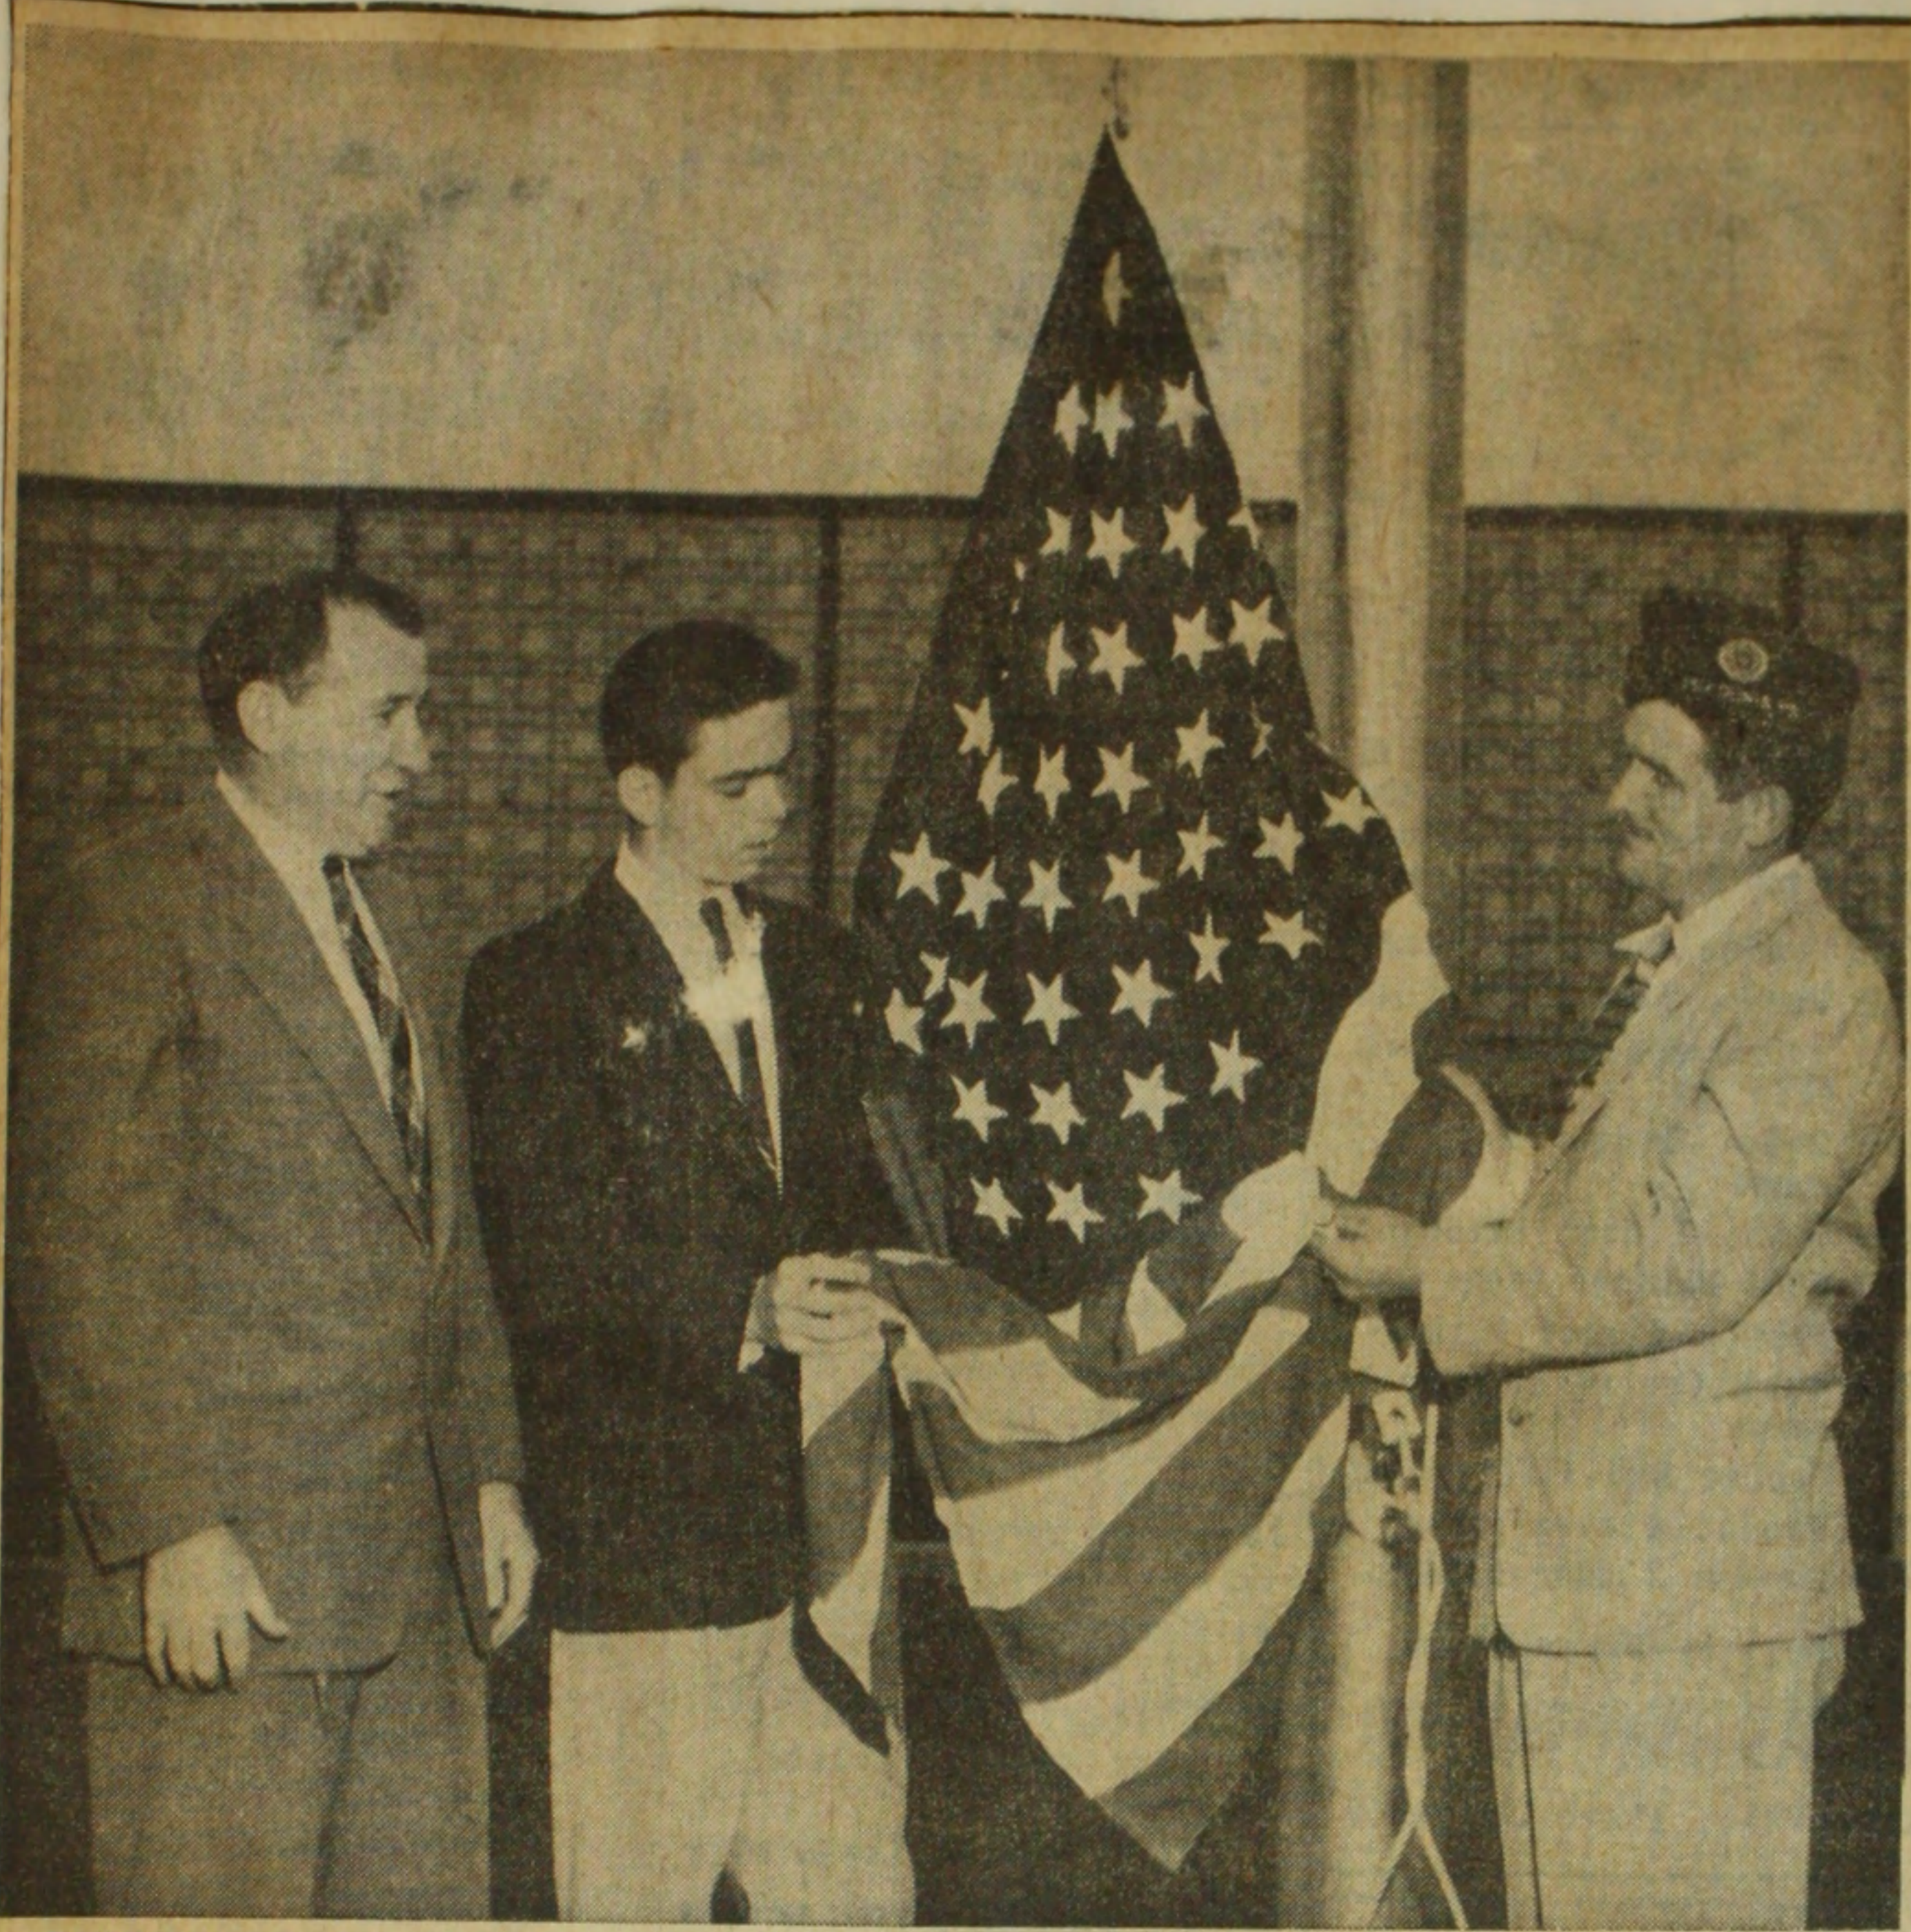

In maintaining their greenhouse plants, the boys employ liquid fertilizer and sterilize soil by the steam method.

Many other lessons are to be learned by means of the greenhouse—some which probably cannot be anticipated, according to Franz. Plant disease, for instance, may become a more serious problem inside a greenhouse than in the field, he points out.

The greenhouse facilities still are not fully developed. Pupils soon will be put to work in the school's shop to build more benches to accommodate plants.

REYNOLD GETS FLAG—Reynolds High School Principal Raymond Bost and Senior Class President Thomas Eckley accept flag presented by Carl Baer, judge advocate of Fredonia American Legion Post 919. The new 50-star flag, a gift of the Legion post to the school, will fly from the flagpole located in front of the building. During a student body assembly program, held in conjunction with Veterans Day and the presentation of the flag, speakers on patriotic subjects included Sandy Lulek, Pat Williams, Robert Biggart, Shirley Smith and Shelby Durst. A monologue was by Lynn Groover and Barbara Miller led devotions. The school band played several selections. (Record-Argus photo)

Nine Area Schools Open Mat Practice; Reynolds Newcomer

The second major sport on the winter scholastic scene, wrestling, is getting started sporadically in the nine area school sponsoring teams.

Some started on the first legal day, Nov. 1. Some started late last week, some are starting this week and the last will begin practice next week.

As was the case in football, a new entry will emerge on the scene this year boosting the number of county competitors to eight. Reynolds High, the fifth Class B school to enter wrestling, is the newcomer.

Veteran Performers

New as the school is and new as its coach is several of the frontliners of the Raider mat squad are not strangers to area mat fans. Heading the list will be Ralph Grady, formerly of Jamestown and Larry Uber, ex-Greenville grappler. Grady, as a sophomore two years ago, won the District 10 95-pound title. He bowed out in the regionals. Last year he was sidelined much of the year after undergoing an appendectomy. Uber took the Section III 103-pound title last year but lost in district competition to Terry Hais of Erie Strong Vincent who went on to win the state championship.

Others who will be going for Reynolds this year include former Jamestown wrestlers Terry Groover and Stan McCright and Greenville's Johnny Moffet and Lloyd Roberts.

Slippery Rock Grad

Dick Sherwood, a graduate of Slippery Rock State College last June, is the Raider coach. He participated in wrestling on a limited scale while at Slippery Rock since the college did not install the sport until his junior year. Sherwood is a native of Youngsville. He began conditioning workouts last week.

A second new coach in the county is Bob Moore at Jamestown. Moore is also a June graduate of Slippery Rock where he saw mat action for the Rockets. He got practice started last Tuesday with a turnout of about 20 boys. Among the returnees from Chuck Shultz's final team are Jack Owens, Dennis Riley, Andy Groover, Jerome Stone, Chuck Herrick, Tom Herrick and Tom Thurber.

C. P. Rebuilding

Ben Lenkner returning at Commodore Perry, began drills early last week with a job of rebuilding after losing several key men from the 1960 squad. Larry Turner, Bill Harpst, Gary Osborne and Gordon Ramsey are the only men back with an appreciable amount of varsity experience. Ken Hildebran, yet another Slippery Rock grad, is assisting Lenkner this season.

Lakeview, under Elmer Huggler, is entering its second season in wrestling. Huggler got his crew together last Friday and numbered several men who were regulars on the 1959-60 team. Ron Minor, John Keller, Charles Grace, Tom Umbaugh, Ron Alba

and John Bromley lead the returnees.

Mel Walker at West Middlesex is starting his second season although West Middlesex competed on a limited scale two years ago. Walker started last Tuesday with a turnout of about 22. His ace, Ted Creighton heads the list of lettermen which includes Alan Womer, Cy Batten, Phil McQueen, Bill Divins and Ron Hawthorne.

Hornets Start

Hickory was the first of the three Class A schools to get underway. George Lewis had a turnout of about 25 for his opening drills last Wednesday. Lewis was somewhat disappointed in the size of the squad. He has several men back who put together good records last year including Ed Flocco, Leroy Foster, Mel Meade, Doug Thomas, Dick Sharisky and Alan Udt.

Veteran coach Gene Forker of Grove City expected to get started tomorrow. He will give football players a full week off following their final game last Saturday. He has 11 lettermen back including such top performers as Marty Ruley, Bob Squires, Bill Neely, Dave Dombroski, Don Johns, Tom Webster and John Bennett.

Greenville Last

Greenville will be the final school to start practice. Coach Dave Clelland will not begin practice until next Monday although individual conditioning has begun. Graduation and transfers cut into the Trojan squad but Clelland will have several holdovers.

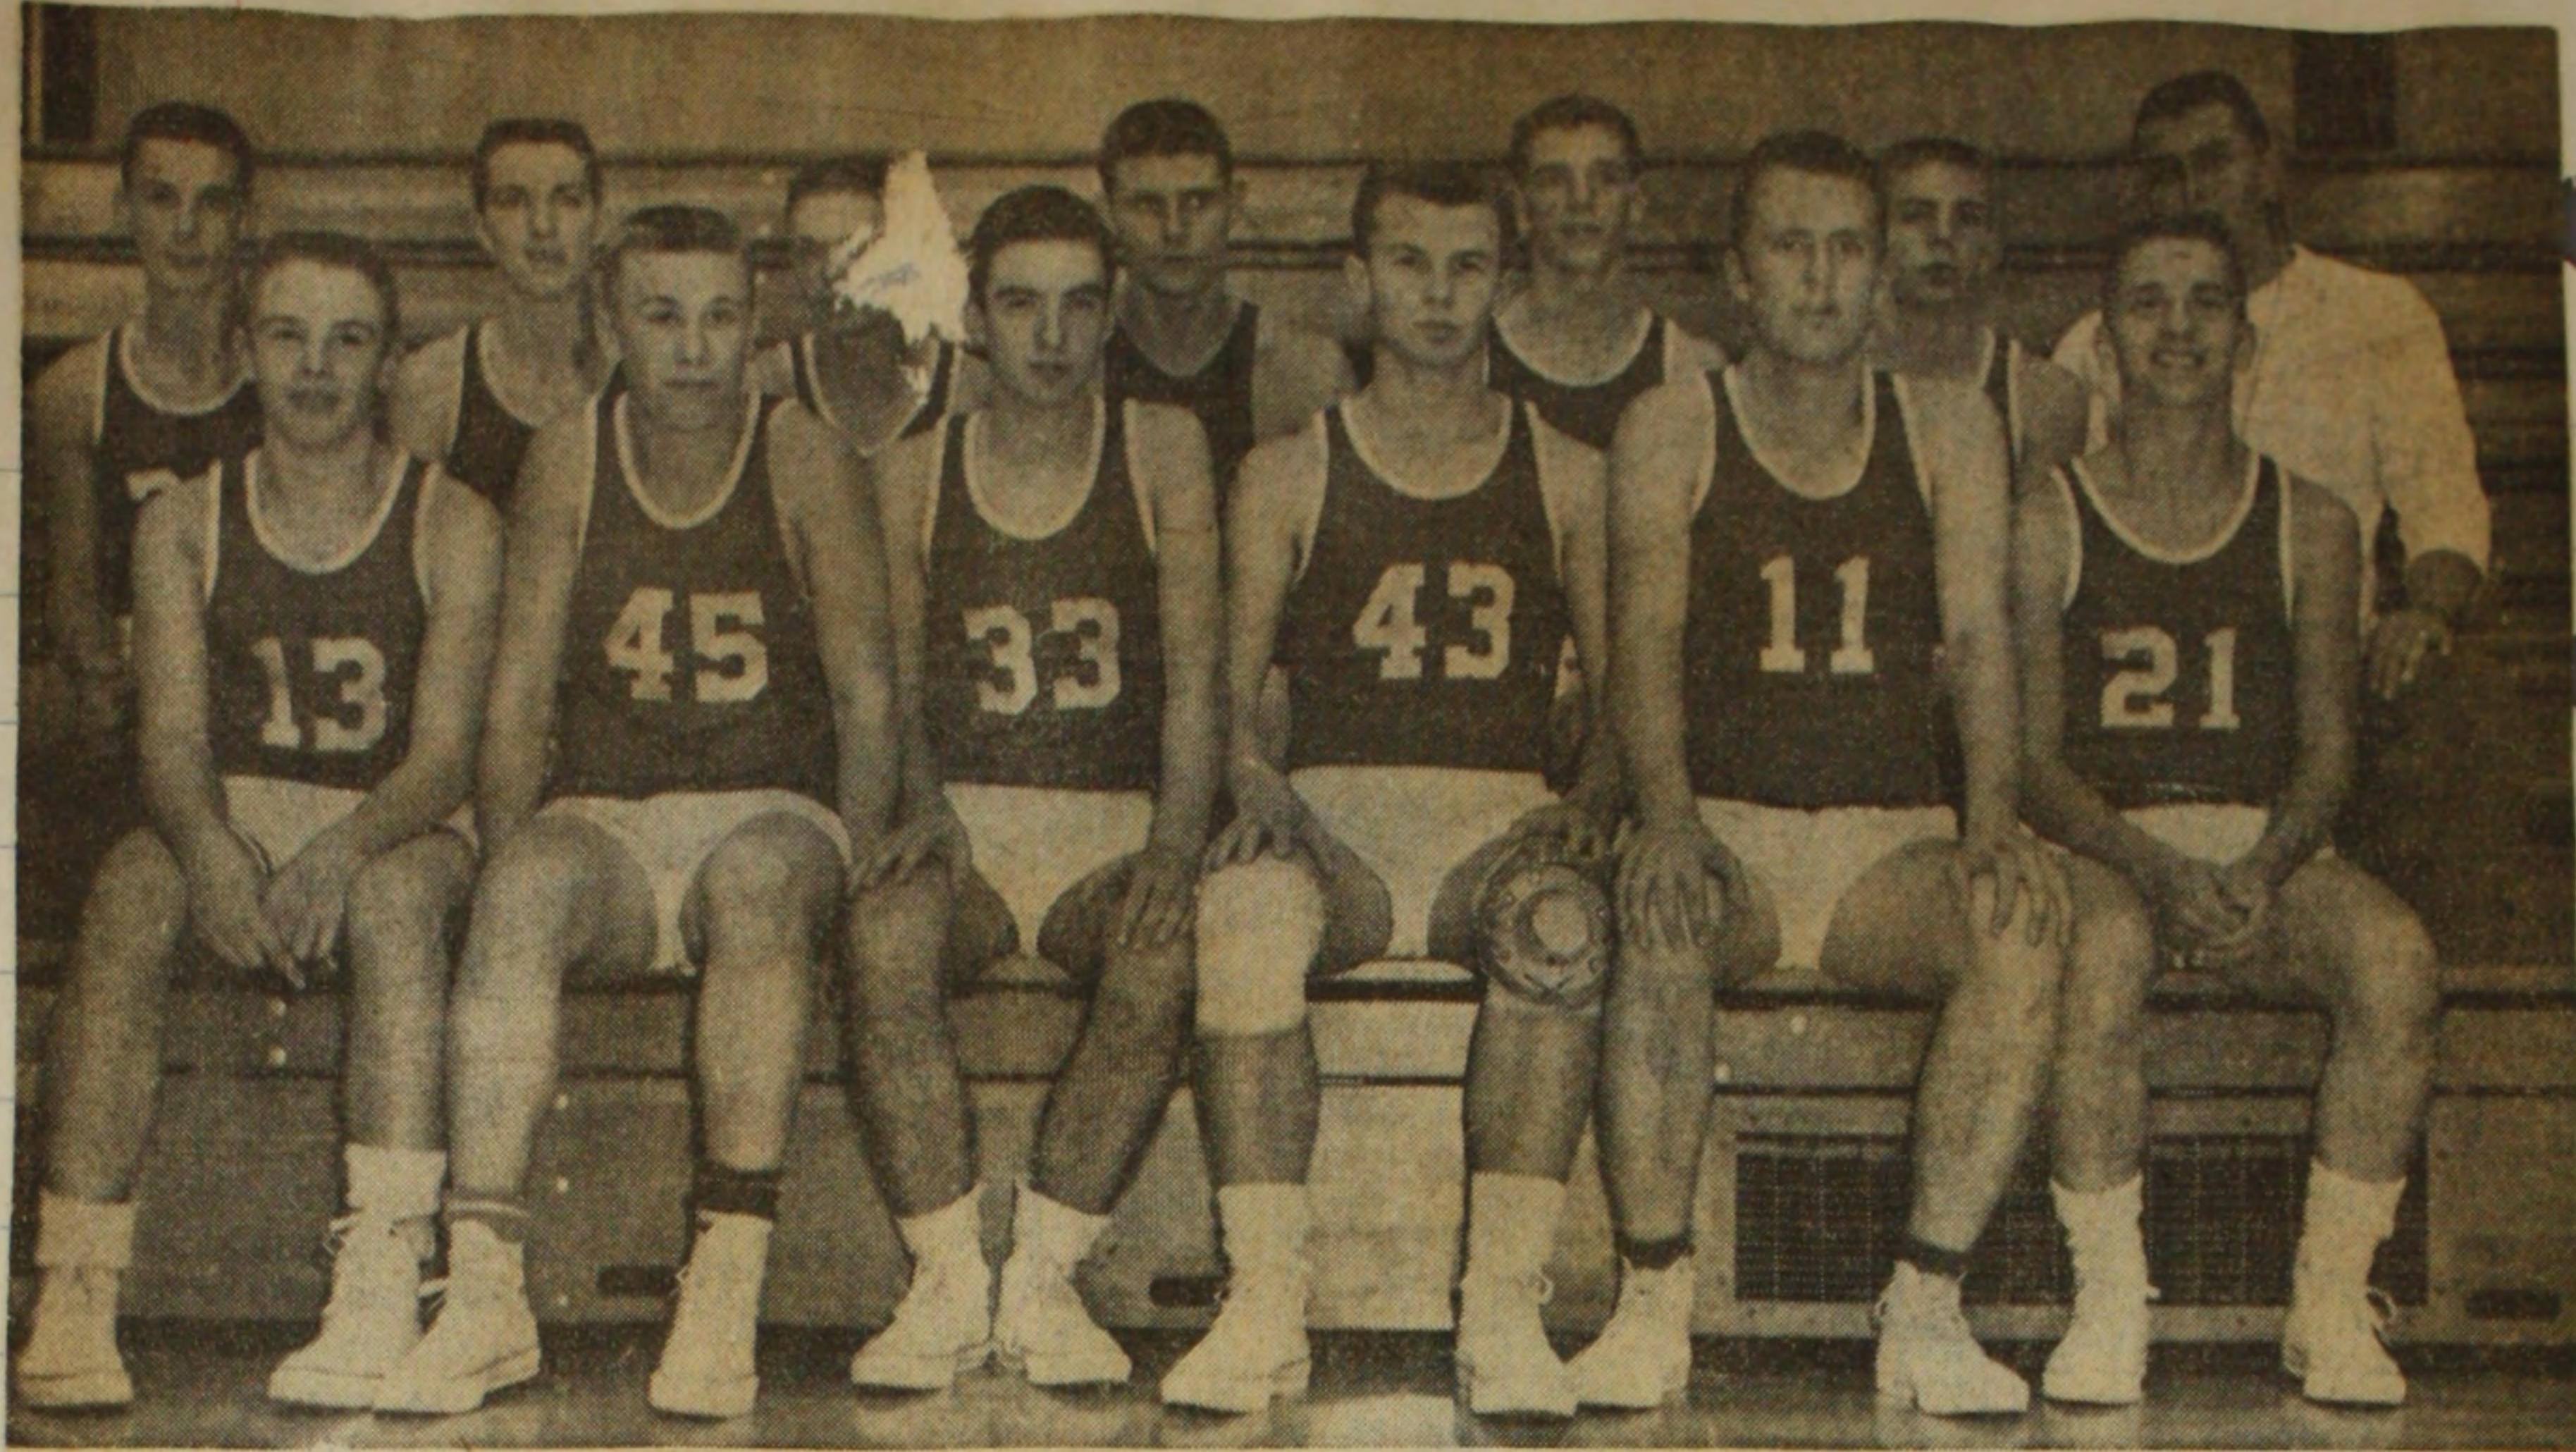

Among the top performers returning will be Anthony Catalano, Rod Wentling, Bobby Robbins, Glenn Patterson and Paul Brown.

The ninth member of the sectional picture is also the only school outside the county boundary, Conneaut Lake. Alan Wolf, Conneaut Lake coach, started practices last week with about 30 candidates but has only two lettermen back. Conny Bossard and John Curry are his only returnees.

A third letterman who had been elected captain of the Lakers and who was counted on to be one of the consistent winners, is out for the season due to a summertime injury. Harold De Armet is still recuperating after having been pierced through the stomach with a broken ski pole.

Two other Class B schools are entering the wrestling picture for the first time in Crawford County. They are Saegertown and Cambridge Springs. Their sectional affiliations have not yet been determined.

Rules for professional boxing take place in an area no less than 18 nor more than 20 feet square.

RAIDER CAPTAINS READY—Reynolds High School will make its basketball debut with many boys who were members of the former Fredonia-Delaware High School squad. Pictured above is the Raider squad. Left to right, front row: Bob Smith, Tom Mowry, Larry Shaffer, Bob Wall, Gary Roberts and John Clark. Back row: Chris Musgrove, Tom Harpst, Ed Small, Ray Eastlick, Larry Jones, Gary Kuhn and Coach Chuck Garrett. (Record-Argus photo).

School Is New, Faces Same at Reynolds Hi

A new school with familiar faces makes its appearance on the county basketball scene this season. The school is Reynolds. The faces are for the most part holdovers from Fredonia-Delaware High which is now a part of the new jointure.

Chuck Garrett, who coached the Fredonia Vocats in their final season, will also run the show for the Reynolds Raiders in their initial campaign. Garrett can count on several boys who, with sheer determination, almost broke even a year ago. They bounced back from what was probably the most dismal season in Fredonia history in 1958-59 when the club won five and lost 18.

A year ago the Vocats won 11 and lost 13 with the deciding game being a playoff for the County Class B title which they weren't supposed to come close to winning.

Two lettermen from that last Fredonia team are heading the first Reynolds club. They are Ed Small and Tom Harpst. Small, with 193 points, was the second highest scorer a year ago and Harpst with 142 was fifth high. Small is a senior and Harpst a junior.

Six other juniors who have had two years experience on the junior varsity team are carryovers from Fredonia. They are Ray Eastlick, John Clark, Larry Jones, Gary Kuhn, Gary Rhodes who will be out for some weeks following a hernia operation, and Chris Musgrove. Tom Mowry, with three years jayvee experience, and newcomers Larry Shaffer, Bob Smith and Bob Wall complete the roster.

The Raiders lack height. Eastlick at 6-1 is the only man above 5-11. Rhodes hits 5-11. At 5-10 are Shaffer, Small, Wall, Harpst and Jones. Mowry is 5-9, Musgrove 5-8, Smith and Kuhn 5-7 and Clark 5-6.

The Raiders will compete only with West Middlesex for the county Class B title but will participate in the four-team county league which includes Class C Jamestown and Commodore Perry in addition to West Middlesex. They will open the season with a home game against Grove City and close out with Sharpville on the Raider court Feb. 28.

Reynolds to Stage Yule Song Show

The 72-member Reynolds High School mixed chorus will present a Christmas concert at 8 p. m. next Tuesday in the school auditorium.

No admission will be charged for the group's second public appearance. Its first program was presented when the new school observed open house last month.

The Christmas program will be comprised entirely of sacred music. Robert Biggart will serve as reader of the Christmas story.

The chorus' director is Mrs. Owen Boyer, director of choral

Reynolds High School Mixed Chorus

music of Reynolds area schools.

Accompanists for the concert will be Virginia Jamieson and Karen Cochran.

Pupils who have feature roles in special concert numbers are Betty McConnell, Sharyn Bear, Virginia Jamieson, Hazel Shel-

hamer, Elaine Needels, Kitty Walkins, Dennis Mong, Dave Hunt, Gary Kuhn and Barbara Amon.

Also Randy Munnell, Dave Mong, Tom Reichard, Lynn Gruver, Robert Dunkerly, Skip Boyer and Craig Steffey.

Reynolds, CP Open Cage Year

The last two teams to open the 1960-61 basketball season hit the hardwoods tomorrow night and one that had been laid off for a night returns to action in headlining contests on the 10-game card.

Commodore Perry, defending District 10 Class C champion, kicks off the season at Townville and Reynolds appears for the first time in a home game against Grove City. St. Michael's off Friday following a mixup with PIAA regulations, hits the road for the first time at Linesville.

Other games have Slippery Rock coming to Jamestown, New Wilmington invading Lakeview, Mercer traveling to Butler, Mohawk coming to Hickory, West Middlesex traveling to Union Twp., Sharon moving to Sharpsville and Farrell playing host to Youngstown South.

St. Michael's has won its only start of the season, whipping Jamestown, Linesville trimmed the Jamestown boys in its first start but fell before Erie Prep in the second outing for a one and one slate.

Commodore Perry's first foe, Townville, nipped Union City to open the season. Reynolds opens up against a Grove City five that rolled past Jamestown Friday in its first outing.

Slippery Rock, the Jamestown opponent, was stung by Neshannock Friday in its first game of the campaign while Jamestown has lost three in a row. Mercer stumbled against New Wilmington, losing by one point and takes on a Butler team that bowed to North Hills Friday night.

Hickory, fresh from a big win over Beaver Falls, takes on Mohawk which is making its first start of the season. West Middlesex, an overtime loser at Lakeview Friday and an opponent of New Wilmington Saturday, travels to Union to meet the Scotties who rapped New Brighton in their opener Friday.

Sharpsville, a loser twice on the road to Conneaut Valley and Meadville, faces a Sharon team that slaughtered Youngstown East. Farrell will shoot for its second in a row against Youngstown South.

Reynolds Rallies for 65-58 Win

Reynolds, after a slow start last night, came rolling back in the second quarter to get out in front of Rocky Grove and set sail for a 65-58 victory, the second in two games for the Raiders.

Rocky Grove shot out to a red hot 22-12 lead in the first period but chilled in the second and the Raiders moved to a 31-26 halftime edge. They saw the home team battle back to tie it up at the end of three, 43-43 but the deadlock lasted only briefly. Reynolds ran off with a 22-15 fourth to lock it up.

Ray Eastlick with 21 points, and Tom Harpst with 18 paced the winners.

Rocky Grove took the Junior Varsity game, 52-35.

Reynolds Trips Grads by 10 in Annual Contest

Reynolds High School's varsity had too much for the alumni last night and came away with a 42-32 victory over the grads of Fredonia High.

The varsity led from the start taking a 9-4 edge in the first, holding the same margin at the half, 21-16, and pulling away in the second half.

Eddie Small with 12 and Ray Eastlick with 10 were high for winners. Shipton's 16 led the A.

Raider Five Victor Over Blue Devils

Reynolds Raiders raided Sharpsville last night and came out with the Blue Devils' number for a 51-41 victory. It was the third win for the unbeaten Raiders and the Blue Devils' fifth consecutive loss. They have yet win.

The margin of victory was built in a 17-4 first period. Sharpsville took the two middle quarters to whittle the margin to seven, 38-31 but Reynolds regained command in the final period to up the difference to 10 at the bell.

Sharpsville outgunned the Raiders from the field, 20 to 17, but the winners pumped in 17 of 30 free throws while Sharpsville got only one of seven.

Tom Harpst was high for the Raiders with 22 points and Eddie Small whipped in 18. Carmen Argenziano had 14 for the Blue Devils and Terry Bilkey followed with 10.

Sharpsville took the Junior Varsity verdict, 44-29.

Reynolds Trips Greenville With Strong Fourth, 47-40

Three field goals in the first two minutes of the fourth period gave Reynolds High School its fourth straight win of the current basketball season last night, a 47-40 decision over visiting Greenville High.

The two clubs went into the final period in a 35-35 deadlock thanks to a sudden rally in the late stages of the third by the Trojans who dropped their fourth without a victory.

Eddie Small and Tom Harpst tallied first for the Raiders to open the last quarter on a pair of well executed pick and drive plays. Big Ray Eastlick tapped in the third and that was the ball game as the Raiders then owned a 41-35 advantage.

Greenville's offense, which came alive late in the third, died

moved out to a 35-29 edge with a minute and 10 seconds remaining in the quarter.

In that final 70 seconds Marlin Smith hit two from outside, McGranahan swished from the side, Smith posted a free throw and the Trojans were even 35-35.

But the Raiders dominated the fourth quarter from start to finish. They tightened up their defense and shut the visitors out with few shots from the floor.

Greenville's defense outshined the offense with Speight turning in an excellent job on Harpst who had been averaging 16 points per game. He got the lone field goal and two fouls in the first half.

The victory may have cost the Raiders, however, with an injury to Harpst late in the game. Coming off a layup with a minute and a half left to play, the Raider ace injured a knee and was carried from the floor. The seriousness of the injury was not determined at this writing.

Reynolds completed a sweep of the two games by winning the Junior Varsity contest, 45-24.

Physicians detained him in the Greenville Hospital overnight but he was expected to be released today and ready to play in the near future.

again in the fourth and the Trojans failed to connect from the field. Their only tallies came on five foul shots, all by John Scullin who missed but one.

It was a tight ball game from the start with both teams having the lead before the issue was finally settled. Jim McGranahan's free throw started the scoring and gave the Trojans a 1-0 lead.

Reynolds Smashes Irish Win Streak; Takes 61-34 Victory

St. Michael's collapsed in the second half as Reynolds ran up a 31-12 edge in the scoring to nail its sixth win of the basketball season and end the Irish win streak at six.

Reynolds has dropped two while winning six. The loss for the Irish was the third against seven victories.

A tight first quarter in which St. Michael's took an early lead preceded the rout in the third and fourth periods in which Reynolds opened up a big lead and cinched the victory.

St. Michael's led at the start 2-0, 4-2 and then 7-4 before the Raiders gained control and worked out a 16-14 lead at the end of the quarter. Reynolds pulled further away in the second period and built a 30-25 lead by intermission.

The Irish were still within reach when the third opened, by Reynolds opened up a strong attack and the Irish went cold. The Raiders built up a 19-2 bulge in the quarter for a comfortable 49-27 lead at the end of three.

Ed Small and Ray Eastlick were the top gunners for the Raiders. They each had 16 points for the night. It was their scoring in the second quarter that got the Raiders going. Each hit for six in the stanza to account for 12 of the 14 Reynolds points. Gary Kuhn had eight of the Raiders' 16 in the first. Joe Burns paced the Irish in their first period rush with all seven of his night's points. Tom McKay was high for the Irish for the game with 14.

Reynolds also won the Junior Varsity contest, 47-30.

Reynolds Snaps Mikes' Six-Game Winning Streak

Coach Chuck Garrett's hot shooting Reynolds Raiders had too much strength for St. Michael's while walking off with a 61-34 victory Tuesday night at Reynolds.

The Raiders poured 25 field goals through the nets while making 11 free throws. The Mikes, who went into the contest with a six-game winning streak, made 13 baskets and eight conversions.

Reynolds held a slim two point 16-14 edge at the end of the first quarter and an eight-point 30-22 lead at halftime. The Garrettmen banged in 31 more points in the last half to coast to victory—their seventh favorable decision in nine outings. The loss was the third in 10 appearances for the Mikes. Ray Eastlick and Ed Small had 16 points apiece to pace the winners. Tom McKay led the losers with 13.

Reynolds Jayvees topped St. Michael's Jayvees 47-30 in the preliminary.

Hickory Remains Unbeaten Wins 62-50 Over Reynolds

Hickory ran its victory string to 13 last night when it traveled to Reynolds High School for a 62-50 win.

The defeat may be doubly disastrous for the Raiders who lost the services of their top player in the final minute of the contest. Tom Harpst reinjured his knee

and had to be carried from the floor.

The exact extent of damage had not been determined and it was not known how long he will be out of action.

Ed Small was top scorer for the Raiders with 13 points and was followed by Harpst who had 10. Fred Greene with 16 was high man for Hickory which remains Mercer County's only undefeated team.

The contest had been tied at three occasions but Hickory managed to outscore the Raiders 20-11 in the final chapter to wrap up the victory.

Reynolds will play at Greenville on Tuesday.

Hickory's victory over Reynolds was a significant one for the Raiders. The loss was the third in 10 appearances for the Mikes. Ray Eastlick and Ed Small had 16 points apiece to pace the winners. Tom McKay led the losers with 13.

Reynolds Upends Big Reds To Close in on "B" Crown

C. P. Drops 67-42 Game To Raiders

Reynolds stamped its big "R" on the County Class B-C League title last night with a decisive 67-42 win over Commodore Perry's Panthers at Commodore Perry. The victory left the Raiders unbeaten in three league games while the loss came after two Commodore Perry loop wins. Overall Reynolds is eight and three, Commodore Perry seven and six.

Reynolds broke away from the Panthers late in the first period for a 14-10 lead and was in command of the ball game the rest of the way. It was 28-18 at the half and 46-26 after three.

Ray Eastlick dumped in 20 points to pace the Raiders and Tom Harpst had 14. Newt Reash was the only Panther to hit double figures with 15.

Reynolds also took the Jun or Varsity clash, 34-20.

Deadly accuracy at the foul line, tight defense, outstanding rebounding, ball hawking and general hustle were the ingredients that went into Reynolds High School's 44-38 victory over West Middlesex last night.

By virtue of the win Reynolds has clinched a share of the county Class B title. It needs only a repeat win on the Big Reds' floor to lock up the championship and earn a spot in the District 10 playoffs.

Surprisingly, Reynolds was out-shot from the field by a margin of five field goals. The Raiders had to and did make up the difference at the foul line where they hit 18 of 24 attempts. West Middlesex had eight opportunities and cashed in two.

It was Ray Eastlick's unerring eye at the charity stripe in the fourth quarter that kept the Raiders in front when West Middlesex was beginning a late comeback. Eastlick went to the stripe for four in a row to open the period and came up with two more later to run the lead out to 36-27.

Gary Kuhn chased in four of the last six Reynolds points when he went four for four at the foul line. They were Kuhn's only four tries. Overall Eastlick had a perfect night with nine-for-nine and Tom Harpst converted his only two attempts.

West Middlesex led early 2-0. Reynolds tied it up with two minutes gone. The Big Reds took a 4-2 lead with two minutes to go in the period but the Raiders moved in front 5-4. Rich Hoffman's sensational 55-foot shot at the buzzer put West Middlesex in front 6-5.

Harpst hit two straight from the field to open the second period. His third field goal of the quarter with two minutes to play in the half put the Raiders in front 14-13. Bob Davis gave the lead back to West Middlesex but Eastlick got it right back for the Raiders with his second and third free throws. Ed Small's jump came ahead of Herb Groce's field goal for the Big Reds and Reynolds had an 18-17 halftime edge.

Reynolds opened the gap in the third to 30-23 and Eastlick's four foul shots ran the margin to 34-23 early in the fourth. With Herb Groce and Rich Houy leading the way the Big Reds struck back. Houy's third goal of the quarter with 40 seconds to play chopped the Raider margin to 40-36 but that was as close as the losers were to get.

Reynolds now owns a seven and two record for the year while West Middlesex stands at four and seven.

Reynolds came from behind in the final minutes to win the Junior Varsity game before the jam-packed house, 34-33.

Reynolds Hands Greenville 44-35 Defeat on GHS Floor

Reynolds High breezed to its ninth victory of the year and second over Greenville last night by a 44-35 count on the Greenville floor. The winning Raiders have lost five. For Greenville it was the 15th defeat against one win.

Greenville led only once in the ball game, at the very outset. Gene Speight pumped one through from the end line immediately

after the tipoff and the 2-0 edge was the Trojans' only advantage.

Ray Eastlick tied it up a few seconds later for Reynolds with a tally from underneath and Eddie Small drove through for a layup with a minute and 40 seconds gone to send the Raiders into a lead they never gave up.

Eastlick's and Small's goals were the first four of 10 straight points racked up by the winners as they moved to a 10-2 lead before Jim McGranahan hit from outside for Greenville. Small and Chris Musgrove tallied at the close of the period and the Raiders held a 14-4 lead.

Jamestown Is Trimmed At Reynolds

Reynolds hung a 76-31 defeat on Jamestown last night as the two teams opened County Class B League play on the Reynolds floor. The winning Raiders stand with five wins and two losses while the defeat was the 12th for the winless Muskies.

It was no contest as the Raiders jumped out to a 19-11 lead in the first period, moved out to a 34-22 bulge at the half and ran away from the Muskies in the second half with a 42-9 edge in the scoring.

Gary Kuhn's 18 points topped the Raiders who had 11 men in the scoring column. Dennis Ross accounted for almost half of the Jamestown total with 15.

Reynolds also took the Junior Varsity contest, 48-27.

Conneaut Valley Wins Mercer Crown

Once-beaten Conneaut Valley holds the championship of the Mercer Tournament after turning back Panama, N. Y. 57-47 in the finals at Mercer High Gym Thursday night.

Mercer won the consolation contest by defeating Reynolds 57-50.

The veteran Conneaut Valley quintet overcame a 19-15 first quarter deficit with an 18-point output in the second period to go out front to stay. The Indians, who are coached by Keith Nicolls, former Mercer coach, led 33-27 at the intermission. They took the lead for good 25-23 on a pair of free throws by Paul Heaster. Conneaut maintained a six-point advantage 43-37 at the three-quarter mark and held off the New Yorkers, piloted by Jim McElrath, ex-Mercer High star, in the last period. The victory was the eighth in nine games for the Crawford County five, whose only loss went to Erie Tech 71-70 earlier in the season.

Jim Komara led the Valley assault with 18 points. Randy O'tander, Panama's 6-6 star, who was named most outstanding player in the tourney, had 22 points for the losers. The defeat was the second in seven games for Panama.

Mercer won its game at the foul line after both clubs finished with 21 field goals. The Mustangs converted 15 of 20 free throws while the Raiders hit on eight of 15.

Wendell Zigo was the big man for the consolation winners, getting 23 points with 10 field goals and three fouls. Gary Kuhn had 17 to set the pace for Reynolds which lost its second game after winning five straight. Mercer's victory was its third in nine starts.

Mercer took the lead for good in the third quarter when center John Harbison made a field goal to break a 33-33 tie.

Most valuable player awards went to O'tander of Panama, Komara of Conneaut Valley, Kuhn of Reynolds and Zigo of Mercer. Mercer cheerleaders also won an award.

Raiders, Mercer In Consolation

Mercer County's two entries in the Mercer tournament last night will meet in the consolation finals tonight after losing opening round games to invading teams.

Reynolds was the first to go losing a 58-53 decision to Panama. N. Y. Mercer went down second in a slam bang affair with Conneaut Valley, 83-72.

Reynolds and Panama went into the fourth quarter in a dead heat, 34-34. They locked up again at 36-36 and once more at 38-38 before Panama opened up a 43-38 lead after running in seven straight points. The winners maintained their margin the rest of the way.

Reynolds, playing without ace Tom Harpst, battled to an 11-10 first period lead but dropped back at half time to a one-point deficit, 25-24. With Ray Eastlick and Eddie Small leading the attack the Raiders pulled even in the third but couldn't match their tall competitors coming down the stretch.

Randy O'Tanner, 6-6 giant for Panama, led the fourth quarter assault with 11 of his 28 points to sink the Raider ship. Bruce Berthold, whose long one-hander mapped the last deadlock, was second high for the winners with 2. O'Tander had board help from Don Swanson who goes 6-4. Eastlick had 16 and Small 11 for the Raiders.

Mercer and Conneaut Valley played a race horse ball game in which the lead went over to the Indians in a big second period. They held on the rest of the way. Fouls dominated the early part of the game with half of the first period scoring coming at the foul line. Conneaut Valley collected 10 singletons and Mercer picked up eight in the opening eight minutes.

The winning Indians nudged into a three-point lead with about two and a half minutes left in the first half, then blew it open with nine straight points. Mercer gained a point in a wild thrd in which 45 points zipped through the cords, 18 in the last two minutes. The Mustang rush came after the Indians had pulled out by 16.

Mercer continued to press in the fourth and Bill Harbison's driving layup hauled them to within four, 67-63 with 5:45 left. However the Indians chased in the next eight points to get out of danger.

Mercer outshot the Indians from the field with 30 field goals to 29 but fell down at the foul line where Conneaut Valley hooped 25 of 34 while the best the Mustangs could do was 12 of 25.

Wendell Bigo, sparkplug of the Mustang attack, hit a hot streak in the fourth during which he cashed three in a row from the corner and a pair of fouls to account for eight of his 27 points. Wayne King had 15. Dave Dunlop spearheaded the Indian attack with 28 points. Jim Komara was close behind with 20.

Reynolds and Mercer will go in the preliminary game tonight

with Panama and Conneaut Valley slated to play for the title.

Reynolds Joint Board Plans Cons To Build Elementary School

Goes

By Coe Orben

GREENVILLE — Just three months after the opening of the new \$2-million Reynolds Area Joint School, the area school board has started plans for the erection of a new elementary school.

At a regular meeting Wednesday night, the 20-member board and led the entire quarter 15-15.

The winning Indians finally took control early in the second. Dave Dunlop got them even at 21-21 and Jim Komara tapped one in to put them in front 23-21. Randy Otander of Panama locked it up again at 23-23 but Paul Heaster came back with a pair of fouls and the Valley was on top to stay. Komara had 18 points to pace Conneaut Valley and Otander led Panama with 22.

In their preliminary game, Mercer and Reynolds fought it out on nearly even terms until the final six minutes when the Mustangs built their winning margin.

Reynolds, which had trailed from late in the first quarter, pulled even at 33-33 when Eddie Small dropped one through. John Harbison, however, scored for Mercer to break the tie almost immediately. Wendell Zigo and Sproat also hit for the Mustangs for a 39-35 lead and they were in command the rest of the way.

Zigo, who was a thorn in the side of Panama on opening night with 27 points, came right back for 23 more last night. He kept the Mustangs in the ball game during the first half with 15 of his total. During that time he missed but three attempts from the field.

Gary Kuhn dropped in 17 to pace the Raiders while Small came along with 12 and Ray Eastlick with 10. Bill Ferrence and Wayne King each had 12 for the Mustangs.

Otander was named most valuable player at the tournament. Gary Kuhn was voted Reynolds mvp while Zigo got the award for Mercer and Komara won it for Conneaut Valley.

voted to proceed in processing the necessary forms to be sent to the state Public School Building Authority.

The action was taken after Carl Welch, supervising principal of the district, announced that the authority had granted a tentative room schedule of six rooms for a new elementary school. Welch

returned from Harrisburg with the news last week and told the board that urgent action on the matter should be taken. It was pointed out that the joint district took over the place for reimbursement held by the Pymatuning Township School Board.

In connection with the matter, the Sharon architectural firm of Hunter, Heiges and Gross was hired as architect for the new school.

John Cutler, superintendent of Mercer County schools, who was a guest at the meeting, reminded the directors that the joint district is presently working under an agreement which states that member districts are to construct their own elementary schools. Therefore, Cutler added, if the joint board proceeds to erect the elementary school, the agreement will have to be altered in some manner.

A committee is to be appointed by newly re-elected board president, Gustav Wall, to study the matter.

In another matter the board heard a report from the newly organized athletic council, which stated that Wade Frampton was elected president of the council at a meeting Dec. 1.

The council also recommended to the board that an intra-mural program be initiated in the junior high school. The board decided to consider the proposal and study it further.

Welch reported that tile drainage lines have been installed in the area where a football field is being constructed. After hearing the report the board voted to advertise for bids for supplying sand for the field.

In other matters the board:

—Granted a contract to the Scott Electric Co. of Greenville for supplying an automatic clothes washer and dryer for the cafeteria of the school. The firm's combined bid of \$350 was chosen over a bid of \$408 submitted by Heiges Brothers of Sharon.

—Approved a report from a dedication committee which recommended that the dedication of the new school be held in late February, or early April. Included in the report was an official program for the dedication ceremony.

—Voted to pay bills for November totaling \$0,972.67.

Consolation Win Goes to Mercer

Conneaut Valley, Panama, N. Y., Mercer and Reynolds finished in that order in the Mercer tournament last night as the Valley handed Panama a 57-54 defeat and Mercer got by Reynolds 57-50.

Conneaut Valley had to come from behind after Panama had run up a 19-15 lead in the first period. Panama got off in front and led the entire quarter with the exception of ties at 3-3 and 15-15.

The winning Indians finally took control early in the second. Dave Dunlop got them even at 21-21 and Jim Komara tapped one in to put them in front 23-21. Wrestlers Resume Action on Area Mats With Four Matches

Wrestling breaks the holiday lull tomorrow night and heads into the final stretch before tournament time. Four matches are on tap around the area with seven of the section's nine teams in action. West Middlesex and Jamestown are idle.

One of the matches to be watched will be out at Reynolds where the Raiders make their first start against Hickory. The visiting Hornets come into the match undefeated but pressed. They walloped Cochran in the opener and trounced Warren Harding the third time out. But in between was a 34-19 win over Jamestown including two forfeits and after the Warren romp a 31-19 victory over West Middlesex in which one forfeit was registered in favor of the winners.

Raider coach Dick Sherwood will call on several boys who have performed for Jamestown and Greenville High Schools in previous years. The list includes Ralph Grady of Jamestown and Larry Uber of Greenville, both standouts at their former schools.

Grady will not show in the opener due to weight problems but Uber will be in at 127 pounds. Others who got their initial training at Greenville and who will be in the Reynolds lineup are Mark Reichard, a sophomore at 112; John Moffett, a junior at 165; and Bill Blake, a freshman at unlimited.

Other Jamestowners who will go for the Raiders are Terry Groover, a junior at 133; Glenn Preston, a junior at 120; and Stan McCright, a senior at 180.

Rounding out the lineup are Jerry Humphrey 95-pound freshman, Chuck Olinger a 103-pound sophomore, Bill Craig, junior at 138, Everett Drivere sophomore at 145 and Frank Fenton, 154-pound junior.

Greenville will be at Commodore Perry in their annual battle. Commodore Perry has an edge in

the season's records with three wins in four matches while the Trojans of Greenville show two wins in three outings plus a second place finish in the Greenville week.

C. P.'s Panthers rolled over New Castle to open but then had trouble with West Middlesex before touting Saegertown. After a loss to Titusville they bounced back with an easy victory over Townville.

Greenville opened with a loss at Maple Heights, O. but then trimmed Franklin and Jamestown prior to the tournament which Shaler High copped by four points 86-82.

Lakeview and Grove City will tangle at Grove City where the host Eagles will be making only their second start of the year. They buried Cochran in the opener. Lakeview, on the other hand, had a busy December, winning two (New Castle and Townville), losing two (Jamestown and Conneaut Lake) and drawing one (West Middlesex).

Conneaut Lake and Cambridge Springs go in the fourth match on the Thursday schedule. The Lakers have breezed by three foes this far, none of which are rated strong teams. They trimmed Saegertown, Cochran and Lakeview.

Cambridge Springs is a relative newcomer to the mats and isn't expected to offer the Lakers too much trouble.

FUTURE FARMERS OF AMERICA
 REYNOLDS CHAPTER

REYNOLDS TOP FUTURE FARMER—Reed Franz, vocational agriculture instructor at Reynolds High School, congratulates Edward Redzinak, who carried off most of the top awards presented last night at the first annual banquet of the Reynolds chapter of Future Farmers of America. (Record-Argus photo)

Redzinak Wins Top Honors at First Reynolds FFA Banquet

A Delaware Township future farmer reaped a bumper crop of agriculture awards last night at the first annual FFA parent-son banquet of Reynolds High School.

Altogether, a total of 14 citations were presented to Edward Redzinak, son of Mr. and Mrs. Henry Redzinak, Hamburg Road. In addition to several Reynolds FFA chapter awards, Redzinak received others on state, area and countywide levels.

Mercer-Venango County area awards and state awards were presented by David Shontz, area supervisor of vocational agriculture.

A state farming program record book bronze medal, as well as area awards for corn, beef cows, beef heifers and oats, went to Redzinak.

Winners of gold medals for farming programs were Redzinak and Lawrence Loutzenhiser. Ronald Babcock won a silver medal in the category.

Redzinak also was presented the cash award provided by the Production Credit and National Land

Bank Association for the most outstanding farming program in Mercer County. He also received the DeKalb agriculture accomplishment award, consisting of a certificate, pin and his name inscribed on a plaque presented to the school.

Penn Power Honors Four

Farm electrification pins presented by Robert A. Knight, Mercer County division manager of Pennsylvania Power Company, went to Redzinak, Loutzenhiser, William Craig and Richard Cullen.

Future Farmer of America Foundation, Inc. awards for outstanding work went to six members of the Reynolds chapter.

Five of these were won by Redzinak for excelling in farm mechanics, livestock farming, dairy farming and crop farming. He also was named the star chapter farmer.

FFA Foundation awards for soil and water management and farm safety went to Loutzenhiser. Star greenhand awards went to Ralph

Drew, James Friede, Ray Gilliland and James Schaller.

Special tribute was paid to Raymond Bost, high school principal, for his interest in and promotion of the FFA program. He was presented the FFA honorary chapter farmer degree.

The program included a talk by Dewey Wagner, of Tionesta, president of the 10,000-member Pennsylvania FFA Association, who congratulated the Reynolds chapter for progress made since receiving its charter last fall.

Special guests included Robert Minor, an alumnus of Lakeview High School who is treasurer of the state association, and William Klumph, of West Middlesex, regional vice president of the state organization.

Redzinak served as master of ceremonies of the program in the school auditorium, which followed the banquet in the cafeteria.

Playing roles in a brief play on the subject of farm safety, entitled "Farm of Broken Men," were Ray Moyer, Gerald Williamson, James Murrin, Ten Menke, James Schaller, LeRoy Baseler, William Bowman, Loutzenhiser and Redzinak.

Participating in a discussion on plant nutrients were Larry Sharp, James Schaller, Richard Woods, Ray Gilliland, John Homer, Wesley Palm, Ralph Drew and James Friede.

Presents Chalk Talk

Lloyd Roberts presented a talk on General John Fulton Reynolds, from whom the school and FFA chapter derive their name.

FFA addresses were by Ted Menke and Ray Moyer. Anthony McElhinney described the chapter program of work. An explanation of the FFA emblem was by William Bowman. Recitation of the FFA creed was by Ralph Drew.

Arrangements for the banquet were directed by Reed Franz, vocational agriculture instructor.

Lakeview Wins Over Reynolds In Final Minute

The Lakeview Sailors, with Heckman providing two vital field goals in the closing minutes of action, upset Reynolds, 47-45 last night in a game at the Lakeview court.

With the score tied at 40-all, Heckman clicked on two straight goals to clinch the game. Reynolds tallied its last goal at the final buzzer.

The action was nip and tuck until that point, Reynolds breaking on top, 15-12, at the end of the first period, Lakeview coming back to hold a slim 26-25 halftime advantage and the score being tied 33-33 at the end of the third session.

The Sailors now have won six of 13. The defeat was Reynolds fourth in 14 games.

Grove City Dealt Loss By Raiders

Reynolds High beat down Grove City's Eagles last night for a 60-46 victory at Grove City. The winning Raiders broke a 16-16 tie at the end of the first period and went on to their 14th win in 21 games. They close up regular season play next Tuesday. Grove City is 6-16.

A 13-4 third quarter turned the game the Raiders' way. It came on top of a 29-22 halftime lead and gave the victors a 42-26 edge as the fourth opened. Dan Chanadet finished with 16 to pace the losers while Ed Small collected 15 and John Bresnan 10 for the Raiders.

Grove City took the Junior Varsity test, 40-28.

Raiders Go Down Before Ft. LeBoeuf

Fott LeBoeuf handed Reynolds High School its third loss on the mats last night by a 37-11 score. The losing Raiders went without Paul Grady and Terry Groover, regulars at 120 and 133, who were bed with flu.

Art LeBoeuf won all but three bouts of the 12. Larry Uber, Bill Craig and Bucky Moffett were the only Raider winners. Uber won at 127 on a default when his foe gave in to figure-four punishment. Craig took a 7-4 decision at 138 and Moffett was a 6-2 victory at 165.

Reynolds will be in action again Friday, Feb. 10 when the Raiders take on the Greenville Junior Varsity at Greenville.

The results:

Hornets, Raiders Can Cinch Titles

After Tuesday's general reversion to nonleague competition, Mercer County high school teams hit the league trail again tomorrow night and once again several are faced with must games.

All 13 teams will be in action and for the first time this year all 13 will be engaging league opponents in the five leagues represented within the county's boundaries.

Two Can Clinch

Hickory and Reynolds are the only ones which have an opportunity to lock up league crowns. Hickory's will mean a spot in the District 10 Class A playoffs while Reynolds will shoot only for a County Class B-C League crown. The Raiders must take on West Middlesex in a county playoff for the berth in Class B playoffs. However, they can assume the crown in the mixed loop with a victory.

Hickory goes in against Sharpville after losing its first game of the campaign at Meadville Tuesday, 60-58. The Hornets had won 17 in a row prior to the Meadville setback. Five of the 17 wins were in County Class A League play. Sharpville's Blue Devils are the only team in the county with a chance to overhaul the Hornets and their chances don't look good. Sharpville has lost 14 of its 20 games including a 60-31 pounding handed out by Hickory in their first meeting.

C. P. Seeks Revenge

Reynolds will host Commodore Perry seeking a second win over the Panthers who have won three of five in the County B-C race. Reynolds has a 4-1 league record. This is the final loop game for both. A win for the Panthers will likely throw the league into a three-way tie with West Middlesex joining the Raiders and Panthers with identical 4-2 logs. West Middlesex needs a win at Jamestown to boost its mark.

Commodore Perry was handed a 67-42 drubbing in the first test with the Raiders but hopes to reverse the decision on the Reynolds floor. Over the year C. P. is 10-9 while the Raiders are 11-7. Perry has already cinched the County Class C title.

Big Reds Driving

West Middlesex should have little trouble taking Jamestown in the other half of the B-C League slate. The Muskies, despite the efforts of their high scoring duo Dennis Ross and Sam Cupps, have lost all 21 games including a 57-39 verdict in the first duel with the Big Reds.

West Middlesex, probably the most improved club in the county over the season, has reeled off a string of six straight wins to boost its season's mark to 10-8.

A second County Class A League tussle will send Greenville to Grove City in quest of its second win over the Eagles, a repeat of its only success of the campaign. Aside from the 58-56 nod over Grove City the Trojans have been on the losing side in all other 18 games.

Could Get Third

Grove City has a 15-15 record and is winless in league play. Greenville has lost four within the loop. A win will clinch third for the Trojans while a loss will leave the two deadlocked for third.

St. Michael's gets a chance to bounce back from three straight nonleague defeats when Meadville St. Agatha's come in to Penna Junior High. The Irish were rolling along at 12-6 before they ran into Linesville, Cochranon and Reynolds. Their showing at Reynolds Tuesday was by far the poorest of the year. In Erie Diocesan League play the Irish have a 6-2 record, good for third place. They whipped the last place Aggies 57-43 in their first meeting.

Big ones are slated in the Tri-County Class B League also with Lakeview at Cochranon and Mercer hosting Rocky Grove. Mercer's position is shaky, even though the Mustangs are resting in second place. Lakeview is all but out of the race but the Sailors are dangerous and could upset the plans of Cochranon's undefeated Cardinals.

Biggest Score

Cochranon still holds its one

game lead in the race over Mercer with a perfect 6-0 league record to the Mustangs' 5-1. Lakeview, 23 has given the Cardinals their biggest scare of the campaign, losing 51-50 on the Lakeview court.

In a race that annually produces upsets, Lakeview's Sailors are cast in a perfect spot to ruin the Cochranon record. The Cardinals have won all 18 games played this season while Lakeview has struggled along to an 8-10 mark playing in a little faster company.

Mercer is faced with another must game. The Mustangs have won two in a row in league play since their lone loss to Cochranon. They have a 5-1 mark to place against Rocky Grove's 2-5 slate. However, the Grove has scoring potential and could prove troublesome. Mercer won the first game with the invader 73-46. Over the year the Mustangs are 12-8 despite a miserable start in which they lost five in a row.

Danger Zone

Perhaps the spot where most attention will be focused tomorrow night is the New Castle High gymnasium where Sharon's Tigers met their Waterloo a week ago. Tomorrow it's Farrell's turn to invade the lair of the Red Hurricanes and Farrell, just as Sharon, last Friday night, needs a victory.

A Steeler win tomorrow will deadlock the Section III WPIAL race with each of the two leaders having one more to play. Aliquippa already has its 9-2 record and has an Ambridge clash next Tuesday. Farrell is 8-2 and can't afford to look ahead to Sharon on Tuesday. The Quips take tomorrow off from league play. Farrell is 16-4 for the year.

Sharon, still with a whisper of a chance, tackles a tamed Beaver Falls quint at Sharon. The host Tigers are 7-3. Beaver Falls will offer a revamped lineup after a pair of dismissals lopped two starters from the squad. Since the cut the Fallsmen have been winless. They are 3-8 in the league. Sharon shows an 18-3 record for the season.

Raiders Win As CP Surge Falls Short

Commodore Perry made a desperate last half rally last night but fell short and went down to its second defeat at the hands of the Reynolds Raiders, 62-54.

The winning Raiders thereby clinched the title in the County Class B-C league with five wins and a single loss. The losing Panthers wound up league play with a three and three mark, good for third place.

Reynolds threatened to trample the Panthers in the first half. They jumped out to a 20-8 lead in the first and by halftime were on top 37-17.

C. P. began the long uphill pull in the third and ate into the 20-point deficit steadily. At the end of the third the Panthers were down 51-39. They continued the drive in the fourth and pulled to within four points with a minute to play, 58-54. Eddie Small canned a pair of free throws and Gary Kuhn tallied from the field in the fading seconds for the Raiders to ice it.

Small wound up high man for the winners with 21. Chris Musgrove had 14. Dave Cook piled in another 22 for the Panthers who got 11 from Bruce Adzima.

Reynolds notched a 45-33 win in the Junior Varsity clash.

Middlesex Wrestlers Nip Raiders

West Middlesex repeated its earlier 24-17 win over Reynolds High wrestlers last night with a 23-15 victory. It was the fourth consecutive win for the Big Reds who stand with four wins, six losses and a draw. Reynolds dropped its fourth against three wins.

West Middlesex swept four straight decisions from 133 pounds through 154 to take a commanding 18-9 lead. Bucky Moffett and Bill Blake fought to get the Raiders back in contention but both had to settle for decisions leaving the Big Reds in front 18-15 going into the final bout. Larry Loutzenhiser, Reynolds outsized heavyweight, was a pin victim of Ron Hawthorne in the second period in the decisive bout.

Prior to the four-bout run for West Middlesex the match had been close. Alan Womer won at 103 and Ted Creighton at 112 for the Big Reds while Dougherty took a decision at 95 and Ralph Grady and Larry Uber scored for the Raiders at 120 and 127.

The results:

95—Dougherty (R) decided Witzigman (WM) 4-0

Raider Win Closes Out Mat Season

Reynolds High School concluded its first westling season last night with a respectable .500 record, winning four and losing four. The Raiders posted a 32-11 victory over Saegertown to close out the campaign.

Reynolds had a clean sweep in sight as the Raiders marched through the first 10 bouts without a loss. But the visitors salvaged the final two to avert the white-wash.

Bucky Moffett nailed the only Raider pin, a second period job at 165, pounds. Jerry Humphrey, Chuck Olinger, Mark Reichard, Ralph Grady, Larry Uber, Terry Groover, Everett Drivere, Bill Craig and Loutzenhiser had posted decisions prior to Moffett's pin.

The results:

95—Humphrey (R) decided Gerhart (S) 6-2

Reynolds Sweeps Series With Jamestown 66-43

With 10 cagers making the scoring column the Reynolds Raiders had little difficulty sweeping their two-game series with Jamestown 66-43 Friday night on the home court.

Setting the pace for the winners were Eddie Small, Ray Eastlick and Larry Shaffer, each of whom netted 10 points. Sam Cupps scored 17 in a losing cause for the winless Muskies.

Coach Chuck Garrett's Raiders outscored the Muskies 23-20 in field goals while also converting 20 free throws. Jamestown made three fouls while going down to its 18th straight loss of the season.

Reynolds barged out to a 15-6 lead at the end of the first quarter and stretched its lead to 15 points 30-15 at the half after outscoring the Muskies 15-9. The Garrettmen led 47-25 at the end of three periods of play. It was the 11th win in 16 starts for the Raiders.

Reynolds Jayvees downed Jamestown Jayvees 33-19 in the preliminary.

Raiders Dump Irish For Easy 52-28 Win

Reynolds High's Raiders smothered the Irish of St. Michael's last night 52-28 for their 11th win of the basketball season against seven losses. The defeat for the Irish was ninth against 12 wins.

In rolling to their second decision over the Irish, the Raiders did not need to play one of their better games. In fact it was well into the second period before either team showed real strength and

then Reynolds went to work to build a 10-point lead by halftime. During the second half Reynolds had it all its own way as St. Michael's never mounted any kind of an offensive threat.

Both teams found a bucket hard to come by at the start. John Bresnan put the first one through for the Raiders after three minutes of play had elapsed. Chris Musgrove drove in for

another and Bresnan hit his second to give the winners a 6-0 lead.

Five minutes passed before St. Michael's finally connected. Joe Ceremuga got the first. His brother Mike followed with another and John Cascio collected a point at the foul line to close the gap to 6-5.

After Bresnan cashed in a free throw and Musgrove tallied on a field goal, Tom McKay got the Irish back in contention with a three-point play of a fine drive. It left Reynolds with a 9-8 quarter lead.

St. Michael's was never to get that close again. Ray Eastlick opened the second half for the Raiders with a field goal and Larry Jones converted a foul shot. Mike Ceremuga broke the ice for St. Michael's in a seven-point quarter with a foul but Jones and Gary Kuhn reeled off consecutive goals and Reynolds led 16-9. Mike Ceremuga made it 16-11 with a field goal before the end came.

Three straight hits from the field by the Raiders, with John Clark getting two and Bresnan one, spread the score by 11 points 22-11. Reynolds eventually took a 25-15 lead into the second half.

Neither club got an offense rolling in the early portion of the third period and the score rose to 30-20 with the Raiders maintaining their 10-point spread. With the quarter half gone, however, Reynolds opened at attack that accounted for nine straight points. They finished with Jones' field goal after Tom McKay hooped a free throw for the Irish and led 41-21 at the end of three.

Nine more in a row to kick off the fourth period buried the Irish deeper in the hole, 50-51. They managed to outscore the Raider second stringers in the closing minutes of the ball game, 7-2.

Reynolds had seven men assist in the scoring with none getting past nine. Kuhn and Bresnan each collected nine while Jones and Musgrove had eight each and Clark and Eastlick came in with seven each. McKay had 10 to top the Irish and Joe Ceremuga notched nine.

Reynolds swept the night with a 31-24 decision in the Junior Varsity contest.

Trojan Jayvees To Host Raider Matmen Friday

Wrestling activity around the section drops to a single match tomorrow night with Reynolds taking on the Greenville Junior Varsity at Greenville.

The visiting Raiders will be making their sixth appearance of the season. They have won two and dropped three, losing the last two in succession. Greenville's Jayvees have been in action only once, losing a 42-12 verdict at Cambridge Springs a week ago.

As a special preliminary to the match, Penn Junior High School's seventh and eighth grade grapplers will hold their final eliminations for spots in the seventh and eighth grade tournament coming up Feb. 18 at GHS. Preliminary action will begin at approximately 6 p. m.

Student Hoax?

Investigate Bomb Scare At Reynolds

Police and school officials investigated a reported bomb hoax at Reynolds High School yesterday morning before classes started.

Principal John Bost said that a call telling of a bomb planted in the senior high school had been received at the Transfer Elementary building.

He said he reported the incident to the State Police and Pymatuning Township Police Chief John Bross, who with school personnel conducted a thorough check of the vital areas in the building.

They decided that from the nature of the call and the fact that they found no bomb the classes would be continued on schedule.

All precautions for the safety of the pupils and employes were taken before the classes were opened, he said.

Bost attributed the call to a youngster who had disguised his voice.

The 1960-61 basketball season is rapidly rolling toward a climax and Friday night's action will hasten the day of decision for more than one ball club.

Crucial contests are slated in Section III of the WPIAL, the Tri-County Class B League and the County B-C League. When the firing is over title may be clinched, hopes raised and anticipations dashed.

Steeler Must

Farrell is one team which may see its drive for retention of a crown shattered. The Steelers will be at Aliquippa. They will be looking for more than revenge for a 73-58 shellacking the Quips handed out on the Farrell court Jan. 13. At stake is Farrell's shot at the Section III crown. A loss will virtually finish the Steelers as contenders. A win will put them in a virtual tie for the lead, a half-game off the pace.

Aliquippa's 8-1 record is tops in the circuit. Farrell's 6-2 is good for third behind Sharon's 7-2. Providing the Steelers get past Aliquippa they will have games with Ambridge, New Castle and Sharon remaining in the must column. Aliquippa has only Ellwood City and Ambridge to go.

Sharon vs. 'Canes

Meantime Sharon will be trying to keep pace with a win at New Castle, a winner of only one game in eight in league competition. Aside from Farrell, the Tigers will have only Beaver Falls remaining on their league state.

But the Farrell-Aliquippa contest is only one of several key clashes coming up tomorrow. Decisions on County Class B and Class C championships may be reached providing Reynolds can get by West Middlesex and Commodore Perry can trip Jamestown.

Reynolds and West Middlesex are the only contenders for the County B title. They met once before with the Raiders taking a 44-38 decision. A repeat for the Reynolds quint will put them in District 10 postseason playoff competition. A win for the Big Reds will force a playoff game for the county crown.

C. P. Can Clinch

The same situation exists in the County C circle where only Commodore Perry and Jamestown compete. Commodore Perry's Panthers whipped the Muskies the first time around 71-44 but have to repeat that success to reach the playoffs. A loss to the Muskies will necessitate a third game between the two to determine a county king.

All four teams operate in the County B-C league for local hon-

ors. In that organization Reynolds has a 4-0 record, West Middlesex and Commodore Perry are 2-2 and Jamestown is 0-4. Over the year Reynolds is 10-6, West Middlesex 9-8, Commodore Perry 8-9 and Jamestown 0-19.

Sport for Thrills

Possibly the best game of the night will be played on the Lakeview floor where the county's two entrants in the Tri-County Class B loop hook up. The host Lakeview Sailors will face Mercer's Mustangs in what is regularly an excellent contest.

Both are chasing undefeated Cochranon in the league race but at the moment Mercer is in a better position to catch the Cardinals than is Lakeview. Mercer has lost one of four in the league while Lakeview has split four down the middle. One of the Sailor losses was a 60-53 setback at Mercer earlier in the season. Both have lost to Cochranon, Lakeview by one point and Mercer by eight.

Cochranon rolled up its 16th win in an undefeated season Tuesday at the expense of Cranberry to boost its league record to 5-0. Overall Lakeview stands 7-9 and Mercer 10-8.

Two of the "other three" in the County Class A League will play for peanuts at Sharpsville when the host Blue Devils meet Grove City. The Eagles have lost all four league starts while Sharpsville has won three of four, one from Grove City and a pair from Greenville. The Blue Devils have one game to go with Hickory. Sharpsville has already clinched second place while Grove City has a shot at third. Greenville (1-4) is the fourth member of the group. Over the year Sharpsville and Grove City have logged identical 5-13 records.

There is only one nonleague clash on the books for Friday. St. Michael's makes its second straight home appearance against a Crawford County power when the Irish host Cochranon.

Linesville repeated its earlier 25-point victory over the Irish Tuesday and the Cardinals figure to duplicate their 69-36 romp. Undefeated in 16, the Cards are heavily favored to make it 17. St. Michael's, 12-7 will be facing the toughest club on its schedule.

Greenville and Hickory are idle tomorrow as they prepare for the final spurt to the end of regular season action. Greenville has three to go, Hickory four.

Rocky Grove Whips Reynolds To Even Series

Rocky Grove evened its two-game series with Reynolds 53-48 Tuesday night on the Reynolds court.

The Orioles, determined to avenge an earlier 65-58 setback, pulled out all stops while winning their sixth game of season. They've lost five. Rocky Grove spurred to a 14-9 lead at the end of the opening canto and increased its margin to nine points 25-16 at the half. The Orioles continued to hold a nine point edge, 38-29 at the three-quarter mark and then staved off a last period rally to win. The Raiders outscored the Orioles 19-15 in the final session.

Reynolds knotted the score twice, 44-44 and 46-46, in the last period but Rocky Grove went ahead for good on a field goal by John McChesney.

Ray Eastlick led the losers with 15 points. McChesney had 21 for the winners. The defeat was the third in 11 games for coach Chuck Garrett's Raiders.

Reynolds Jayvees won the preliminary 41-35.

Mercer, Farrell Gun for Critical Wins Tomorrow

Ten of the county's 13 basketball teams step outside of their respective leagues to find competition tomorrow night but the two that have league clashes are sitting on hot spots. West Middlesex is idle.

Mercer travels to Cranberry hoping to stay within range of Cochran's Tri-County League leaders. The invading Mustangs have to win to stay in contention. They get a second crack at the first place team Feb. 24 at Mercer.

Cranberry has a relatively soft touch in most of its league games, losing all five played to date. However, the Berries gave the Mustangs fits the first time they met before losing a 61-57 decision.

Cochran, undefeated in 17 over the year, faces Rocky Grove tomorrow in quest of its sixth straight in league play.

Farrell, which came up with the big victory it needed Friday night at Aliquippa, still has to win 'em all to keep pace with the league leading Quips. Aliquippa has a half-game lead over the Steelers with an 8-2 league card to Farrell's 7-2. However, the leaders have an open date Friday and Farrell can square matters then. More important at the moment, however, is the Steeler clash with Ambridge tomorrow. Ambridge upset Farrell the first time around. Aliquippa tackles Ellwood City tomorrow.

Sharon, which is virtually out of it now, faces nonleague Pittsburgh North Catholic at home. The host Tigers, upset victims at New Castle Friday have lost three in Section III, and need help from the league underlings in the way of more surprises if they are to get back in the race.

Elsewhere around the county, Greenville, idle Friday, travels to Lakeview. The invading Trojans have won only one in 18 while Lakeview counts seven wins in 17 games. This is the only meeting of the two this season.

St. Michael's and Reynolds hook up again at Reynolds in a tilt which will be St. Michael's home game. By mutual agree-

ment both games of the home and home set are being played on the Raider floor. The visiting Irish are 12-8 after a loss to Cochran and Reynolds is 10-7 following its defeat at West Middlesex.

Commodore Perry is still hanging at the .500 mark after rolling over Jamestown to clinch the County Class C toga Friday. Tomorrow the Panthers get a crack at Conneaut Lake which came up with a surprising 80-55 triumph over Saegertown. It was Conneaut Lake that handed C. P. its first loss of the season back in December, 42-37. The Lakers sport a 6-11 slate for the year.

Winless Jamestown has but four more games to break the ice. To date the Muskies have lost 20. One of the four is against Fowler, O. tomorrow. The Ohioans handed the Muskies loss No. 19 a week ago, 87-50.

In a preview of what may be the District 10 Class A championship game, Hickory goes to Meadville. The two sectional leaders met once before this year with Hickory taking a 51-50 verdict on its home floor. Going into the game at Meadville the Hornets carry a spotless record showing 17 wins. Meadville has dropped four while winning 16.

In a second Section II-Section III test Oil City will be hosting Grove City in a return meeting. The Oilers grabbed the first 61-47. Grove City has won five and lost 14. Oil City is in fourth in Section II after dividing eight down the middle in league play. Grove City is winless in five Section II clashes.

Sharpville will travel to Youngstown Rayon in quest of its seventh win. The Blue Devils have lost 13.

Raiders Hit Foul Shots, Nip Sailors

Reynolds High used the foul line to get revenge for a loss to Lakeview Last night. The host Raiders hit on 26 of 34 at the charity stripe to more than make up for a six-goal deficiency from the field. Lakeview converted two of the six tries.

Reynolds grabbed the lead early and stayed on top all the way. The Raiders held a 9-6 lead at the quarter and stepped it up to 24-18 at intermission. They outscored the Sailors by three more in the third for a nine-point edge going into the fourth and posted the final three points of the margin in the stretch period.

Eddie Small had 14 and Chris Musgrove and John Bresnan 13 each as Reynolds went with five men all the way. Bob Kroell's 14 and Stan Medberry's 10 lead the Sailors.

Lakeview took the Junior Varsity verdict, 46-27.

Raiders, Big Reds Big Reds Defeat Meet at Farrell Reynolds, 44-37

For the fourth time in the past five seasons Reynolds and West Middlesex will battle it out in a playoff game for the right to represent Mercer County in the District 10 Class B basketball playoffs.

They will meet again tomorrow night at 8 in the Farrell High gymnasium with the 1961 version of the county championship at stake.

Prior to this season it has been West Middlesex vs. Fredonia. The name has been changed as far as Fredonia is concerned but for the most part the faces remain the same. Chuck Garrett's Raiders were almost all a part of the Fredonia club that lost out in the playoff a year ago.

For the most part winners of this two-team scramble have fared well in subsequent playoffs. West Middlesex advanced to the regional finals a year ago before losing to Wampum, the same team that sidelined Fredonia in 1958 after the Vocals had won the county title in a rubber match. Back in 1957 West Middlesex was spilled by Mercer in District 10 play. When the Big Reds took the county crown in 1959 during regular season play they went to the state finals before Kutztown knocked them out.

As usual, the winner of this year's title will be a distinct underdog in District 10 play which will follow.

This will also mark the first meeting of Garrett and Norb Borowicz, the respective coaches, in playoffs. Garrett took over the Fredonia club a year ago from Bud Ebbert while Borowicz is completing his first year after succeeding Jim Marcolivio at West Middlesex. Both were assistants prior to moving up to the head job.

Reynolds will bring a record of 15-7 into the clash while the Big Reds won 13 and lost 9 during the regular season.

In their home and home series each won on its own floor. Reynolds took a 44-38 verdict the first time they met and West Middlesex copped a 57-38 decision in the second meeting. It was the sixth in a season-ending streak of nine straight Big Red wins. The longest win streak put together by the Raiders was a five-gamer to close out the season.

Reynolds is not a high scoring club. As a team the Raiders have averaged about 54 points per game. However, they have limited the opposition to about 48 points per contest. West Middlesex shows virtually the same point spread over the opposition with an approximate average offense of 49 points per game while giving up only 43 to its opponents.

The two teams show another similarity in that neither boasts any single man who has dominated his team's scoring. Garrett

at Reynolds has depended for the most part on seven men who have alternated as starters and substitutes through the season. These seven will carry the load Thursday.

They are Eddie Small and Ray Eastlick, top scorers with 240 each going into last night's Sharpsville game; John Bresnan, who moved to the varsity late in the year and has posted 64 points; Tom Harpet, injury ridden much of the year but still a contributor of 157 tallies; Gary Kuhn with 139; Chris Musgrove with 130 and Larry Jones who is in with 113 points.

Borowicz at West Middlesex (Quarterfinal) stuck with a half dozen men throughout most of the campaign (County League) but in recent games has called on West Middlesex 45, Reynolds 27 a couple more boys who have come through. Herb Groce, Rich Houy, Rich Hoffman, and Ron Preston have been starters most of the way. Bob Davis has seen a lot of action lately as have John Seig and Terry Gibson. Mark Kralevich and Marv Chupak have also been in most of the Big Red games. Houy with 236 and Groce with 219 before the Mercer game last night, are the only men to clear the 200 mark. Chupak has 41, Kralevich 78, Preston 92, Davis 70, Seig 54 and Gibson 24.

West Middlesex will carry the ball for Mercer County in District 10 Class B playoffs for the third straight year and fourth of the last five. The Big Reds of Norb Borowicz earned the berth in Saturday's initial playoff contest by tripping Reynolds 44-37 at Farrell High last night.

It was the rubber game between the two Class B contenders who had split their two-game set through the regular season. It was also West Middlesex's 10th consecutive victory.

Both teams threw up tight defenses limiting the shooting. Reynolds collected only 11 field goals during the game and West Middlesex hit 16. It was not until late in the fourth that the Big Reds had a lead of any size. Until then it was anybody's ball game with the losing Raiders pressing for the upper hand.

West Middlesex headed into the final period with a 30-25 lead and had to struggle to stay in front as the Raiders fought back.

Three times in the final stanza Reynolds closed the gap to three points and three times the Big Reds shot it back to five or more. The Raiders made their first move after West Middlesex widened the gap to 33-25. Two straight hoops closed it to 32-25.

Rich Houy's field goal boosted it to 34-29 but Tom Harpet kept the Raiders within striking distance with a goal that shaved the five-point spread to three once again, 34-31. Mark Kralevich tapped one in for the winners and the difference went to five again but Johnny Bresnan's two-pointer knocked it back to three, 36-33 with three minutes to play.

West Middlesex took over then with a field goal and a foul for a six-point lead and stayed out of reach the balance of the ball game.

Reynolds had the upper hand through the first period and a portion of the second. The Raiders, with a team effort, slugged out a 1-4 quarter lead on field goals by Ed Small, Bresnan, Harpet and Chris Musgrove and three fouls by Ray Eastlick.

Eastlick was also in command of the boards with help from his smaller mates, kept the Big Reds from the second shot. In the second period, however, Houy went to work on the boards for the Big Reds, found the target for three field goals, and led the winners back into contention.

Houy's six points and a pair of field goals by Rich Hoffman, most of which came from around the key, pulled the Big Reds to within one point of the Raiders, 14-14. With 15 seconds left in the half John Seig cashed in a free throw to knot the score at intermission.

It was nip and tuck through most of the third with the score tied twice at 10-10 and 24-24. Houy laid in a rebound after Reynolds had assumed a 19-17 lead to forge the first deadlock and Larry Jones converted a free throw for Reynolds after West Middlesex had taken a 24-23 lead to lock it up for the last time.

Rich Hoffman's foul with a minute and 34 seconds left in the third period sent the Big Reds out in front and they stayed there the rest of the way.

West Middlesex won the game from the field. Reynolds had a far superior night at the foul line hitting 15 of 19. The winners managed only 12 of 23 conversions. It was the 16-11 edge from the field that spelled the difference.

With the victory West Middlesex earns a shot at Tri-County champion Cochranston which decisioned Mercer last night, 61-58. The two contenders for the district title will square off at Grove City College tomorrow night at 8. The survivor will go against Youngsville of the Upper Allegheny Valley League next Tuesday night at Allegheny College.

Big Reds Avenge Loss to Raiders

History almost decrees that the County Class B championship will not be settled without a playoff game between Mercer County's only two contenders for that crown, Reynolds and West Middlesex.

West Middlesex assured itself of a crack at the title last night by handing the visiting Raiders a 57-38 shellacking to gain revenge for an earlier 44-38 defeat.

Thus the two will meet once more in postseason play to determine who will carry the county colors in District 10 Class B eliminations. Prior to the jointure at Reynolds when Fredonia High was in existence, West Middlesex and Fredonia almost made it an annual practice to split over the season and then settle it in a playoff.

From the first minute of play it was evident that the Big Reds had their sights set on something more than a second place finish. They rolled out to a 17-5 lead in the first period and for all intents and purposes wrapped up the ball game right there.

However, they stretched the lead to 17 points, 32-15 at the half and

blew it up in the third to carry a 42-21 cushion into the fourth and final. Then and only then did the Raiders manage to outscore West Middlesex and by only two points.

Herb Groce, Rich Hoffman and Ron Preston paced the West Middlesex attack scoring 14, 14 and 12 points respectively. John Bresnan was the only Raider to find double figures. He collected 10.

A playoff date for the county crown will in all probability not be selected until the District 10 scheduling meeting at which time all post season games are arranged.

West Middlesex made it a clean sweep with a 49-22 decision in the Junior Varsity game, also a reversal of the previous outcome.

Raiders Win By Unusual 29-24 Tally

Sharpsville traveled to Reynolds last night for its final basketball game of the year. For the host Raiders it was to be a tuneup affair for the County Class B playoff Thursday.

When the game was over, Reynolds had a grand total of 29 points, Sharpsville was a loser with 24. Both teams missed shot after shot and both lost the ball frequently. Sharpsville finished 6-18, Reynolds 15-7.

Reynolds opened with a normal 14-point first period while the Blue Devils struggled to get four. Sharpsville moved to within four points at the half by outscoring the Raiders 9-3. Going into the third with a 17-13 edge, the Raiders squeezed out seven more while the Blue Devils managed four. That left it at 24-17 at the start of the fourth. Sharpsville won the fourth 7-5.

John Bresnan and Ed Small had 11 and 13 points for the Raiders to account for 24 of the 29. Terry Bilkey's nine topped Sharpsville.

The Raiders squeaked out a 30-29 decision in the Junior Varsity clash.

Hornet Passers Whip Reynolds to Continue Undefeated on Season

Hickory High's undefeated Hornets had trouble for three periods but wound up with their 14th straight victory after defeating Reynolds 62-50 Friday night on the latter's floor.

Coach Frannie Webster's Red and Black passers had all they could handle from the smaller Raiders for those first three sessions but locked up the decision with a 20 point attack in the last chapter. The Hornets held a one point edge 9-8 at the close of the first period but stretched its lead to six 28-22 at the intermission. Reynolds outscored Hickory 17-14 in the third quarter to cut the advantage to three points 42-39 but couldn't match Hickory's pace in the closing canto. The score was tied three times with Hickory regaining the lead on each occasion.

Three players hit in double figures as the Hornets meshed 24 field goals. Center Fred Greene won top individual honors with 16 points and teammate

John Crumbacher was close behind with 15. Greene tossed in seven baskets and two fouls. Crumbacher had five double deckers and the same number of charity tosses. Guard Bill Lenzi made four baskets and four fouls to add 12 points to the winning cause. In addition to their 24 hoops the Hornets converted 14 fouls.

Reynolds netted 19 field goals and 12 free throws. Eddie Small had 13 points and Tom Harpst 10 for the losers who now own an overall 9-5 record. Harpst reinjured his knee in the closing 30 seconds of play and had to be carried off the floor.

Reynolds Jayvees won the preliminary 57-43.

Hornet Win String Now Reaches 17

Hickory cut loose its heavy firepower early last night and rode home to its 17th consecutive win of the season over Reynolds 71-48. The Hornets have yet to lose. Reynolds lost its sixth in 16 games. Despite the fact that Fred Greene was out with the flu, the Hornets piled up a 24-5 lead in the first eight minutes to ice the victory. Reynolds knocked a point off the difference in the second period to trail by 18, 36-18 at the half. The two played even in the third with each scoring 20 points and Hickory won the fourth 15-10.

Gary Roberts and John Crumbacher led the Hornet scorers with 22 and 19 respectively. Chris Musgrove and Bresnan had 11 each to lead the Raiders.

Hickory was a 48-36 winner in the Jayvee contest.

Wrestlers Close Out Regular Season in Three-Night Stand

A flurry of early week action just skidded by Commodore Perry when the Panthers were near full strength while Hickory hit C. P. at a time when over half the Panther squad was shelved and won in a romp. Against Grove City Hickory squeaked to 23-21 and 27-18 wins while Greenville drew with the Eagles, 13-13. Greenville squeaked by Oil City 24-23 but Hickory took the Oilers in stride, grabbing an impressive 29-17 decision. Howland is the only other common foe and Greenville smothered the Oilers 28-4.

Both clubs close out the season in the 7-30 meet at Hickory Junior High.

Commodore Perry travels to Lakeview for the only meeting of the year between the neighborhood rivals. It is the last showing for the invading Panthers who will shoot for their sixth win in 14 matches. Lakeview, which closes up Wednesday, carries a record of five wins, six losses and a draw.

West Middlesex flexes its new-found muscles against Grove City in hopes of wrapping up its fifth consecutive victory. The Big Red towns and New Castle, Greenville

next week will close out the regular wrestling campaign and set the stage for Friday and Saturday's sectional tournament at Greenville.

Monday's four-match slate will be followed by single matches Tuesday and Wednesday. Connant Lake and Cochranston tangle in the Tuesday affair while Lakeview and West Middlesex close up the campaign Wednesday.

Monday's slate is highlighted by the long-awaited battle at Hickory between the host Hornets and Greenville's Trojans. Riding the crest of a fine season which shows 12 wins and a loss, the Hornets will be favored to hand the Trojans their second defeat. Greenville dropped the opener and was held to a draw. The other eight matches resulted in Trojan wins.

Hickory's lone loss was a fluke affair at Howland in which three first line Hickory wrestlers were sidelined and several others were moved up one or more weight classes to plug the gaps.

Both teams trounced James

town and New Castle. Greenville

even matches but came alive late in the year and have posted off four straight including a double win over Reynolds and single victories over Jamestown and New Castle. Grove City, seeking its tenth win against three losses and a draw, pounded the Big Red 23-12 in their initial meeting.

Monday's final match is a re-scheduled date between Reynolds and Saegertown on the Crawford County school's mats. Slated originally for Thursday, the two teams agreed to move it up to allow both to prepare for weekend sectional tournaments.

Reynolds needs a repeat of its 27-17 victory scored earlier in the year to square its season's slate at four and four. The Raiders have lost three of their last four.

Another match which has been moved up is the Lakeview-West

allows the two only a one-day rest before the weekend eliminations.

'Big Ones' Scheduled Friday Night; League Titles May Be Prizes

This is expected to be a decisive week of action for several Mercer County quintets as the 1960-61 basketball campaign nears a close. Races in Section 3, and

County Class A, B and C Leagues could be decided by the results of contests scheduled this week.

A total of 18 tilts are on tap with the "big ones" carded on Friday. Heading the bill of fare on that night is the crucial Section 3 clash between the defending champion Farrell Steelers and the league-leading Aliquippa Indians at Aliquippa. The Quips, who took over first place with a 51-46 victory over Sharon last Friday, could pretty well lock up the crown with a repeat triumph over the Steelers.

Other important Friday games find Sharpville facing Grove City at home in the County Class A circuit, Reynolds at West Middlesex in Class B and Commodore Perry at Jamestown in Class C. The Raiders and Panthers can clinch their titles with repeat victories. Sharpville must win over Grove City to retain a chance for a tie with league leading Hickory. A loss by the Blue Devils will give the championship to Hickory which clinched at least a tie with an easy win over Greenville Friday.

Tuesday Clashes

Prior to hosting the Steelers, the Quips will visit Beaver Falls Tuesday night. Farrell entertains Ellwood City and Sharon hosts Ambridge. The Tigers are in second place in the standings with a 6-2 record while Farrell is in third place with a 5-2 mark. Aliquippa is 7-1. On Friday, the Tigers will invade New Castle as the Steelers battle the Indians.

The only other league action carded Tuesday night will find Lakeview at Rocky Grove in the Tri-County Class B circuit. In non-league affairs, Sharpville hosts Meadville, Hickory entertains Reynolds, Grove City visits Mercer, Greenville invades West Middlesex, Commodore Perry hosts Nesbannock, St. Michael's will be at home facing Linesville and Jamestown entertains Fowler. The Mikes tackle Cochranston at home and Brookfield travels to Campbell Memorial in other Friday games.

Heavy Losers

The heaviest losers last Friday were Sharon, Mercer and St. Michael's. The Tigers, of course, were knocked out of a first place tie with the Quips and now face rough going in their final four games. The Mustangs were knocked out of a first-place tie in the Tri-County loop in losing to undefeated Cochranston 76-62. The Mikes were dropped into a two-way tie for third with Titusville St. Joseph's in the Erie Diocesan Class B League after bowing to St. John Kauty 43-36. Thus it appears that the work for those three ball clubs is really cut out for them as far as division titular races are concerned.

One of the brighter factors of last Friday's games was Hickory's victory over Greenville which not only clinched at least a tie for the County Class A crown for the Hornets but also extended their perfect record to 14 games.

For a Job Well Done—Frank Baker (left), president of the sponsoring Transfer Kiwanis Club, presents a floral tribute to Evelyn Leisher, general director of Saturday's successful first annual scholarship minstrel, "Alabama Jubilee," presented by members of the Reynolds Area Joint School District community in the auditorium of Reynolds High School. The Kiwanians hope to use the minstrel's proceeds to provide a \$500 scholarship to a Reynolds senior.

While most are looking ahead to tournaments of a more publicized nature, there are three crews of scholastic athletes who have their interest centered on action of their own in the realm of championship competition.

Reference is made to seventh and eighth graders who will be going at it here in Greenville Saturday afternoon and evening in both basketball and wrestling and the junior varsity of Greenville High which will wrestle at Du Bois a week from Friday.

This Saturday affair could prove to be one of the most interesting events staged around these parts in a long time. While there won't be the pressure that is present in varsity tournaments, nevertheless the desire to win will be just as strong if not a little stronger.

Being a neighborhood scramble there will be a strong attraction for fans outside Greenville. Commodore Perry will bring in its basketball and wrestling team as will Reynolds and Hickory. Thus the setup calls for a pair of the Class B representatives in the county to lock horns with two of the Class A schools. Actually in an event of this nature the A-B division means very little.

Basketball on this level is naturally marked by numerous errors. But it has its share of fine play as well. The kids will use half-court in the afternoon playing from side to side in the first two games. But when evening comes and the championship is on the line they will use the full court. They will play only six-minute quarters.

In the case of the wrestlers it will probably look like a midget convention. Weights run from 70 pounds through 135 plus an unlimited division. If you have ever seen a pair of 70-pounders go at it, you are aware of how action-packed such a bout can be. If not, you are in for a treat for these little guys really go.

Like their brothers in basketball they make mistakes, but in both instance the miscues only serve to speed up the action. Wrestlers will be required to go three 90-second periods.

Playing time amounts to 24 minutes in basketball and four

and a half minutes in wrestling. This is compared to 32 minutes and six minutes for varsity competition.

A week from Friday the Jayvees of Greenville will be in Du-Bois for the annual Junior Varsity wrestling tournament there. Greenville has had exceptional success in the past two years there. This year's tourney has undergone several radical changes.

It is now only for Junior Varsity whereas it formerly included a —Junior High side. The field has also been reduced to four teams from the previous eight. Competition has also been cut back to a single day instead of two as other years.

The entire show will be run off Friday afternoon and evening. Unfortunately, it falls on the same Friday that the Section III tournament kicks off here in Greenville.

Reynolds High Tallies Easy Victory 76-31

A 31 field goal attack carried Reynolds to an easy 76-31 victory over winless Jamestown Friday night at Jamestown.

All 11 players used by coach Chuck Garrett of the Raiders made the scoring column with Gary Kuhn setting the pace with 18 points. Ray Eastlick and Chris Musgrove also made the double column for the winners, the former nailing 12 points and the latter 11.

Dennis Ross was high man for the Muskies with 15 points.

Reynolds spurred to a 19-11 first quarter lead and was not to be denied. The Raiders stretched their margin to 34-22 at the intermission and then poured 42 more points through the net in the last half to rack up their sixth victory in eight starts. The defeat was the 12th straight without a win for Jamestown.

Reynolds Jayvees also won the preliminary 48-27.

Reynolds Easy Winner Over Perry 67-42

A 27 field goal attack headed by center Ray Eastlick carried Reynolds to a 67-42 victory over Commodore Perry Friday night on the latter's floor.

Eastlick led all scorers with 20 points. He meshed eight field goals and four free throws to spark the Raiders to their ninth victory in 12 games. Newton Reash was top gun for the Panthers with 15 points. The loss was the second straight and the sixth in 13 games for Perry.

Coach Chuck Garrett's Raiders led all of the way. They were out front 14-10 at the end of the first stanza and then extended their margin to 10 points 28-18 at the half. Reynolds outscored Perry 39-24 in the last half to win easily.

Reynolds Jayvees also won the preliminary 34-20.

Four County Wrestlers Shoot for Regional Championships

Battle Tomorrow Afternoon, Night

Anthony Catalano

Pete Rayman

Rod Wentling

Bucky Moffett

Four Mercer County wrestlers representing three high schools are four victories away from the state championships. The quartet of matmen will have an opportunity to cut the magic number to two tomorrow afternoon and evening at Altoona's Jaffa Mosque.

Three seniors, Rod Wentling and Anthony Catalano of Greenville and Pete Rayman of Grove City, and a lone junior, Bucky Moffett of Reynolds, get a crack at regional competition—the last step on their climb to the state championship tournament a week hence at State College.

Fourth Try

For three of the four, the trip to Altoona is a first. For the other it is a fourth. Wentling has made three previous appearances in regional competition. He has yet to survive. He dropped a 6-0 decision to Mike Johnson of Lock Haven at 95 pounds in 1958. In 1959 he was defeated 5-4 on riding time by Sam Clark of Clearfield at 112 pounds. Last year the Trojan grappler got by Clark to reach the 120-pound finals for the first time only to be handed an 8-4 setback by Jerry Twoey of Philipsburg. Both Johnson and Twoey went on to claim state crowns.

Wentling opened his scholastic career with an 8-2-1 season as a freshman. In his sophomore year he put together a 12-2 record and followed it up with a 17-1 season as a junior. Thus far through the 1960-61 campaign he has won 18 without a loss. Only one of his five career losses was in dual competition. It came in his first varsity bout. He lost once (as a sophomore) in the State College Invitation tournament and three times in regional competition.

Third Season

Catalano is in his third year of varsity action for the Trojans. As a sophomore the young husky won three of seven and was eliminated in sectional competition at 145 pounds. He came back as a junior at 138 to post a 10-4-1 record and was dumped in District 10 semifinal round. Thus far through his senior year as a 145-pounder, Catalano has been defeated through no-faults in 18.

Moffett, a former Greenville High product, got his initial varsity start in the 1960 sectional tournament at 134 pounds and was eliminated in the first round representing GHS.

Wrestling for Reynolds this season at 165 pounds, Moffett has put together a record of 13 wins without a loss. Reynolds, in its first year of operation, was held to a limited eight-match schedule. Like Wentling and Catalano, he has knocked off five in a row in tournament competition.

Out of the Blue

Rayman, who has become a standout for the Grove City Eagles in just one year, is rolling along unbeaten in 19 bouts. Rayman previously competed for Norwin High School but never survived the WPIAL tournament.

All four can look forward to rugged competition. Wentling runs into Gary McClincey of Curwensville in his semifinal bout. McClincey is making his first regional start and has posted an 8-5 record for the year. In the other half of the afternoon semis at 127 will be John Proko of Bedford and Dave Thiel of State College. Neither has been in the regional before. Proko has an 11-3 state for the year while Thiel is 12-2. The last time Greenville fans saw Thiel was in the 1958 State College invitation when he won the 140-pound title.

Regional Vet

Catalano can expect to meet a regional veteran if he survives the afternoon round and Jerry Fochtman of Clearfield is not upset. Fochtman has been to the tournament before, losing to Ron Masco of Lewistown in the finals at 120 in 1959 and to Greenville's John Williams at 138 last year.

again in the finals. He is 14-1 for the year. Anson Wright, of Bedford, with a 7-6-1 state, is first for Fletcher while Catalano will take on John Henderson of Lewistown. Henderson is highly rated in District 6 having put together a 17-2 campaign.

Another pair of vets will be in at 154 against Rayman. Jerry Stone of Clearfield lost to Doug Fochtman in the semis a year ago. Fochtman in turn was defeated by state champ Frank Eisenhower. Fochtman, of Chestnut Ridge, will meet Bellefonte's Harry Whitehill in the semis while Stone faces Rayman. Stone stands 11-1-2 for the year. Fochtman 13-0 and Whitehill 15-3-1.

State Finalist

Gary Cook, a 4-3 loser in the state finals a year ago, tops the list at 165. He is undefeated in 18 for the year. Tom Kubista of Curwensville, 13-0, hits Cook in the semis. Moffett's first foe will be Denny Miller of Chestnut Ridge who has an 8-3-1 for the year.

Action in the cavernous Jaffa Mosque will begin at 2 in the afternoon with the semifinal winners slated to commence final round wrestling at 7:30. Capacity of the Mosque ranges in the 3,600 region.

Reynolds High Graduates Exhorted To Preserve American Way of Life

"It's not too late to work for freedom," Dr. Will W. Orr, president of Westminster College, told the 98 members of Reynolds High School's first graduating Senior Class at commencement exercises last night.

Basing his talk on the "not too late" theme, Dr. Orr said that although world events appear to be working to the advantage of

communism, the cause of freedom is far from lost. He advised the graduates to put forth their best efforts to preserve the American way of life.

Soviet Premier Khrushchev's claim that the grandchildren of today's Americans will live under a communistic system should have been immediately countered with the reply that the de-

scendants of today's Russian people will be ashamed to admit their forebearers ever existed under the current form of government.

Urges Show of Appreciation

The commencement speaker also urged the graduates to display their appreciation to those who have thus far assisted them through life. Youth seldom is able to fully appreciate all that has been done for them, he pointed out. But "it's still not too late to let them know," he said.

Neither is it too late to "choose your in-laws," he told the class. Choosing a partner in marriage also involves a close look at his home and his parents. Too many broken homes are the result of "rushing into marriage," Dr. Orr said.

Mrs. Baird Honored

A highlight of the program also included the presentation by Supervising Principal Carl F. Welch of a Freedom Foundation medal to Mrs. Lavine Baird, 54 Plum Street, Greenville, a teacher of higher mathematics in the high school.

Welch pointed out that Mrs. Baird was among 26 of the 80,000 teachers in Pennsylvania to receive the citation. The award is given for outstanding achievement in development of superior citizenship.

The measure of high standards established by the new school's first graduating class was cited in the program by Welch, High School Principal Raymond J. Bost and Gustav R. Wall, president of Reynolds Area Joint School Board.

Student addresses were presented by Robert Callahan and Robert Biggart, with Callahan tracing the beginning of his and a number of other classmates' education from a one-room school to the time of graduation from the modern \$2 million Reynolds High School.

In his talk, Biggart attempted to analyze what the future may hold for the various segments of the Class of 1961.

Seniors Make Gift

Announced during the ceremony was the presentation of a bronze plaque to be placed in the school lobby containing the names of all members of the original Senior Class. The seniors also revealed that \$200 in the class treasury would be given to the school to provide additional books in the library.

Formal presentation of class members to receive their diplomas was made by High School Principal Bost, who thanked them for their excellent co-operation with the administration during the trials of establishing a united student body from a group which had come to Reynolds from several other schools in the area. Presentation of diplomas was

made by School Board President Wall.

900 Attend Exercises

To the some 900 friends and family members of the graduates seated in the auditorium it was pointed out that of the 98 members of the Senior Class, 35 already had been accepted for enrollment in institutions of higher learning.

Also taking part in the ceremonies was the school's concert band under the direction of Thomas Jeffries. The band played the prelude, "Welsh Folk Suite," "Huedigungsmarsch" and the recessional, "Hymn of Freedom."

The vocal solo, "Trees," was sung by Barbara Amon, a member of the graduating class. Invocation and benediction were by Rev. J. Miles Walthour, pastor of Jerusalem United Church of Christ.

Among those who received diplomas were 18 honor students, who had received grades of "B" or better during their senior year. They are Athelston Bartholomew II, Robert Biggart, Robert Callahan, Lynda Cooper, Ronald Ealy, Susan Ferguson, Janet Herrick, Carol Hoffman, Julie Hunt, Roberta Johnson, Becky Miller, Veronica Mischick, Claudia Musgrove, Mary Elizabeth Probst, Edward Redzinak, Brenda Saylor, Hazel Shelhamer and Patricia Williams.

Other members of the class are Barbara Amon, Coreen Arford, Doreen Arford, Forest Artherholt, Ronald Babcock, Shirley Bancroft, Ronald Barber, Judith Benninghoff, Charles Bielobocky, Alice Brest, Elizabeth Brown, Nancy Burnette, Doris Campbell, George Campbell, Jr., Carol Clark, Gracie Clark, Sherry

Clark, Richard Cooper, Dorisler, Janet Shook, Edward Small, Davis, James Doddo, Jr., Darlene Drew, Nancy Eakin, Thomas Eckley, Dafic Fell.

Also David Frazier, Martha Gardner, Ralph Gerdy, Carol Heath, Joan Heile, Karen Hittle, Lowell Hoover, Jr., Patricia Hoover, Ronald Hunt, Barbara Kammerdiener, Esther Keel, Charles Kirkner, Mary Ann Fritch, Theodore Link, Mary F. abeth McDonald, Eleanor M. jewski, Samuel McClimans, David McConnell, Stanley Clair McCright, Karen McKnight, Barry McLaughlin, Joanne Meker, Kathleen Meeker, Barbara Miller, Robert Miller, Ronald Mitchell, Shirley Mitchell, Thomas Mowry Charlotte Murring, James Murin, Jr., Elaine Needels, Gerald Nehlen, Winifred Nichols, Guy Oliver, Paul Peterson, Charles Proctor, Karen Ryhal, Darrell Saylor, Shirley Sensasak, Lawrence Sha-
